Year One: Meeting Jesus Peter Enns, 2011-02-22 A new religion curriculum from the team that brought you The Story of the World These lesson plans designed to accompany the weekly lessons laid out in Telling God's Story Year One available separately provide coloring pages craft projects and group activities to fill out an entire week of home school or private school study a core set of activities is also provided for the use of Sunday school teachers Coloring pages accompany each lesson and accurately reflect the historical setting of the original stories while a full range of crafts and activities help young students understand and remember *Jesus and His Dog (Colored Version)* Michael Considine Jr, 2014-03-14 The Author truly believes that the dog is God's most perfect creation and it shows by the unconditional love dog shows for man This trait is not shown by any other creature and only shown in the relationship dog has with man and is a gift from God to man God is the only other that shows this unconditional love towards man so the Author feels the dog is very special in God's eyes even the name Dog is a reflection of the name God This book will touch on all your emotions happiness sadness anger and in the final chapter this Author's vision of why dogs go to heaven you will feel the unconditional love given to man only from God and Dog We all have heard the Gospel stories of Jesus but the Author tastefully injected a loving companion dog into some of these beautiful stories He knew some might take offense with him messing with the Gospels but he is a man of great faith as well as a dog parent and he takes great pain in writing this book so as to not change the Gospel's real meaning The best way to see if this book is for you is to hit the look inside button and you will be able to read the full chapter before you buy There are a few purely fictional chapters that were added but they are respectfully written and take nothing from the scriptures
