Walter H. Martin-El, 2013-09-05 This book is a prophetic peek into the heart of this author through the eyeglass of his mind reasoning belief and faith The laughter and lamentations expressed herein are blatant examples of how poetry can shed a light of revelation on the unknown reveal the hidden wisdom of the most darkest of hours lived by the misguided fool and tell a story a lot better than a painting worth a thousand words This is a mental diary like manuscript compiled of emotions moods experiences of the heart prophetic visions relationship rules and ethereal thoughts all fueled by Allah inspired direction and written to and for those who have only silenced their minds in order to become aware of His presence in them and of the presence of the storms that are forever raging in us and around us These are writings and songs of joy encouragement and inspiration sometimes painted with warning and other times shaded with the answers to the whys that often pester our consciousness and unconsciousness Finally this book is a formal invitation to the reader It is a request for your company that you might journey with the author outside of the realms of this soul plane to a Spiritual plane elevating from this level where man strives to be man with god to a level where we here are ascending to be God in Man Daddy, I Forgive You Bob Vance, 2019-11-19 Having been robbed of the kind of normal childhood that many children take for granted I have majored in the details of life both good and bad and that has made me who I am Staying five years in a hospital because of a devastating attack of polio took me away from my family and from the father of my youth When I returned home at the age of six I started getting attached to my father At the age of ten after additional corrective surgery my father left our lives Those formative years without him caused my life to go into a massive deadly spiral toward all things bad I was confused

lonely and sometimes depressed My hatred for him grew almost daily I learned to steal because I was hungry We received no support from him The man who had left us began another family and never even tried to contact me This drove me toward having a hatred for him that I wanted everyone to know Stealing became easy I started doing it for other reasons such as to gain the acceptance of my peers After losing interest in school and while trying to pull through the common nightmares that would wake me I was rescued when God began to speak to my heart in various ways I ignored that help until finally at fifteen years old I couldn't push that voice away any longer I surrendered my heart to Christ Although I had been forgiven I had not been faced with forgiving the man who had destroyed me The years went by and the inevitable happened I accidentally met him It was my daddy After a verbal fight I was told that I was never allowed to see him again even in death After I became a husband a father and a pastor I realized that I had to forgive the man who had divorced me when I was a child and penalized me when I was a young man and was privately waiting for me to reach him Being faced with the opportunity to seek him out reach him in love and forgive him I did just that The opportunity to be reunited with this man wasn't easy but I did just that I met him forgave him and spent many wonderful days over the next few years with him He left me when I was at my most vulnerable but I came into his life when he was at his most vulnerable too The past now being dead to both of us I fell in love with him with a love that I never even dreamed was possible Being called to be with him I made the choice to make up for the time that we had both lost The previous dead dark lonely years were erased and replaced with months of laughter father son talks visits phone calls and opportunities to say I love you I was barely away from his bedside when they called and told me he had died I had not just lost my newfound friend I had lost my daddy I will never get over that *Just a Daddy's Girl* Ashleigh Smith, 2012-07 It's hard to be without someone who has been there through thick and thin and when they're gone forever what do you do How do you feel At the age of eighteen how are you supposed to feel especially when the person you lost has made plans for you ahead of time and decided that you need someone to take care of you and to keep you on track Would you ever have thought that by having that person around would actually be good for you and he might even be the one you fall for Do we see that there are true people on this planet that can love and make you whole again even though your world fell from beneath you [Amazing Daddy's Taboo Erotic Stories for Women Bundle Anthology](#) Gabrielle Levine, 2020-09-22 Their taboo urges are so explicit A tight and tempting collection all about forbidden innocent women and big throbbing Just take a peek and find out Keywords short sex stories erotica short stories free erotica books older man younger woman victorian erotica historical erotica multiple partners first time erotica virgin erotica free erotica sex erotic domination submission humiliation punishment humiliated punished bondage spanked spanking vibrator dildo erotic breeding bareback ebooks series schoolgirl young teen girl teenager examination lgbt cuckold anal toy rough sexy short erotica xxx taboo wife fuck hot lesbian toys sister step sexy women milf collection 18 dp books daddy erotika gay erotic butt men dirty big black cock sex forced mommy her bisexual romance for sexy dick menage first time adult fiction bdsm
