Combating Human Trafficking Usha Rana, Rupender Singh, 2025-07-15 Despite great strides in recent years human trafficking remains a horrific reality for countless millions of people around the world This new book provides an exhaustive examination of the complex issue of human trafficking while offering a comprehensive blueprint for its eradication This book delves deep into the intricacies of human trafficking dissecting the factors that sustain its existence It assesses existing anti trafficking initiatives and in response introduces a novel approach rooted in a sociotechnical framework This framework models a multidisciplinary strategy that combines both social and technological interventions Recognizing human trafficking's multifaceted origins that encompass social economic and political dimensions this framework underscores the necessity for a holistic approach that addresses the root causes of trafficking and its associated forms of exploitation The book explores topics such as the applicability of government policies and technologies in human trafficking social media and human trafficking human rights and cyberspace and more Written by esteemed experts in the field of human trafficking who possess

extensive experience in both research and the practical implementation of anti trafficking measures the book furnishes a comprehensive and pragmatic guide to combating human trafficking **Combating Human Trafficking** Michael J. Palmiotto,2014-12-01 Approaching the topic from a law enforcement perspective this volume provides an unprecedented look at the investigation of human trafficking in America Beginning with historical sociological and psychological perspectives the book discusses how authorities can best conduct an investigation of trafficking It reviews federal agencies responsible for confronting the problem examines relevant laws and legal trends and discusses law enforcement awareness and training An ideal resource for police investigators police training and community outreach organizations the book is also suitable as a college text for criminal justice courses **Children's Human Rights** Mark Ensalamo,Linda C. Majka,2005-06-22 Children s human rights are regularly violated around the world We hear about graphic examples including child soldiers child prostitutes and children sold into slavery but hungry sick and orphaned children are equally at risk and more prevalent In the United States children suffer similar abuses but some are unique to the U S justice system Unlike most of the rest of the world the U S is a well developed western nation in which juvenile offenders can be tried as adults and sentenced to death This book brings together a wide array of original essays from a variety of academic and practitioner perspectives on human rights and the status of children The details are disturbing the message powerful We must vigorously extend the Universal Declaration of Human Rights to the most vulnerable humans of all the children of the world starting at home in the United States **Violence against Women of African Descent** Anita Kalunta-Crumpton,2019-10-11 Africa as a continent which holds strong to its patriarchal cultural principles and practices is known for its blatant display of violent abuse of women including state sanctioned violence and its lax approach to national legislative policies and international treaties against violence against women Using data from Africa the Americas Australia and Europe this edited collection showcases a variety of experiences and perspectives in the international comparative study of violence against women of African ancestry This approach provides the context for examining the problem of violence against women including its policy and practice responses if any as it impacts women of African origin in different parts of the world This book is of value to those interested in African studies criminology gender studies sociology and many more ***Ideology and the Fight Against Human Trafficking*** Reyhan Atasü-Topcuoğlu,2014-10-10 Human trafficking has become one of the most spoken of problems of our day and fighting it has grown into a multi million dollar project sector This book is about how we all come to name various exploitative migratory experiences human trafficking and how we build a consensus on how to counter it This book investigates counter trafficking as a transnational field and tries to show how connected stances against a global social problem are produced internationally in general and nationally in particular within the example of three countries which are defined with different positions according to the phenomenon Ukraine as a source country Turkey as a transit and destination country Germany as a destination country The book examines how power relations limit the language to propose

and solve social problems in the example of human trafficking It shows the limits of scientific studies on the issue and the chasm between counter trafficking and its primary target group the trafficked people **Trafficking in Persons Report 2017** Office of the Undersecretary for Civilian Security, Democracy, and Human Ri,2017-08-18 The 2017 Trafficking in Persons Report highlights the successes achieved and the remaining challenges before us on this important issue The primary focus is to showcase the responsibility of governments to criminalize human trafficking and hold offenders accountable This year s report theme is increasing criminal accountability of human traffickers and addressing challenges in prosecution an essential component of 3P paradigm of prosecution protection and prevention It provides an overview of the type of human trafficking offenses that are taking place around the world in violation of human rights The text includes side bars of situational human trafficking experiences to allow the reader to understand the different types that occur throughout the world High school students and above may find this report helpful for research and writing essays about human rights and law enforcement of human trafficking American citizens policy analysts and decision makers law enforcement personnel and human rights policy activists and advocates and world leaders may refer to this report as a reference on these crimes Related products Explore our Human Rights resources collection and other products produced by the U S State Department

