Strategic Marketing Russell Abratt, Michael Bendixen, 2018-07-04 This book is a unique collection of comprehensive cases that explore concepts and issues surrounding strategic marketing. Chapters explain what strategic marketing is and then discuss strategic segmentation, competitive positioning, and strategies for growth, corporate branding, internal brand management, and corporate reputation management. With case studies from a broad range of global contexts and industries including Burger King, FedEx, and Twitter, readers will gain a working knowledge of developing and applying market-driven strategy. Through case analysis, students will learn to examine the role of corporate business and marketing strategy in strategic marketing, recognize the implications of markets on competitive space with an emphasis on competitive positioning and growth, interpret the various elements of marketing strategy and apply them to a particular real-world situation, apply sound decision-making strategies and analytical frameworks to specific strategic marketing problems and issues, apply ethical frameworks to strategic marketing situations. *Strategic Marketing: Concepts and Cases* is ideal for advanced undergraduate and postgraduate students as well as those studying for an MBA or executive courses in strategic marketing or marketing management.

Media and Entertainment Industry Management Sunghan Ryu, 2024-04-19 The media and entertainment industry (MEI) differs significantly from traditional industries in many respects. Accordingly, the management of strategy marketing and other business practices in the MEI necessitates a unique approach. Sunghan Ryu offers students focused and relevant insights into critical topics illustrated by vivid examples from the MEI. Unlike typical introductory textbooks on business and management, this book does not overemphasize complicated layers of theory. Instead, it presents essential concepts and frameworks in a digestible manner and supplements them with opportunities to apply this knowledge to real-world cases. The textbook demonstrates how knowledge can be constructively implemented in business and management scenarios. It is structured into 12 chapters divided into five core modules: 1. Overview of the MEI, 2. The Fundamentals of Management, 3. Marketing Management, 4. Digital Business and Management, and 5. New Business Models and Entrepreneurship. Students will gain the ability to explain key concepts and frameworks across core business and management domains and develop analytical skills through diverse real-world cases in the MEI. Based on this knowledge, they will be equipped to identify management-related issues in the MEI and arrive at practical and effective solutions. This book is an essential guide for students who wish to understand business and management in the dynamic world of the MEI.

The Four Scott Galloway, 2017-10-03 NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Amazon Apple Facebook and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that's been written about the Four over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths, these companies broadcast Galloway asks fundamental questions: How did the Four infiltrate our lives so completely that they're almost impossible to

avoid or boycott Why does the stock market forgive them for sins that would destroy other firms And as they race to become the world's first trillion dollar company can anyone challenge them In the same irreverent style that has made him one of the world's most celebrated business professors Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves at a speed and scope others can't match And he reveals how you can apply the lessons of their ascent to your own business or career Whether you want to compete with them do business with them or simply live in the world they dominate you need to understand the Four
