Get Even Gretchen McNeil, 2014-09-16 Now streaming on Netflix and BBC iPlayer The Breakfast Club meets Pretty Little Liars in Gretchen McNeil's witty and suspenseful novel about four disparate girls who join forces to take revenge on high school bullies and create dangerous enemies for themselves in the process Perfect for fans of E Lockhart Karen M McManus and Maureen Johnson Bree Deringer Olivia Hayes Kitty Wei and Margot Mejia have nothing in common At least that's what they'd like the students and administrators of their elite private school to think The girls have different goals different friends and different lives but they share one very big secret They're all members of Don't Get Mad a secret society that anonymously takes revenge on the school's bullies mean girls and tyrannical teachers But when their latest target ends up dead with a blood-soaked DGM card in his hands the girls realize that they're not as anonymous as they thought and that someone now wants revenge on them As the unlikely group searches for the killer they also uncover secrets and lies that rock their tenuous friendship to the core Soon the clues are piling up the police are closing in and everyone has something to lose

Four Years Old in an Urban Community John Newson, Elizabeth Newson, 2017-07-12 Although psychologists by training John and Elizabeth Newson have more aptly been described as pioneers in social ecology they work from the conviction that the causes and the consequences of child rearing attitudes can fruitfully be investigated only in the framework of the total social environment in which they occur This book continues their analysis of child rearing in an English urban setting

Erzebet Joseph Geren, 2001-11-30 Mike Marcus thinks life is great now that he's retired from the private investigation business He has a new wife his long lost daughter returns and he spends his days fishing in the Mississippi River But when he and his wife Annie take a moonlight stroll along the riverbank they find the body of a fourteen-year-old girl The next day another teen girl is slashed Somebody is bathing in the blood of virgins Mike's former flame Lisa Werner is charged with murder and he gives up the quiet life to clear her name The only clues are a bloody article of clothing found in his client's basement and a red hair and Lisa Werner's alibi seems to incriminate her even more While Mike sorts

through the evidence and the lies the answer to the puzzle resides in his wife's mind. He doesn't take time to listen and Annie's feelings are hurt. Their lives take separate paths and both lead to Erzebet. **The Confident Parent** Jane Scott, Stephanie Land, 2016-11-01 A much needed guide that delivers essential baby and child care advice while reminding parents to calm down and trust themselves. Parents are more overwhelmed than ever before juggling demands on their time as well as conflicting advice from family, friends, frenemies and experts on how to achieve parental perfection. Pediatrician Jane Scott has seen this parental anxiety up close and in *The Confident Parent* she shares advice on how to cut through the confusion, dial down the insecurities and unhelpful advice and simply do what countless parents around the world have done throughout history: respond to their little one's needs without overthinking, overstimulating and overparenting. Informed by a unique global perspective, *The Confident Parent* shows readers how to be not just better caregivers but happier and more balanced human beings. The book covers the basics of baby and child care from breastfeeding and sleep training to managing temper tantrums, offering a fresh perspective that's both commonsense and liberating. Takeaways include: Children are strong and resilient unless parents teach them not to be. Picky eating is learned, not innate. There is such a thing as being too careful. This upbeat and empowering guide shows how small changes can yield big results, helping both parents and kids feel more secure, confident and connected. **Hillary Rodham Clinton: On The Couch** Alma H. Bond, 2015-07-01 Who exactly is Hillary Clinton? Because she announced her candidacy for President in April 2015 and thus could well become the first woman ever to be U.S. President, the question becomes all the more relevant and important. Fortunately, woman's biographer Alma H. Bond, a Manhattan psychoanalyst for 37 years, has read just about everything ever published about the former First Lady, U.S. Senator and Secretary of State, and has written a fascinating, highly readable and intimate book burning through a great many myths about HRC. What were her parents like and what lasting effects did they have on her? How did her upbringing make her the person she became? How does she deal with her womanizing husband and why will she never divorce him? What role does religion play in her life and in her approach to policy? As a public official, what are her strengths and weaknesses? When she served as First Lady, what was she truly trying to accomplish and did she succeed? As a U.S. senator, why was she so effective in working with members of the opposite party? As Secretary of State, how well did she get along with President Barack Obama? In what ways, if any, was her tenure as Secretary of State different from that of all her predecessors? To what extent is she a hawk when it comes to foreign policy? Was she truly at fault in the tragedy known as Benghazi? In her mind, how crucial is it to advance the cause of women around the world? These and many other questions are answered clearly in Dr. Bond's highly readable and remarkably intimate look at one of the most celebrated, admired and despised women in the world. More important, after readers turn the final page, they'll know Hillary better than they know practically anyone else. **Family Worlds** Gerald Handel, 2017-07-05 How does a family function? How does a family make a distinctive life of its own while living according to the values of society? In what ways is a family a unit when all its members have personalities of their own?

How can we understand diversity among families Robert D Hess and Gerald Handel sensitively explore the dynamics of family life in five narrative case studies The Clarks Lansons Littletons Newbolds and Steeles are all typical families with representative social cultural and psychological problems By simultaneously studying each family as a small group and as a set of individual personalities the authors have captured the interplay between personality and family as each group works out its own special way of coping with its problems Further they have formulated several principles of family functioning that help focus comparison Family Worlds was the first and is still one of the few studies to interview each member of the family giving equal weight to children as well as to adults so each family member s perspective is factored into Hess and Handel s family portraits A new introduction to the Transaction edition illuminates just how significant this ground breaking study still is today and highlights the new implications it has for today s families as well as emerging approaches **The Conservator**

,1912 **Corporate Rock Sucks** Jim Ruland,2022-04-12 A no holds barred narrative history of the iconic label that brought the world Black Flag Hsker D Sonic Youth Soundgarden and more by the co author of Do What You Want and My Damage Greg Ginn started SST Records in the sleepy beach town of Hermosa Beach CA to supply ham radio enthusiasts with tuners and transmitters But when Ginn wanted to launch his band Black Flag no one was willing to take them on Determined to bring his music to the masses Ginn turned SST into a record label On the back of Black Flag s relentless touring guerilla marketing and refusal to back down SST became the sound of the underground In Corporate Rock Sucks music journalist Jim Ruland relays the unvarnished story of SST Records from its remarkable rise in notoriety to its infamous downfall With records by Black Flag Minutemen Hsker D Bad Brains Sonic Youth Dinosaur Jr Screaming Trees Soundgarden and scores of obscure yet influential bands SST was the most popular indie label by the mid 80s until a tsunami of legal jeopardy financial peril and dysfunctional management brought the empire tumbling down Throughout this investigative deep dive Ruland leads readers through SST s tumultuous history and epic catalog Featuring never before seen interviews with the label s former employees as well as musicians managers producers photographers video directors and label heads Corporate Rock Sucks presents a definitive narrative history of the 80s punk and alternative rock scenes and shows how the music industry was changed forever **Workbook to Accompany Ending Spouse/Partner Abuse** Robert Geffner, PhD,Carol Mantooth, MS,1999-10-05 This clinician s workbook is designed to accompany and supplement the main volume Ending Spouse Partner Abuse It includes forms questionnaires and various handouts
