big picture view of the whole life giving story Understanding the Shift! Selvan Athishtaraj V, 2022-05-13 In the today s corporate world business management is very important Business strategies are chalked out based on the customer s needs and affinity This is where business models become significant Thirty years ago ordering any commodity or article was a tedious process with a long waiting time for customers Choices and comparisons were limited However with the reinvention of the business model in late 1985 business transactions have been made very easy and attractive Brands like McDonald s Toys R Us and Ryanair were instrumental in devising various successful business models In the last fifteen years or so companies such as Uber Ola Amazon and eBay have made ordering and buying products and services simple using convenient apps In fact the very way of doing business has become so simple thanks to innovative business models and platforms Search engine optimization search engine marketing and public relations have reduced the marketing burden of brands who are now able to reach their target audience anywhere at any time A lot has changed in the way businesses operate and serve customers This book captures the essence of various business models and the technological advancements in the world of business with the aim to trigger new ideas and process innovation The book is a must read for new and existing businesses start ups and new age companies *Multiculturalism: United in Diversity* Irina Budrina, A VOYAGE OF DISCOVERY Irina Budrina not only knows what she writes and talks about but she is as they say walking her talk Born in Russia having traveled all over the world with an MBA in Japan and a Ph D in Romania REI ASE she has been living in Romania for the last 12 years The present book is therefore based on her very rich and significant encounters with people and organizations in various parts of the world and mainly in Romania You are reading a book which is a voyage of discovery and learning about our own and other cultures Leadership intercultural communication cultural dimensions cultural values and gender issues in business and beyond business are just some of the discussions you are going to be part of through Irina Budrina s knowledgeable and skillful guidance This is a book to enjoy and to reflect upon Professor Mariana Nicolae REI ASE In today s world exposure to other cultures has become a symbol of increasing globalization processes Many people leave their home area to go on a voyage of discovery and learning about other cultures that affects their original cultural identity The needs of the 21st century demand citizens that are culturally sensitive and internationally focused with an orientation toward the future rather than the past Cultural Diversity is in it The concept of multiculturalism offers a new orientation toward the future Multiculturalism is a system of beliefs and behaviors that recognizes and respects the presence of all diverse groups in an organization or society acknowledges and values their socio cultural differences and encourages and enables their continued contribution within an inclusive cultural context which empowers all within the organization or society Caleb Rosado 1997 The essence of multiculturalism is the ability to celebrate with the Other in a manner that removes all barriers and brings unity in diversity Multiculturalism pushes us to look upon the Other not as a potential enemy but as a profitable partner Managing diversity is an ongoing process that unleashes the various talents and capabilities which

a diverse population brings to an organization community or society so as to create a wholesome inclusive environment that is safe for differences enables people to reject rejection celebrates diversity and maximizes the full potential of all in a cultural context where everyone benefits Multiculturalism as the art of managing diversity is an inclusive process where no one is left out Diversity in its essence then is a safeguard against ethnocentrism making of one group as the norm for all groups No cultures should be verbally and or physically attacked based solely on the negative meaning given due to biological cultural political or socioeconomic differences such as gender age race ethnicity political party class education values religious affiliation or sexual orientation The motivating factor for such attitude is fear arising out of ignorance of the other culture which is different from your own Multiculturalism should be the only option open to educators leaders and administrators in an ever increasing culturally pluralistic environment Today s diverse student populations and workforce is simply not going to go away but increase This is the direction of the future multicultural multi ethnic multilingual communities And effective leaders are recognizing it The art of managing diversity is thus of great concern to all persons charged with the responsibility of overseeing the work of others Multiculturalism then may very well be part of an ongoing process which enables people to become world citizens persons who are able to transfer their own racial ethnic gender cultural and socio political reality and identify with humankind throughout the world at all levels of human needs **Focus**
