Copyright Office,1914 **Hard Times** Barbara Kellerman,2014-10-15 A highly perceptive analysis of the crisis of leadership in 21st century America written in an exhilaratingly readable style Archie Brown Oxford University author of *The Myth of the Strong Leader* Selected by Choice as an Outstanding Academic Book Leadership has never played a more prominent role in America s national discourse and yet our opinions of leaders are at all time lows Private sector leaders are widely seen as greedy to the point of being corrupt Public sector leaders are viewed as incompetent to the point of being inept And levels of trust in government have plummeted As the title of this book conveys leaders in America are experiencing hard times Barbara Kellerman argues that we focus on leaders and even on followers while ignoring an essential element of leadership context This book is a corrective It enables leaders to track the terrain that they must navigate in order to create change Rather than a handy dandy manual on what to do and how to do it *Hard Times* is structured as a checklist Twenty four brief sections cover key aspects of the American landscape They trace evolutions and revolutions that have revised our norms transformed our populations and institutions and shifted our culture Kellerman s crash course on context reveals how significant it is to leadership Clearer still is the fact that leadership is more difficult than it has ever been It is context that explains why leadership is so fraught with frustration And it is context that makes evident why leadership will be better exercised if it is better understood Calling out patterns that emerge from the checklist Kellerman challenges leaders to do better This fascinating read will change the way that all of us think about leadership while compelling us to consider what it means for our future Finally a book that explains why leadership is so hard thought provoking examples taken from business and government alike Sydney Finkelstein Tuck School of Business author of *Why Smart Executives Fail* *Petroleum Week* ,1957 **Raw Deal** Steven Hill,2015-10-20 What s going to happen to my job That s what an increasing number of anxious Americans are asking themselves The US workforce which has been one of the most productive and wealthiest in the world is undergoing an alarming transformation Increasing numbers of workers find themselves on shaky ground turned into freelancers temps and contractors Even many full time and professional jobs are experiencing this precarious shift Within a decade a near majority of the 145 million employed Americans will be impacted Add to that the steamroller of automation robots and artificial intelligence already replacing millions of workers and projected to obsolesce millions more and the jobs picture starts looking grim Now a weird yet historic mash up of Silicon Valley technology and Wall Street greed is thrusting upon us the latest economic fraud the so called sharing economy with companies like Uber Airbnb and TaskRabbit allegedly liberating workers to become independent and their own CEOs hiring

themselves out for ever smaller jobs and wages while the companies profit But this share the crumbs economy is just the tip of a looming iceberg that the middle class is drifting toward Raw Deal How the Uber Economy and Runaway Capitalism Are Screwing American Workers by veteran journalist Steven Hill is an expos that challenges conventional thinking and the hype celebrating this new economy by showing why the vision of the techno sapien leaders and their Ayn Rand libertarianism is a dead end In Raw Deal Steven Hill proposes pragmatic policy solutions to transform the US economy and its safety net and social contract launching a new kind of deal to restore power back into the hands of American workers
