COLOSSIANS: "Presenting you Holy" Dr Ken Baker,2019-06-19 I guess every believer is conscious of wanting to go further with God to dig deeper and to climb higher Paul himself said Not that I have already arrived but I press on But the New Testament whilst stating that qualification also provides an astonishing optimism of grace a marvellous confidence that God can do all things in and through us The little book of Colossians expresses that confidence to a high degree The writer is not daunted by the poor quality of the believers neither by the sins of their past nor the distractions of their present In simple powerful prose he outlines a challenge which is worth taking up It is the challenge of Christian holiness Jesus Christ has done a work the past tense is exhilarating so that he might offer us to God holy and blameless and irreproachable It is God s design that is that we are presented holy It is the purpose of this book to explore how Colossians enables that undertaking

The Image of God: Lost and Recreated Otis Gouty, 2019-09-27 This is a book that demonstrates how a person can get the image of God Adam and Eve were created in the image of God but lost it They were given freedom of choice Unfortunately they rejected God and chose the way of Satan which has been passed on to all of us down through the centuries from parent to child The Bible is accepted as truth Every step of the way taken here is documented by the Bible Scientific discoveries are introduced to form a basis for understanding and to compliment biblical references Children born after Seth were born in the evil image of Adam and Eve God was so deeply grieved by the evil intentions of Seth's descendants that he sent the flood to destroy all of mankind Noah was favored by God but even so he was still of the lineage of Seth The Old Testament is filled with the sinful acts of God's chosen children but the faithful unchanging God had a plan which He brought to pass in the person of Jesus This book provides a penetrating and dramatic picture of how God has implemented His plan to the present time

God and Abstract Objects William Lane Craig, 2017-09-05 This book is an exploration and defense of the coherence of classical theism's doctrine of divine aseity in the face of the challenge posed by Platonism with respect to abstract objects A synoptic work in analytic philosophy of religion the book engages discussions in philosophy of mathematics philosophy of language metaphysics and metaontology It addresses absolute creationism non Platonic realism fictionalism neutralism and alternative logics and semantics among other topics The book offers a helpful taxonomy of the wide range of options available to the classical theist for dealing with the challenge of Platonism It probes in detail the diverse views on the reality of abstract objects and their compatibility with classical theism It contains a most thorough discussion rooted in careful exegesis of the biblical and patristic basis of the doctrine of divine aseity Finally it challenges the influential Quinean metaontological theses concerning the way in which we make ontological commitments

The Trouble with "Truth through Personality" Charles W. Fuller, 2010-04-05 In an era when the cult of personality has overtaken the task of preaching Charles W Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached By thoroughly evaluating Phillips Brooks's classic truth through personality definition of preaching Fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between Christ's incarnation and Christian preaching Ultimately Fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds Preachers who desire to construct

pulpit practice upon a robust evangelical foundation will benefit from Fuller's contribution **Establishing Boundaries** F. j. e. Boddens Hosang, 2010 Council texts from the eastern and western Mediterranean allow us to see how close relations were between Christians and Jews in late antiquity These texts give precise descriptions of the continuing close relations between the ordinary faithful Christians and Jews on a daily basis God's New Humanity David E. Stevens, 2012-02-08 I pray that all of them may be one Father just as you are in me and I am in you May they be brought to complete unity to let the world know that you sent me Jesus Christ What if What if believers of multiple ethnicities manifested the diversity in unity for which Jesus prayed What if largely separate homogeneous congregations which account for nearly 92.5 percent of all churches in the United States increasingly became connected multiethnic congregations What if at eleven o'clock on Sunday mornings or whenever believers gather to worship local congregations were comprised of believing whites African Americans Koreans Hispanics Romanians Native Americans as well as the diverse mosaic of other ethnicities represented in our increasingly multicultural society Would this not say something about the supernatural character of the gospel of reconciliation we proclaim Jesus believed it would That is why after praying for such diversity in unity among his followers Jesus Christ the Man for all nations extended his arms and laid down his life to make it happen This book *God's New Humanity* examines the biblical theological vision and motivation for living in response to Jesus' prayer *Pure Love* Timon Bengtson, Sarah Rose, 2015-09-02 When the last time your church spoke openly about sexuality Messages about sex are everywhere Books magazines films television and billboards bombard us daily with the cultures standards and beliefs about sexuality And while the world tells us how we should live in regards to our relationships and sexual identity the church has too often been silent But sexuality is not an issue that can be ignored *Pure Love* deals openly honestly and biblically with these core issues of sexuality facing young people today dating singleness modesty emotional purity pornography masturbation homosexuality Confident in the power of the gospel Timon and Sarah draw on their own experiences and the truth of the Scriptures to show you how you can be freed from the slavery of sexual temptation and walk in a manner worthy of your calling as a Christian *The Colossian and Ephesian Haustafeln in Theological Context* James P. Hering, 2007 In this groundbreaking study James P. Hering investigates the theological and ethical motivation that informs the controversial New Testament household codes *Haustafeln* found in the epistles to the Colossians 3:18-4:1 and Ephesians 5:22-6:9 Within most New Testament scholarship the household code has been regarded as an imported element within its host letter reflecting either pagan or embarrassingly sub-Christian values Is the household code merely a nod to the pragmatic demands of culture or can it be understood as a reflection of the author's theological concerns What can it teach us today Hering provides a unique analysis of these passages revealing the *Haustafeln* in their historical context and examining their theological roots This book is of vital importance for courses on Christian ethics and New Testament backgrounds *A Multi-Intentioned View of the Extent of the Atonement* Gary L. Shultz Jr., 2014-01-07 Christians strongly disagree about the extent of the

atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God s intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins

The Cross of Christ John Stott,2021-04-27 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In the centennial edition of this study of Scripture theology and contemporary issues John Stott brings you face to face with the centrality of the cross in God s plan of redemption

SCM Studyguide: Preaching Peter K. Stevenson,2017-01-31 Peter Stevenson provides an introduction to the practice of preaching It is designed for people from various church traditions in the early stages of ministerial formation Preaching is a complex and challenging business requiring a demanding mixture of skills People listening to a sermon have the right to expect that a person who stands up to preach can interpret the Bible competently has a grasp of core Christian beliefs and believes what they preach They also expect someone who has the necessary range of communication skills to put the message across in an accessible way Such a range of expectations presents daunting challenges to the most experienced preacher Including practical exercises which could be used by individuals or by groups this book is suitable for introductory courses in preaching or for modules which consider preaching within an overall focus upon leading public worship

5 Answers for Christians Today Nathan Garnett,2016-05-23 CHRISTIANS HAVE QUESTIONS about so many issues today that pastors and Bible teachers can t sufficiently address them all at precisely the time an answer is needed 5 Answers will give Christians a basic biblical perspective on some of these common issues and it will provide any serious Bible student with ample resources for further research Nathan is a faithful pastor and an excellent teacher As a man who is truly interested in following God he recognizes the importance of knowing and understanding what God has said In this book he tackles five difficult questions

and skillfully guides us to biblically based answers John Turpin Author of the book Victorious Faith 5 Answers would be a useful tool for a pastor to give someone who has questions and wants to find answers through personal Bible study or in a small group setting When I was younger in the faith I sought resources like this to help me nail down precisely what I believed It is an easy yet informative read Jimmy Hazlett Worship Pastor at New Hope Baptist Church in Moreland KY Many Christians struggle and are in search of answers to tough questions in the Holy Scriptures Nathan Garnett has made your research easier by dealing with the most problematic areas of biblical truth Darrell H Hahn Hospice Chaplain Pastors and seminary students want our work even our academic writing to be beneficial to our own souls and also to our churches and families Unfortunately much of our academic work usually provides little direct benefit to those whom we care about the most To resolve this deficiency Nathan has re cast the produce of some of his best research into a more user friendly format Hes done this mainly with his family and church in his mind and on his heart I think hes done us all a great service in the process Chris Wilson Pastor of Payneville Baptist Church in Payneville KY [The Case for Progressive Dispensationalism](#) Robert Saucy,2010-12-21 Debate abounds on the future of Israel and Israel s relation to the church not only between dispensationalists and non dispensationalists but among dispensationalists themselves In the past that debate has sometimes been acrimonious and proponents of the differing viewpoints have found little common ground In recent years however views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas The Case for Progressive Dispensationalism is intended to enlighten the debate in that same irenic spirit The book is solidly dispensational in perspective in affirming that the Old Testament prophecies are completely fulfilled in the future that the nation of Israel has a prophetic future and that Israel is not the church Dr Saucy departs from classic dispensationalism however in showing that 1 the fulfillment of Old Testament prophecy begins in the present church age and 2 the church is not a parenthesis in God s program but represents a continuity with the Old Testament messianic program This modified dispensationalism seeks to satisfy many of the objections of non dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought [Lucifer's War](#) Linda Rios Brook,2012-10-02 Something Has Gone Terribly Wrong in Our World Two thousand years after the cross evil continues to brutalize and pillage in every nation and no one appears able to do very much about it Why has the church made so little progress While Satan lost his authority to rule on the earth he did not lose his power Failure to recognize this crucial difference has caused us to miss the point as to what the war over the planet is about and therefore what we must do to win it Lucifer s War offers a detailed historical examination of Satan the demon gods who are aligned with him and their ancient struggle with God over humanity While the church is the only agency on earth authorized by Jesus to deal with evil at its root cause believers must acknowledge what has not worked and pursue a different strategy that will This book will change the way you pray equip you to understand the times we are living in and prepare you for what may happen next and what you

can do about it *Restoration Story* Robert K. Cheong, 2021-09-27 What unanswered questions do you have about your life
Some of us struggle to find meaning others wonder about identity and all of us want to be loved Your story the events and
relationships that define you will guide how you answer those questions But God has a story too His story is about sending
