Include photographs or video of the interior and exterior of your home as well as cars, boats and recreational vehicles. Also, have photos of durable medical equipment and be sure to make a record of the make and model numbers for each item. Get professional appraisals of jewelry, collectibles, artwork or other items that may be difficult to evaluate. Make copies of receipts and canceled checks showing the cost for valuable items. ☐ Vital Records and Documents Vital family records and other important documents such as birth and marriage certificates, social security cards, passports, deeds, and financial, insurance, and immunization records should be kept in a safe deposit box or other safe location. ☐ Reduce Home Hazards In a disaster, certain items in your home can cause injury and damage. Take these steps to reduce your risk. • Keep the shut-off valve for your gas equipment near you.
