Life and Times of Stein, Or Germany and Prussia in the Napoleonic Age, Vol. 1 of 4 (Classic Reprint) J. R. Seeley, 2017-05-17 Excerpt from Life and Times of Stein or Germany and Prussia in the Napoleonic Age Vol 1 of 4 It is not to set forth the merits of a great man who has been too little known that I write the life of Stein at such an unusual length but on account of the intrinsic importance of the revolutions in which he took part It has been my object to consider the transformation of Germany and Prussia in the Napoleonic age which has usually been contemplated by us only as a part of the life of Napoleon in its proper place as a part of German history When I first asked myself how this subject might best be treated I remarked that it was one which especially needed to be gathered up in a person I soon satisfied my self that the only person who could be taken in this way to represent his nation and his time was Stein About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
