There is a cause that has the power to change the course of society heal the ills of our communities and determine the future of our very existence It is a cause of great significance but the importance of its relevance has been weakened by the prison system capitalism social genocide irresponsibility and absenteeism Yet the power of this cause remains unmatched unmistakable and irreplaceable with the positive effects of this cause on society being absolute and irrefutable With that being said I am honored and grateful to share my thoughts on this most important cause We who call ourselves men must recommit and realign ourselves to this endeavor for it is the only real answer to some specific societal illnesses That cause is fatherhood and its effect is life saving **That's Good Grease** Rick Schneider,2017-10-06

Why do some people contact hospice when a family member is in a serious medical crisis and some people don t Is it the fear of the unknown What happens if you call hospice What does hospice care actually involve anyway That s Good Grease ever so gently helps readers to understand what hospice care is all about through the author s stories and experience gained from 20 years as a hospice patient contact volunteer Turning to any page the reader will learn that hospice care is nothing even close to what has been experienced before This book may surprise readers when they learn that Food plays an important part in hospice care but not necessarily for nourishment Family pets are included in the plan of care for the person on hospice service Humor is used quite often in hospice care The person and their family are actually in charge of their hospice care Every hospice is mandated by Medicare to have volunteers Rick Schneider has a manner of talking to the reader in a way that removes the apprehension of the word hospice This book like hospice itself is unique As the reader walks into its pages they soon learn that the title a quote from a person on hospice service perfectly describes the common sense of hospice care **The House That Built Me** Nina L. *The Truth About Guys* Chad Eastham, 2006-09-03 Okay it s a fact God made guys and girls different in more ways than just the physical But how different could we really be After all we are all made in His image right Well yes but Let s just say that guys and girls view the world in such different ways that it s a miracle we communicate at all What s worse is girls this age often think they know what makes guys tick and that couldn t be more wrong Chad Eastham tells it like it is to girls from a guy s perspective His stage presentation transfers beautifully into this book putting the facts in black and white for girls to see You think that short skirt says to guys I m a fashion billboard Think again Chad tells girls how guys see such fashion statements as advertising something completely different than a hip dresser Chad wrings out every ounce of experience from his colorful life and uses it to help teens make informed choices *The Message in Dad's Bottle* , **In The Midst Of Pain**

Juanita R. McNeil, 2012-10-23 The reason why I wrote this book is that I am hoping that I can reachout to others who are in pain and hopefully help them persevere and cope through life s toughest battles I want to encourage people who are in some type of pain in hopes that I can help them recover from it Now the first four chapters of this book is about my life as a child growing up in a vicious atmosphere and how this same vicious cycle always seems to repeat itself This vicious cycle grew with me into my adulthood This book also contains what reality is like for me and how it is for others Reality is very different for each individual and each individual deals with it differently I will also tell you about how I dealt with the pain and how others can learn to deal with it too Now if there is someone out there who is in despair and thinks that death is the only answer to all their pain well please I hope that you will continue to read this book I do pray that it will help you or help you deal with someone you know who thinks that death is the only answer Believe me when I say that death is not the answer because it s not So my purpose of my book is to help you change your perspective on life in THE MIDST OF PAIN But it is only now that I have come to realize that after enduring some serious traumas in my life life is good after all and it is such a blessing to live for God Just think how life can bring you understanding on how to use your pain as an opportunity to help others in need who are right in the middle of a crisis Just when you think you can t handle no more and that you feel like you are at the end of your rope that is when God shows up and God will show off his blessings in your life Please believe me when I say that this is the most beautiful and wonderful feeling to ever have No one can make you feel as good as God does Now not only will God make you feel good but he will also change your life to the good All you have to do is just reach out and take his hand because he is waiting for you This book is based on the facts and the truth about my life Now through the pain that I have endured I have gained some insight for the purpose of my book I am blessed to say that this book has changed my life and I am in hopes that it will help change other people s lives too The more I read my own book the more I learn from it I do hope that it will do the same for you too for it is my desire to help all those who are in need of an answer May God bless you as you read this book **Honor Your Father** The Great Commandment Network, 2016-05-01 Listen carefully and you will hear it the heart cry for fathers Your own heart may be longing for a spiritual father or a mentor Your children might be
