

The background of the poster depicts a city skyline at night, with a large, dark, alien-like creature in the foreground. The creature has a large, bulbous head and a body that appears to be made of dark, textured material. It is positioned in the center-left of the frame, with its arms outstretched. A small human figure is standing in the distance, to the right of the creature, providing a sense of scale. The sky is dark and filled with several large, glowing, circular objects that look like alien ships or planets. In the upper right corner, there are three jets flying in a line, leaving a bright blue trail. The overall atmosphere is one of a high-stakes, sci-fi action movie.
