Combat Chaplain A Thirty Year Vietnam Battle:

Combat Chaplain James D. Johnson, 2001 **Combat Chaplain** James D. Johnson, 2001 Chaplain James D Johnson chose to accompany his men unarmed on their daily combat operations This is his chronicle of Vietnam and the aftermath of war of his coming to terms with his post traumatic demons and his need for healing and cleansing which led him to revisit Vietnam years later *Change and Conflict in the U.S. Army Chaplain Corps since 1945* Anne Loveland, 2014-07-30 Army chaplains have long played an integral part in America's armed forces In addition to conducting chapel activities on military installations and providing moral and spiritual support on the battlefield they conduct memorial services for fallen soldiers minister to survivors offer counsel on everything from troubled marriages to military bureaucracy and serve as families points of contact for wounded or deceased soldiers all while risking the dangers of combat alongside their troops In this thoughtful study Anne C Loveland examines the role of the army chaplain since World War II revealing how the corps has evolved in the wake of cultural and religious upheaval in American society and momentous changes in U S strategic relations warfare and weaponry From 1945 to the present Loveland shows army chaplains faced several crises that reshaped their roles over time She chronicles the chaplains initiation of the Character Guidance program as a remedy for the soaring rate of venereal disease among soldiers in occupied Europe and Japan after World War II as well as chaplains response to the challenge of increasing secularism and religious pluralism during the culture wars of the Vietnam Era Religious accommodation evangelism and proselytizing public prayer and spiritual fitness provoked heated controversy among chaplains as well as civilians in the ensuing decades Then early in the twenty first century chaplains themselves experienced two crisis situations one the result of the Vietnam era antichaplain critique the other a consequence of increasing religious pluralism secularization and sectarianism within the Chaplain Corps as well as in the army and the civilian religious community By focusing on army chaplains evolving sometimes conflict ridden relations with military leaders and soldiers on the one hand and the civilian religious community on the other Loveland reveals how religious trends over the past six decades have impacted the corps and in turn helped shape American military culture **Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will

explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War Dear John Susan L. Carruthers,2022-01-06 Are Dear John letters lethal weapons in the hands of men at war Many US officers servicemen veterans and civilians would say yes Drawing on personal letters oral histories and psychiatric reports as well as popular music and movies Susan L Carruthers shows how the armed forces and civilian society have attempted to weaponize romantic love in pursuit of martial ends from World War II to today Yet efforts to discipline feeling have frequently failed And women have often borne the blame This sweeping history of emotional life in wartime explores the interplay between letter writing and storytelling breakups and breakdowns and between imploded intimacy and boosted camaraderie Incorporating vivid personal experiences in lively and engaging prose variously tragic comic and everything in between this compelling study will change the way we think about wartime relationships **Combat Trauma** James D Johnson,2023-06-14 In this incredibly courageous expose Vietnam veterans discuss the long lasting effects of PTSD and their strategies for coping Publishers Weekly Though much has been written about the short term experience of combat trauma very few resources discuss how that trauma continues to impact individuals into later life In this volume retired Army Chaplain James D Johnson relates how fifteen Vietnam veterans have been affected by the terror they experienced four decades ago and how it continues to affect them today With candor and vivid detail they reveal how their combat trauma symptoms still infect their thoughts feelings and behaviors on a daily basis Their stories offer valuable insight for today s soldiers returning from battle as well as for their loved ones The experiences shared here can help them address and cope with the ongoing challenges of PTSD Those who still carry these wounds will find that they are not alone and that there are ways of dealing with the horror no matter how long ago it took place **Voices from the Vietnam War** Xiaobing Li,2010-06-11 The Vietnam War s influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the war s effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War* Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors of the war accounts that span continents nationalities and political affiliations The twenty two intimate stories in the book feature the experiences of American Chinese Russian Korean and North and

South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars Providing fresh perspectives on a long discussed topic Voices from the Vietnam War offers a thorough and unique understanding of America s longest war

A Companion to American Military History James C. Bradford,2009-11-03 With more than 60 essays A Companion to American MilitaryHistory presents a comprehensive analysis of the historiographyof United States military history from the colonial era to thepresent Covers the entire spectrum of US history from the Indian andimperial conflicts of the seventeenth century to the battles inAfghanistan and Iraq Features an unprecedented breadth of coverage from eminentmilitary historians and emerging scholars including little studiedtopics such as the military and music military ethics care of thedead and sports Surveys and evaluates the best scholarship on every importantera and topic Summarizes current debates and identifies areas whereconflicting interpretations are in need of further study

