Colossians and Philemon Dr. Brian J. Bailey,2013-11-04 Colossians and Philemon is an easy reading verse by verse commentary on those most blessed New Testament letters of the Apostle Paul Dr Bailey emphasizes the vital message of following the way to holiness as seen in the epistle to the Colossians as well as the message of restoration in that a slave becomes a brother in the epistle to Philemon This book will be enjoyed by those who seek to find the true pathway to the presence of God and the place of restoration whereby we can be called the sons and daughters of God *Colossians and Philemon* Marianne Meye Thompson,2005-11-02 Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly In this notable commentary however Marianne Meye Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith In Colossians she finds an overarching narrative of the Bible s grand creation redemption story and an important emphasis on the relationship between creation and Christology while her exploration of Philemon casts brighter light on the significance of Paul s familial metaphors for the church and the meaning of new humanity in Christ Throughout her work on these two epistles Thompson continually connects her insights to theological concerns making this volume an excellent addition to the Two Horizons series
