Getting Into Character Stephen Chapin Garner, 2008 A step by step guide for crafting effective dynamic biblically based first person narrative sermons Preaching from Inside the Story Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle s foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching *Kiwimade Narrative Sermons* Myk Habets, 2015-01-29 This collection of over forty narrative sermons illustrate the science and art of taking a text of Scripture almost any text and crafting it into a narrative that effectively and affectively communicates the content of Holy Scripture in ways that impact the congregation Spanning the canon of Holy Scripture the present volume represents a snapshot of current preaching by Baptist women and men from Aotearoa New Zealand in an attempt to teach by illustration what narrative sermons may look like and to model the potential they have to communicate God s Word written Originally preached to a diverse range of congregations each sermon has been re written for publication and illustrates biblical fidelity imaginative creativity and contextual sensitivity *Kiwimade Narrative Sermons* is a key resource text for classes on homiletics a refresher course for seasoned ministers of the Word and a devotional aid in its own right *Reclaiming the Old Testament for Christian Preaching* Grenville J. Teaching Through the Art of Storytelling Jon Huckins, 2011-01-04 As communicators in a culture saturated with storylines we have the profound opportunity to invite our students into the masterful Story of God There are a variety of ways to invite our students into this Story but this book discusses and explores how to teach through one of Jesus most powerful modes of communication fictional storytelling Rabbinical storytelling otherwise known as Jewish Agada embraces the narrative of Scripture and invites its listeners into understanding and participation Our Rabbi Jesus employed this mode of communication through his parables Approaching the topic as a theologian philosopher and artist Jon invites and teaches how to create modern day parables that illuminate the message of Jesus These stories do not simply illustrate the message they are in fact the message Whether hoping to articulate deep theological concepts or relevant topics teaching through the art of fictional storytelling has the potential to engage and invite our students into The Story In this book You will learn how

to create your own fictional stories modern day parables that use a realistic setting engaging characters and a thought provoking plot to communicate a specific topic You are given practical worksheets that offer guidance in developing such stories Jon includes a variety of stories he has developed over his years of youth ministry and offers them as a resource to any youth pastor communicator I found myself wrapped up in its pages and receiving personal learning It s a rarity in youth ministry as it has the potential of impacting not only youth but also their youth leaders Dan Kimball author of *They Like Jesus but Not the Church* **The Saturday Review of Politics, Literature, Science and Art** ,1856 **The Canadian Magazine of Politics, Science, Art and Literature** ,1912 **The New Interpreter's® Handbook of Preaching** ,2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice Canadian Magazine of Politics, Science, Art & Literature ,1912 *The Art of Worship* Paxson Jeancake,2006-06-12 Paxson Jeancake s *The Art of Worship* invites readers to explore the intersection of gospel art and worship Each and every Lord s Day there is the potential for moments of spiritual illumination and transformation to occur in the lives of God s people In the midst of corporate worship through the artistic media of story imagery and expression people s eyes can be opened to the beautiful paradoxical truth of the gospel Gospel centered worship however does not happen in a vacuum It is crafted and facilitated by human leadership informed by biblical inquiry and theological conclusions and fleshed out in the context of a local culture and community This book explores all of these various facets of worship to help worship leaders worship planners pastors and laypeople experience and plan gospel centered worship that is contextual and creative for the glory of God and the edification of his people **Preaching that Shows** Margaret Cooling,2022-04-25 For many years the resolution plot has dominated homiletical theory made most famous by the Lowry Loop a staple of preaching theory for today s ministry student Whilst the approach is important some have accused resolution plot of leaving little room for ambiguity and failing to reflect the messy reality of life Offering a ground breaking approach as a counter to well worn preaching strategies *Preaching That*

Shows explores the revelatory plot focused more on the gradual revelation of relevant truths within the biblical text through character and embodied insight and through imaginative and sensory detail rather than through answering the questions how and why It will prove an invaluable resource for students homileticsians and preachers alike The Canadian Magazine of Politics, Science, Art & Literature ,1911