War in the Shallows John Darrell Sherwood,2015 War in the Shallows published in 2015 by the Naval History and Heritage Command is the authoritative account of the U S Navy s hard fought battle along Vietnam s rivers and coastline from 1965 1968 At the height of the U S Navy s involvement in the Vietnam War the Navy s coastal and riverine forces included more than 30 000 Sailors and over 350 patrol vessels ranging in size from riverboats to destroyers These forces developed the most extensive maritime blockade in modern naval history and fought pitched battles against Viet Cong units in the Mekong Delta and elsewhere War in the Shallows explores the operations of the Navy s three inshore task forces from 1965 to 1968 It also delves into other themes such as basing technology tactics and command and control Finally using oral history interviews it reconstructs deckplate life in South Vietnam focusing in particular on combat waged by ordinary Sailors Vietnam was the bloodiest war in recent naval history and War in the Shallows strives above all else to provide insight into the men who fought it and honor their service and sacrifice Illustrated throughout with photographs and maps Author John Darrell Sherwood has served as a historian with the Naval History and Heritage Command NHHC since 1997 Provided by publisher

The Routledge History of Global War and Society Matthew S. Muehlbauer,David J. Ulbrich,2018-02-21 The Routledge History of Global War and Society offers a sweeping introduction to the most significant research on the causes experiences and impacts of war throughout history This collection of twenty seven essays by leading historians demonstrates how war and society studies have dramatically expanded the chronological geographic and thematic breadth of the field of military history Each chapter addresses the ways in which recent scholarship has integrated cultural ethical environmental medical and ideological factors to explain both conventional conflicts and genocide terrorism and other forms of mass violence The broad scope of the collection makes it the perfect primer for scholars and students seeking to understand the complex interactions of warfare and those affecting and affected by conflict

Scars of War Sabrina Thomas,2021-12 Best First Book Award from the History Honor Society

Phi Alpha Theta *Scars of War* examines the decisions of U S policymakers denying the Amerasians of Vietnam the biracial sons and daughters of American fathers and Vietnamese mothers born during the Vietnam War American citizenship Focusing on the implications of the 1982 Amerasian Immigration Act and the 1987 Amerasian Homecoming Act Sabrina Thomas investigates why policymakers deemed a population unfit for American citizenship despite the fact that they had American fathers Thomas argues that the exclusion of citizenship was a component of bigger issues confronting the Nixon Ford Carter and Reagan administrations international relationships in a Cold War era America s defeat in the Vietnam War and a history in the United States of racially restrictive immigration and citizenship policies against mixed race persons and people of Asian descent Now more politically relevant than ever *Scars of War* explores ideas of race nation and gender in the aftermath of the Vietnam War Thomas exposes the contradictory approach of policymakers unable to reconcile Amerasian biracialism with the U S Code As they created an inclusionary discourse deeming Amerasians worthy of American action guidance and humanitarian aid federal policymakers simultaneously initiated exclusionary policies that designated these people unfit for American citizenship

Grunts Kyle Longley, Jacqueline Whitt, 2020-05-17 Now in its second edition *Grunts The American Combat Soldier in Vietnam* provides a fresh approach to understanding the American combat soldier s experience in Vietnam by focusing on the day to day experiences of front line troops The book delves into the Vietnam combat soldier s experience from the decision to join the army life in training and combat and readjusting to civilian life with memories of war By utilizing letters oral histories and memoirs of actual veterans Kyle Longley and Jacqueline Whitt offer a powerful insight into the minds and lives of the 870 000 grunts who endured the controversial war Important topics such as class race and gender are examined enabling students to better analyze the social dynamics during this divisive period of American history In addition to an updated introduction and epilogue the new edition includes expanded sections on military chaplains medics and the moral injury of war A new timeline provides details of major events leading up to during and after the war A truly comprehensive picture of the Vietnam experience for soldiers this volume is a valuable and unique addition to military history courses and classes on the Vietnam War and 1960s America

