

The background of the image is a vast field of small, vibrant purple flowers, likely lupines, stretching towards a horizon. Above the field, the sky is filled with dramatic, layered clouds in shades of purple, pink, and blue, suggesting a sunset or sunrise. The overall mood is serene and inspirational.

Gratitude unlocks the fullness of life.  
It turns what we have into enough, and more.  
It turns denial into acceptance,  
chaos to order, confusion to clarity.  
It can turn a meal into a feast,  
a house into a home, a stranger into a friend.  
Gratitude makes sense of our past,  
brings peace for today, a  
nd creates a vision for tomorrow.

**The Zen Manifesto: Freedom From Oneself** Osho, 2023-03-17 It is time ripe time for a Zen manifesto The Western intelligentsia have become acquainted with Zen have also fallen in love with Zen but they are still trying to approach Zen from the mind They have not yet come to the understanding that Zen has nothing to do with mind Its tremendous job is to get you out of the prison of mind It is not an intellectual philosophy it is not a philosophy at all Nor is it a religion because it has no fictions and no lies no consolations It is a lions roar And the greatest thing that Zen has brought into the world is freedom from oneself All the religions have been talking about dropping your ego but it is a very weird phenomenon they want you to drop your ego and the ego is just a shadow of God God is the ego of the universe and the ego is your personality Just as God is the very center of existence according to religions your ego is the center of your mind of your personality They have all been talking about dropping the ego but it cannot be dropped unless God is dropped You cannot drop a shadow or a reflection unless the source of its manifestation is destroyed
