*CFA Program Curriculum 2019 Level II Volumes 1-6 Box Set* CFA Institute, 2018-08-24 Master the practical aspects of the CFA Program curriculum with expert instruction for the 2019 exam. The same official curricula that CFA Program candidates receive with program registration is now publicly available for purchase. CFA Program Curriculum 2019 Level II Volumes 1-6 provides the complete Level II curriculum for the 2019 exam with practical instruction on the Candidate Body of Knowledge (CBOK) and how it is applied, including expert guidance on incorporating concepts into practice. Level II focuses on complex analysis with an emphasis on asset valuation and is designed to help you use investment concepts appropriately in situations analysts commonly face. Coverage includes ethical and professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments, and portfolio management, organized into individual study sessions with clearly defined Learning Outcome Statements. Charts, graphs, figures, diagrams, and financial statements illustrate complex concepts to facilitate retention and practice questions with answers allow you to gauge your understanding while reinforcing important concepts. While Level I introduced you to basic foundational investment skills, Level II requires more complex techniques and a strong grasp of valuation methods. This set dives deep into practical application, explaining complex topics to help you understand and retain critical concepts and processes. Incorporate analysis skills into case evaluations. Master complex calculations and quantitative techniques. Understand the international standards used for valuation and analysis. Gauge your skills and understanding against each Learning Outcome Statement. CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools. Level II focuses on application of concepts and analysis, particularly in the valuation of assets, and Level III builds toward synthesis across topics with an emphasis on portfolio management.

*Fundamentals of Corporate Finance, Standard Edition* Stephen Ross, Randolph Westerfield, Bradford Jordan, 2009-02-24 The best-selling *Fundamentals of Corporate Finance* (FCF) is written with one strongly held principle: that corporate finance should be developed and taught in terms of a few integrated, powerful ideas. As such, there are three basic themes that are the central focus of the book:

1. An emphasis on intuition: underlying ideas are discussed in general terms and then by way of examples that illustrate in more concrete terms how a financial manager might proceed in a given situation.
2. A unified valuation approach: net present value (NPV) is treated as the basic concept underlying corporate finance. Every subject covered is firmly rooted in valuation, and care is taken to explain how particular decisions have valuation effects.
3. A managerial focus: the authors emphasize the role of the financial manager as decision maker, and they stress the need for managerial input and judgment.
