Get Ready! For Standardized Tests : Reading Grade 1 Molly Maack, Carol Turkington, 2001-08-22 Schools in 45 states now administer annual standardized tests designed to gauge children's proficiency in reading and in many cases to determine who gets promoted and who doesn't. These latest volumes in the critically acclaimed Get Ready For Standardized Tests series arm parents with proven tools and techniques to help assess their children's basic reading skill levels, pinpoint their specific problem areas, reinforce their proficiency, gauge their progress, and instill them with the confidence and test-taking know-how needed to shine on virtually any standardized test.

**Get Ready! For Standardized Tests : Math Grade 1** Sandy McConnell, Carol Turkington, 2001-06-28 One of the areas of study students find most difficult to master and are most fearful of is math. Yet the core math skills acquired in the first four years of school form the basis of all future academic success. Get Ready for Standardized Tests, the first and only grade-specific test prep series, now features hands-on guidance on helping kids master the all-important basic math skills while arming parents with the tools they need to help their children succeed.

**Get Ready! For Standardized Tests : Grade 1** Joseph Harris, 2000-08-30 With standardized state-mandated testing starting as early as the first grade and continuing through high school, parents are concerned that their children may not be able to perform at grade level. Developed by professionals, here is the first and only grade-specific test preparation series geared toward parent and child, including expert tips for optimizing children's test performances. Features information on how schools use standardized tests, explanations of the types of questions found on standardized tests, practice sections on necessary verbal and math skills, exercises, drills, and a full-length sample test with answers explained.
