Colour Me Good Kate Moss:

Colour Me Good Kate Moss Mel Elliott, 2011-09-10 Colour in Britain's favourite supermodel in this colouring book devoted entirely to Kate. Kate in socks, sunglasses, shorts and of course Kate in love. Colouring is addictive fun whether you do it yourself or give the book as a present. *How To Make Art* Mel Elliott, 2015-04-16 Every child is an artist; the problem is staying an artist when you grow up. Pablo Picasso: This isn't your usual art manual. It's for big kids everywhere: everyone who loved getting covered in paint and glue at school and would secretly love to do it more often. It's also for people who love pop culture, comedy, trashy TV, great TV, pop videos, pop stars and pop music. And not only does it help you harness your inner creativity, it's also a lot of fun. Mel Elliott, doyenne of the cool colouring book, and the crazy paper doll imparts the secrets of her expertise, giving you in-depth tutorials on how to create funky collages, make cool wonky lettering, paint the skin tones of the stars and much, much more. With more pop culture references than you can throw a Justin Bieber CD at, this book will have you drawing, painting, cutting and colouring before you can say 'Welcome to Pawnee' using your newly learned skills and indulging your own personal tastes to create works of art to be proud of. After all, how better to learn to paint than by painting Kate Moss? Word count: 15 000.

Fred Vermorel,2010-04-07 Party girl supreme and queen of street fashion supermodel and millionairess Kate Moss is as familiar in headlines as on the catwalk as the twin narratives of lurid tabloid stories and continuing adulation of the fashion industry demonstrates to all the paradox of fame Whether she s partying finding another way to get out of it or strutting self assuredly down a catwalk in Paris you can be sure photographers are in a huddle close by ready splash her or crash her in tomorrows headlines She is now more familiar to some as the Cocaine Kate of recent tabloid headlines than as the face of Chanel and Burberry This searching and remarkable book charts both her career and personality as she is propelled out of a misspent youth by the hand of fate to the top of her profession and beyond to become an icon bigger than the brands she is paid a fortune to represent However within the whirlwind of that life the book reveals to us an all too human Kate Moss too as surprised as anyone by the nonsense of celebrity an apparently addictive personality with a frenetic desire to be loved that accounts for her merry go round of celebrity lovers and parallel quest for a dream man to endorse her ethereal fashion self From the Johnny Depp saga to her strange affair with Pete Doherty this book recounts it all in a fast paced taboo shattering style that is in a mould reminiscent of previous daring exposes from Fred Vermorel One Love Two Colours
