Conversations with God Rodney Charles Tuomi, 2022-10-24 This book is the third book that I have written The first two were books of poetry but this one is a sampling of articles that I have written for newspapers or magazines from the spring of 2010 when I started to electronically save and collect them until the summer of 2021 The book *Conversations with God* is a compilation of years of life It reflects many thoughts about God about nature and about the wisdom I have gained in so many years of studying ministering and loving people I enjoy using humor though sometimes it may be a little subtle The topics are many and often One article is vastly different from the previous one or the following one I do usually stick to one theme in each individual article Each article is meant to picture an almighty loving God in the light of nature and life experiences My first book of poetry *Reflections* was a short simple book and my second book of poetry *Beside the Still Waters* was a longer more detailed collection of poems and scriptures This book is a little longer and more complex My prayer and hope for you is that you enjoy my writing and let it minister to you and speak deeply into your life How to Achieve Self-Realization