[Bringing God to Men](#) Jacqueline E. Whitt, 2014-02-17 During the second half of the twentieth century the American military chaplaincy underwent a profound transformation Broad based and ecumenical in the World War II era the chaplaincy emerged from the Vietnam War as generally conservative and evangelical Before and after the Vietnam War the chaplaincy tended to mirror broader social political military and religious trends During the Vietnam War however chaplains experiences and interpretations of war placed them on the margins of both military and religious cultures Because chaplains lived and worked amid many communities religious and secular military and civilian denominational and ecumenical they often found themselves mediating heated struggles over the conflict on the home front as well as on the front lines In this benchmark study Jacqueline Whitt foregrounds the voices of chaplains themselves to explore how those serving in Vietnam acted as vital links

between diverse communities working personally and publicly to reconcile apparent tensions between their various constituencies Whitt also offers a unique perspective on the realities of religious practice in the war's foxholes and firebases as chaplains ministered with a focus on soldiers' shared experiences rather than traditional theologies Enduring Vietnam James Wright, 2017-04-04 This powerful and heartbreaking history of the Vietnam War looks not only at the conflict but the generation caught up in its horrors and consequences Booklist The Vietnam War is largely recalled as a mistake either in the decision to engage there or in the nature of the engagement Or both Veterans of the war remain largely anonymous figures accomplices in the mistake Critically recounting the steps that led to the war this book does not excuse the mistakes but it brings those who served out of the shadows Enduring Vietnam recounts the experiences of the young Americans who fought in Vietnam and of families who grieved those who did not return The book describes the baby boomers growing up in the 1950s why they went into the military what they thought of the war what it was like to serve in Nam and to come home With a rich narrative of the Battle for Hamburger Hill and through substantial interviews with those who served the book depicts the cruelty of this war and its quiet acts of courage James Wright's Enduring Vietnam provides an important dimension to the profile of an American generation and a rich account of an American War **War in the Shallows** John Darrell Sherwood, 2015-09-16 War in the Shallows published in 2015 by the Naval History and Heritage Command is the authoritative account of the U S Navy's hard fought battle along Vietnam's rivers and coastline from 1965-1968 At the height of the U S Navy's involvement in the Vietnam War the Navy's coastal and riverine forces included more than 30,000 Sailors and over 350 patrol vessels ranging in size from riverboats to destroyers These forces developed the most extensive maritime blockade in modern naval history and fought pitched battles against Viet Cong units in the Mekong Delta and elsewhere War in the Shallows explores the operations of the Navy's three inshore task forces from 1965 to 1968 It also delves into other themes such as basing technology tactics and command and control Finally using oral history interviews it reconstructs deckplate life in South Vietnam focusing in particular on combat waged by ordinary Sailors Vietnam was the bloodiest war in recent naval history and War in the Shallows strives above all else to provide insight into the men who fought it and honor their service and sacrifice Illustrated throughout with photographs and maps Author John Darrell Sherwood has served as a historian with the Naval History and Heritage Command NHHC since 1997 Provided by publisher **God's Hiddenness in Combat** Preston Jones, Cody Beckman, 2009-02-18 The primary question at the heart of this book is Where is God for the person in combat According to one well known saying there are no atheists in foxholes Yet it is difficult for believers in a personal and caring God to locate God's place in the world of war Another common saying that war is hell seems more accurate if one accepts the basic definition of hell as God's absence The complication here is that some combatants do sense God's presence This study draws from numerous interviews memoirs letters and archival materials and reflecting on the crucifixion of Christ to consider how God can be both present in and absent from the world of war Navy Priest Richard

Gribble,2015 A Pittsburgh native Fr Jake Laboon served the U S Navy as a World War II submarine officer and as a dedicated chaplain This biography covers the span of his life from childhood to his last years Back cover **The Journal of Military History** ,2002 *The Turtle Warrior* Mary Ellis,2005-01-25 The Turtle Warrior is the story of the Lucas family who live in a beautiful and remote part of Wisconsin inhabited by working class European immigrants and the Ojibwe By 1967 the Lucas farm has fallen into disrepair thanks to the hard drinking of John Lucas who brutalizes his wife and two sons When the eldest James escapes by enlisting to fight in Vietnam he leaves young Bill alone to protect his mother with only his own will and the spirit of his brother to guide him Beautifully written and deeply felt The Turtle Warrior takes readers from the heartland of America to the battlefields of World War II and Vietnam weaving a haunting tale of an unforgettable world where the physical and spiritual the past and the present merge Military History of the West ,2001
