Lane, 2002 Reveals the personal records available on the Internet examines Internet privacy and explores such sources of information as mailing lists telephone directories news databases bank records and consumer credit records **You Can Adopt** Susan Caughman, Isolde Motley, 2009-08-11 From Adoptive Families magazine the country's leading resource on adoption this warm authoritative book is full of practical realistic advice from leading attorneys doctors social workers and psychologists as well as honest intimate stories from real parents and children You Can Adopt answers every question even the ones you're afraid to ask When should I shift from fertility treatment to adoption How do I talk to my spouse about adoption Can we find a healthy baby Do I need an attorney An adoption agency Can the birth mother take the baby back How much will this really cost How long will it take Aren't all adopted children unhappy Can I love a child who isn't mine How can I ease the rest of my family into this decision Complete with checklists and worksheets You Can Adopt will help make your dreams of family come true The Adoption Plan Jack Neubauer, 2005-03-18 During the tumultuous years of World War II and the Cold War new global humanitarian ideas and practices coalesced around the cause of saving the children in China How did China's children become archetypal victims who ignited a new global humanitarian imagination And who would prevail in the transnational contest to control the vast quantities of aid flowing into China on their behalf The Adoption Plan offers a new history of the rise of global humanitarianism that places the recipients administrators and critics of humanitarian aid in China at the center of the story Analyzing how the adoption plan for international child sponsorship became one of the most popular fundraising strategies for humanitarian work in China and across the world Jack Neubauer explores how the globalization of humanitarian aid was linked to new practices of global intimacy that enabled donors to build personal relationships with Chinese children across

geographic and cultural divides Drawing on hundreds of letters written by Chinese children to foreign sponsors and extensive research in Chinese archives Neubauer shows how China's Nationalist and Communist parties mobilized the emotional bonds between children and sponsors to secure international support for their competing political projects By the 1950s child sponsorship and international adoption had become the most hotly contested humanitarian programs in Cold War East Asia Upending the conventional view of humanitarianism as a tool of Western influence The Adoption Plan demonstrates that it was often the Chinese recipients of aid who were best able to control its material and ideological uses Pacific America Lon Kurashige, 2017-07-31 In recent times the Asia Pacific region has far surpassed Europe in terms of reciprocal trade with the United States and since the 1980s immigrants from Asia entering the United States have exceeded their counterparts from Europe reversing a longstanding historical trend and making Asian Americans the country's fastest growing racial group What does transpacific history look like if the arc of the story is extended to the present The essays in this volume offer answers to this question challenging current assumptions about transpacific relations Many of these assumptions are expressed through fear that the ascendancy of China threatens a U.S. led world system and undermines domestic economies that immigrants subvert national unity and that globalization for all its transcending of international cultural and racial differences generates its own forms of prejudice and social divisions that reproduce global and national inequalities The contributors make clear that these fears associated with and induced by pacific integration are not new Rather they are the most recent manifestation of international racial and cultural conflicts that have driven transpacific relations in its premodern and especially modern iterations Pacific America differs from other books that are beginning to flesh out the transnational history of the Pacific Ocean in that it is more self-consciously a people's history While diplomatic and economic relations are addressed the chapters are particularly concerned with histories from the bottom up including attention to social relations and processes individual and group agency racial and cultural perception and collective memory These perspectives are embodied in the four sections focusing on China and the early modern world circuits of migration and trade racism and imperialism and the significance of Pacific islands The last section on Pacific Islanders avoids a common failing in popular perception that focuses on both sides of the Pacific Ocean while overlooking the many islands in between The chapters in this section take on one of the key challenges for transpacific history in connecting the migration and imperial histories of the United States Japan China Korea Vietnam and other nations with the history of Oceania **Inlaws and Outlaws** Kathleen James, 2015-06-01 In Australia in 1971-72 there were 10,000 adoptions In NSW in 1969 roughly 2,000 young women most of them unmarried gave up their children for adoption Helen Armstrong aged 17 fell pregnant that year and was persuaded to have her baby son Simon adopted out This theme is closely based on Kathleen James' own story Helen still carries a buried grief Birth mothers had no contact with their children and only minimal initial information was ever provided Years later when Helen is divorced and beginning a new phase of life with a 19-year-old son Nick she hopes for a

reunion with Simon when he turns 21 At this time Helen falls in love with single parent Marco Lucini and the family secrets of both the Armstrongs and the Lucinis gradually come to light Helen learns a lot about her beloved Uncle Mick a gambler and a ladies man who together with her Auntie Vera ran the Armstrong s Family Hotel in Katoomba back in the 1930s Finding out about Mick s all too human failings and his troubled past helps her to come to terms with her own Marco also learns how complicated families can be when he discovers a whole new family of outlaws in Italy outlaws being those parenting or born outside of marriage The story takes us from a Sydney waterway to the NSW South Coast and Blue Mountains and to Parma and Venice in Italy The three narrators Helen Marco and Mick span two generations in alternating chapters giving the reader three different points of view In its extensive exploration of adoption this novel gives a voice to the many women who under the influence of others gave up their babies and feel silenced by a sense of loss and shame Kathleen James deals with the issues of adoption with grace sensitivity and sincere compassion This is a wonderful read and personally it touched me on so many levels To bring to others the dilemma that is adoption with such understanding is a huge achievement Penelope Wise representative of the Adoptive Parents Association APA on the NSW Standing Committee on Adoption from 1977 to 1990 **Worth** Bharti Dhir,2021-03-09 The memoir of an African Asian woman adopted into a Punjabi Sikh family and her story of overcoming racism sexism health problems and escaping Uganda after the expelling of Asians from the country in 1972 A powerful memoir of overcoming adversity that will inspire you to find strength from within and shape your own destiny Bharti Dhir faced many challenges in her childhood that could have broken her As a baby she was abandoned at a roadside in the Ugandan heat and miraculously found by a passerby By divine guidance Bharti s adoptive mother was led to her hospital cot and welcomed Bharti into their Punjabi Sikh family Despite experiencing sexism and racism as an Asian African girl and developing an incurable skin condition Bharti found hope through the fear and prejudice Then in 1972 when Idi Amin expelled Asians from Uganda Bharti s family were forced to flee to the UK She remembers the horrific moment when her adoptive mother was ordered at gunpoint to abandon Bharti because of the color of her skin With incredible courage she refused risking their lives to protect Bharti as her own Throughout her struggles Bharti retained faith in a divine power within all of us that gives us strength protects us and loves us unconditionally Years later now a social worker specializing in child protection Bharti lives in the UK with an adopted daughter of her own and has found her true purpose and sense of self worth Mommy Angst Ann C. Hall,Mardia J. Bishop,2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of Gilmore Girls influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election Mommy Angst Motherhood in American Popular Culture considers questions like these as it probes our country s views on mothers and how

those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media Mommy Angst gets at the heart of America's anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood while thoroughly undervaluing the complexities of their lives and their contributions to family and society To highlight the many sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus stay at home moms and more

The School of Mines Quarterly ,1883 *Seated in the Heavenly Realms* Young Jae Song,2022-08-04 This book explains key doctrines in theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God's creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology
