Vacation Bible School Lyrics

pick your religion,
it's your decision
but please don't turn your kids into this bullshit
tell em it's real fun
do you think that they're dumb?
i loathe the future of us
cuz vacation's meant for television

training has some value training in holy living is useful for everything It has promise for this life now and the life to come 1 Timothy 4 8 CEB Christians crave a deeper more intimate relationship with God The spiritual disciplines are historical practices that can guide us in our daily walk bringing us closer to Christ The Holy Living series brings a fresh perspective on the spiritual disciplines enabling us to apply their practices to our current lives Practicing these spiritual disciplines opens us to God s transforming love So often we equate the spiritual practice of worship with the hour long worship service we attend each week or each month But what happens when we no longer consider worship something we do but a way we live When we break the concept of worship outside the walls of a sanctuary we find new energy for living a Godward life a life of turning toward God for guidance moment by moment day by day Such a life is fuel for genuine worship Living a Godward life opens us up to God s transforming love and enables us to engage in practices of worship in locations and situations we never dreamed of before This is one of series of eight books Each book in this series introduces a spiritual practice suggests way of living the practice daily and provides opportunities to grow personally and in a faith community with others who engage with the practice Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion Other disciplines studied Celebration Confession Discernment Neighboring Prayer Simplicity and Study
