Blomberg, 1995 Most Bible commentaries take us on a one way trip from the twentieth century to the first century But they leave us there assuming that we can somehow make the return journey on our own In other words they focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps us with both halves of the

interpretive task This new and unique series shows readers how to bring an ancient message into modern context It explains not only what the Bible means but also how it can speak powerfully today **Colossians** John Paul Heil,2010 This book investigates Colossians as a captivity letter from the primary implied author the imprisoned Paul to an implied audience of mainly Gentile converts currently in danger of influence by local Jews or Jewish Christians Utilizing a text centered literary rhetorical and audience oriented method it demonstrates new chiasmic structures for the entire letter that progressively encourage the audience to resist deceit and conduct themselves according to all the wisdom at their disposal as holy ones in Christ **The Cradle, the Cross, and the Crown** Andreas J. Philemon in their ancient setting and explores their message for Spirit filled Christians today Images illustrations and sidebars on pentecostal charismatic revival history or insights are included **Colossians** David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey **The Gospel of Luke (Catholic Commentary on Sacred Scripture)** Pablo T. Gadenz,2018-09-18 In this addition to the successful Catholic Commentary on Sacred Scripture series Fr Pablo Gadenz examines the Gospel of Luke from within the living tradition of the Church for pastoral ministers lay readers and students alike Gadenz explains the biblical text clearly and concisely in light of recent scholarship and pays particular attention to the themes theology and Old Testament background of Luke s Gospel Sidebars explain the biblical background and offer theological insights from Church fathers saints and popes and reflection and application sections offer suggestions for daily Christian living *Spiritual Warfare in the Storyline of Scripture* William F. Cook III,Chuck Lawless,2019-11-15 In *Spiritual Warfare in the Storyline of Scripture* authors William Cook and Chuck Lawless provide a biblical theological and practical study of a topic that is of key importance in the life of every believer *Salvation in the New Testament* Jan G. van der Watt,2005-11-01 *Salvation in the New Testament* offers an analysis of the soteriological perspectives and language of the different books of the New Testament Special attention is given to the imagery used in expressing soteriological ideas Salvation deals with becoming part of the people of God In *Salvation in the New Testament* special attention is given to the nature and power of the salvific language used in the New Testament to express the dynamics of salvation Individual articles on the different books of the New Testament highlight the diverse perspectives offered in these documents The emphasis especially falls on the different images and metaphors which were used to express the event and moment of salvation rather than on the results ethics or behaviour of salvation An overview of the different perspectives on soteriology in the New Testament offers the opportunity to compare similarities and differences in concepts and expressions It also illustrates the dynamic interaction between historical situations and salvific language and expression *Divine Testimony for the Resurrection* Larry Stalley,2025-04-15 Is the Shroud of Turin the actual burial cloth that once wrapped the corpse of Jesus If it is why were the Gospel writers silent about its mysterious full body image Might there actually be cryptic references to the

image within the New Testament that have gone unnoticed until now And if there are such references why are they cryptic What has science discovered about the image on the Shroud And are there historical references or artifacts associated with the Shroud outside the biblical canon from the period of the early Church Those important and intriguing questions are addressed by this book The significance of this work is monumental both with regard to New Testament studies and with regard to our understanding of the Shroud of Turin The book s focus that hidden or cryptic statements concerning the Shroud and its incredible image actually exist within the Bible is a game changer with respect to 1 the quest for the historical Jesus 2 the existence of biblical evidence supporting the authenticity of the Turin Shroud and 3 the believer s assurance of personal resurrection and eternal life **Philippians, Colossians, & Philemon** Livingstone, 2021-03-02 The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary Each volume in the series provides in depth explanation background and application for every verse in the text Perfect for sermon preparation and lesson planning this one of a kind reference provides excellent quotes and a bibliography for additional commentary Additional features include Charts diagrams and maps on the same page as their related verses Quotes from various versions such as the NIV NRSV and NLT Key information graphically highlighted