Nominations of R. Gil Kerlikowske, L. Paige Marvel, and Tamara Wenda Ashford United States. Congress. Senate. Committee on Finance,2014 **Global Crime** Philip L. Reichel,2019-07-08 A definitive resource for understanding such far reaching and often interconnected crimes as cyber theft drug trafficking human smuggling identity theft wildlife poaching and sex tourism While many international corporations have benefited from the global economy and distribution of information globalization has also had serious negative consequences This important reference work offers students and general readers a critical understanding of how technology governments political unrest war and economic strife contribute to an increase in global crime This A Z encyclopedia covers key people events and organizations and includes key documents that will help readers to understand the numerous problems created by the many transnational crimes that are growing in severity and frequency around the world Entries address perpetrators and their methods victims who really profits and law enforcement responses In addition to cyber theft and sales of weapons and narcotics the set provides a detailed look at global crimes not typically covered such as corruption fraudulent medicine illegal sports betting organ trafficking maritime piracy trafficking in cultural property and wildlife and forest crime Although some historical events and people are included the focus is on recent and contemporary topics The Global Anti-Money Laundering Regulatory Landscape in Less Developed Countries Norman Mugarura,2016-03-09 Examining the challenges of using the global anti money laundering AML framework in an uneven global regulatory landscape this book discusses the difficulties of relating de regulation liberalization and conflict of laws to the dynamics of the market economy and demonstrates how the global environment engenders money laundering It suggests that corruption general systemic failure and lack of infrastructural capacity in some

developing economies are hampering the implementation of laws and regulations Suggesting that these challenges can be overcome by designing AML regimes more suited to developing economies within the prevailing global climate the book questions the assumption that that global regimes will be applicable and emphasises the need for more representation of developing economies on the relevant committees This book is the first of its kind to present the perspective of developing economies and their involvement in AML regimes and should be of interest to those involved in business and commercial law as well as comparative law

Congressional Record United States. Congress,2010 Undefending Christianity Dillon Burroughs,2011-04-01 This book is one more sign of a fresh movement in the church Shane Claiborne author The Irresistible Revolution Dillon Burroughs has defended the faith as a writer speaker and professor But when he asked himself how he was helping a homeless guy in his city or a hungry family in Darfur everything started to unravel Now with renewed vision disarming candor and deep respect for the church Burroughs gently leads readers through a reassessment of hot button topics like these Jesus was a friend of sinners and consumed alcohol How did that work He also said to love neighbors sinners and enemies Does loving homosexuals fit in there somewhere Why are the odds in America stacked against the success of a traditional marriage Burroughs provides a safe place for spiritually minded and culturally savvy people to process their questions and find a more relevant and Christlike faith

Trafficking in Persons Report (10th Ed.) ,2010-11 Ten years ago the U N and the U S enacted laws and treaties against human trafficking Since then the international community has witnessed tangible progress in the effort to end the scourge of trafficking in persons Countries that once denied the existence of human trafficking now work to identify victims and help them overcome the trauma of modern slavery as well as hold responsible those who enslave others This Report outlines the continuing challenges across the globe It highlights several key trends including the suffering of women and children in involuntary domestic servitude the challenges and successes in identifying and protecting victims and the need to include anti trafficking policies in our response to natural disasters Illus

New Forms of Human Trafficking Anabela Miranda Rodrigues,Maria João Guia,2024-03-01 This book analyses new forms of human trafficking taking into account the transposition of the Directive 2011 36 UE which sets out minimum standards to be applied throughout the European Union in preventing and combating trafficking in human beings and protecting its victims Sexual exploitation of trafficked persons is at its highest rate After COVID 19 new forms of sexual exploitation have been identified specifically in the Global South The book analyses new forms of exploitation used by traffickers to coerce victims Combining the perspectives of academic researchers with those of highly skilled professionals from governmental institutions this book is a unique contribution promoting collaboration in preventing and combating human trafficking crime and in raising awareness of this ongoing problem

Situational Prevention of Organised Crimes Ronald Clarke,Karen Bullock,Nick Tilley,2013-01-11 This collection of case studies by a distinguished international group of researchers documents the application of a situational prevention approach to a variety of organised crimes including sex

trafficking drug smuggling corruption and fraud The book will be of interest to those tasked with tackling organised crime problems as well as students of criminology and criminal justice
