Colt M4 Carbine Manual:

Command Legacy Raymond A. Millen, 2008-12 The definitive source on small unit tactics *The M4 Carbine* Chris McNab, 2021-03-18 The M4 carbine has become one of the defining military firearms of the late 20th and early 21st centuries Developed as a fusion of the XM177E2 Colt Commando and the M16A2 assault rifle the M4 offered a more convenient battlefield firearm than the full length M16 variants and the US Army adopted it as the standard infantry weapon in the 1990s Today military and law enforcement personnel of more than 60 countries have adopted either the M4 or the M4A1 variant both of which have been tested and proven in major combat operations worldwide This study describes the development process in detail from production of the first XM4 prototypes in 1984 through numerous modified types until it emerged into official use as the M4 in 1994 The M4 offered a weapon that was 11lb lighter and 6in shorter than the standard M16A2 yet could still deliver precision semi auto and full auto firepower up to an effective range of 500m Over time its capabilities have been enhanced by the M4A1 modifications plus an extensive range of tactical accessories including optical day night sights laser infrared designators under barrel grenade launchers and shotgun modules foregrips furniture options mounting rails and sound suppressors Numerous M4 M4A1 combat operations are investigated to reveal why the weapon has received such high levels of approval by front line combat troops not only in Afghanistan and Iraq where the M4 M4A1 has been intensively combat tested but also in contexts such as Colombia India Israel and the Philippines Profusely illustrated with photographs and artworks and drawing its research from the latest declassified documents this is a complete guide to one of the most important and widely distributed tactical infantry weapons of the last quarter century *Army*, 1997 *A Century Of Achievement* Colt Manufacturing Co., 2006-07-01 Why would Paladin Press reprint a 70 year old Colt firearm catalog that doesn't contain a single AR 15 rifle M4 carbine or stainless steel pistol Because A Century of Achievement is far more than just a catalog of products it's a unique insight into Colt's celebration of its first 100 years as a firearms manufacturer By perusing the guns in these pages and taking a guided tour through the 1930s manufacturing plant in Hartford Connecticut you will gain a new appreciation for the exceptional materials and craftsmanship that went into the firearms that built Colt's reputation As an additional bonus the catalog includes a personal shooting lesson from Col Charles Askins legendary Border Patrol officer soldier and expert shot Original copies of A Century of Achievement sell for hundreds of dollars today Now this quality reprint edition is available for collectors historians Colt aficionados and anyone who wants a glimpse into one company's influence on an entire nation *Under the Gun in Iraq* Robert Cole, 2010-05-04 A sobering read from another lost front Kirkus Reviews What happens when you drop an experienced American cop in the middle of a war zone with very little preparation or support to train Iraqi police Under the Gun in Iraq tells you in high fidelity detail about this vital aspect of U S efforts to build a nation BRYAN VILA Ph D Professor at Washington State University former Marine Los Angeles police officer and cross cultural police trainer One moment I was standing there with my buddies unloading a

truck The next moment my ears picked up the distinct pssst sound homing in on us Hit the ground someone yelled Right behind the first mortar was a second then a third then a fourth They each slammed into the earth with an enormous impact The ground shook The eight story building above us shuddered and we all covered our heads when the windows blew out As I lay there with glass and debris raining down on me all I could think was Holy shit what did I get myself into President Bush is fond of saying When Iraq can stand up America can stand down A large part of standing up is having a well trained police force in place to maintain peace and order Why is it taking so long to put a solid police force together How prepared are the Iraqis to carry out their duties What pitfalls are Americans facing as they try to get Iraqi police up to speed In this book Robert Cole a retired California police officer hired by DynCorp as an international police trainer presents a vivid account of the challenges of training the Iraqis to handle their own security In blunt everyday language Cole gives the reader an unusually candid and often hair raising glimpse into reality at the street level as he and his colleagues navigate the dangerous sectors of Baghdad Tikrit and Kirkuk dodging explosions and bullets aimed at them by young Iraqi wannabe heroes Cole describes situations not shown in the media that fly in the face of the party line from Washington men in their sixties being hired as policemen Iraqi detectives who extract information from people by ramming toothpicks under their fingernails officers suggesting that the best way to subdue potential suspects who flee is by shooting them in the back police hunkered down in their barracks who refuse to patrol neighborhoods for fear of violence an enemy that easily blends into a population armed to the teeth with loaded AK 47s and the routine frustrations of cultural and language barriers to communication In sharp contrast to the usual bromides about staying the course Under the Gun in Iraq paints a brutally realistic picture of the bleak perilous road ahead This is essential reading for all Americans seeking an honest understanding of the dire situation in Iraq Robert Cole was a police officer for over 25 years He retired from the force in East Palo Alto California where he was one of the commanders that helped bring the city back from its status as the murder capital of the United States Cole recently finished almost two years in the United Nations Peacekeeping Mission in Haiti He served a one year tour of duty working for DynCorp as an international police trainer in Iraq and will be redeployed for another in 2008 Jan Hogan Las Vegas NV is an award winning staff writer for Stephens Media who writes for View newspapers and has published numerous articles in AAA s Motorland now Via Law Order and other publications She is currently writing her next book on dyslexia
