however of much wider interest and is a valuable resource for academics and students alike Much of the Northern Ireland case law has been concerned with contentious political issues and the courts have had to consider difficult questions of the constitutional limits to the judicial role in review proceedings The book should therefore be of use not just to practitioners but also to those involved in the study of judicial reasoning in different jurisdictions both within the UK and elsewhere

Antiquarian Book Monthly Review ,1984 *British librarianship and information work 2011-2015* J. H.

Bowman,2017-01-24 This is the latest in an important series of reviews going back to 1928 The book contains 28 chapters written by experts in their field and reviews developments in the principal aspects of British librarianship and information work in the years 2011 2015 **The White Book Service 2012, Volume 1 eBook. , Working with Abused Children**

Celia Doyle,2018-06-27 Working with abused children is a demanding and emotionally charged area of practice in which practitioners must balance sensitivity with statutory obligation This thoroughly updated new edition emphasises the need for a central focus on the child and their perspectives to ensure safe and effective work with children and their families Opening with the foundations of good practice the book goes on to capture the perspectives of children through moving first hand accounts from abuse survivors Woven through with frank narratives from the author s own practice experience it discusses the importance of assessment and explores interventions through individual family and group work Keeping the voice of the child at its heart this edition features All new chapters on transitions from childhood to adulthood and on the emotional impact for practitioners in the field including coping strategies and practice guidance New perspectives on practice within the context of current policy including the Every Child Matters legacy and the Munro Review A range of supportive features such as points for reflection practice examples and further reading resources Since the first edition in 1989 the rhetoric and terminology on safeguarding children have changed beyond recognition Yet the need to understand and accommodate the abused child s perspective remains Working with Abused Children therefore continues to be a valuable resource for students educators and practitioners working within this challenging field The Lives of Lucian Freud: Fame William

Feaver,2021-01-19 The first biography of the epic life of one of the most important enigmatic and private artists of the 20th century Drawn from almost 40 years of conversations with the artist letters and papers it is a major work written by a well known British art critic Lucian Freud 1922 2011 is one of the most influential figurative painters of the 20th century His paintings are in every major museum and many private collections here and abroad William Feaver s daily calls from 1973 until Freud died in 2011 as well as interviews with family and friends were crucial sources for this book Freud had ferocious energy worked day and night but his circle was broad including not just other well known artists but writers bluebloods royals in England and Europe drag queens fashion models gamblers bookies and gangsters like the Kray twins Fierce rebellious charismatic extremely guarded about his life he was witty mischievous and a womanizer This brilliantly researched book begins with the Freuds life in Berlin the rise of Hitler and the family s escape to London in 1933 when Lucian was 10

Sigmund Freud was his grandfather and Ernst his father was an architect In London in his twenties his first solo show was in 1944 at the Lefevre Gallery Around this time Stephen Spender introduced him to Virginia Woolf at night he was taking Pauline Tennant to the Gargoyle Club owned by her father and frequented by Dylan Thomas he was also meeting Sonia Orwell Cecil Beaton Auden Patrick Leigh Fermor and the Aly Khan and his muse was a married femme fatale 13 years older Lorna Wishart But it was Francis Bacon who would become his most important influence and the painters Frank Auerbach and David Hockney close friends This is an extremely intimate lively and rich portrait of the artist full of gossip and stories recounted by Freud to Feaver about people encounters and work Freud s art was his life my work is purely autobiographical and he usually painted only family friends lovers children though there were exceptions like the famous small portrait of the Queen With his later portraits the subjects were often nude names were never given and sittings could take up to 16 months each session lasting five hours but subjects were rarely bored as Freud was a great raconteur and mimic This book is a major achievement a tour de force that reveals the details of the life and innermost thoughts of the greatest portrait painter of our time Volume I has 41 black and white integrated images and 2 eight page color inserts **The Television Genre Book**

Glen Creeber,2023-11-30 In this new edition of The Television Genre Book leading international scholars have come together to offer an accessible and comprehensive update to the debates issues and concerns of the field As television continues to evolve rapidly this new edition reflects the ways in which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like Stranger Things Killing Eve The Crown Chernobyl Black Mirror Fleabag Breaking Bad and RuPaul s Drag Race this book offers a comprehensive understanding of television genre for scholars and students alike **Cloud-Based**

Benchmarking of Medical Image Analysis Allan Hanbury,Henning Müller,Georg Langs,2017-05-16 This book is open access under a CC BY NC 2 5 license This book presents the VISCERAL project benchmarks for analysis and retrieval of 3D medical images CT and MRI on a large scale which used an innovative cloud based evaluation approach where the image data were stored centrally on a cloud infrastructure and participants placed their programs in virtual machines on the cloud The book presents the points of view of both the organizers of the VISCERAL benchmarks and the participants The book is divided into five parts Part I presents the cloud based benchmarking and Evaluation as a Service paradigm that the VISCERAL benchmarks used Part II focuses on the datasets of medical images annotated with ground truth created in VISCERAL that continue to be available for research It also covers the practical aspects of obtaining permission to use medical data and manually annotating 3D medical images efficiently and effectively The VISCERAL benchmarks are described in Part III including a presentation and analysis of metrics used in evaluation of medical image analysis and search Lastly Parts IV and V present reports by some of the participants in the VISCERAL benchmarks with Part IV devoted to the

anatomy benchmarks and Part V to the retrieval benchmark This book has two main audiences the datasets as well as the segmentation and retrieval results are of most interest to medical imaging researchers while eScience and computational science experts benefit from the insights into using the Evaluation as a Service paradigm for evaluation and benchmarking on huge amounts of data

History's Queer Stories Natalie Marena Nobitz,2018-10-04 Critical analysis of the dramatisation of homosexuality in British fiction about the Second World War is noticeable only by its relative absence from the field Whereas feminist literary criticism has broadened the canon of war fiction to include narratives by and about women queer scholars have seldom focused on literary representations of homosexuality during the war Natalie Marena Nobitz closes a glaring gap in the critical attention of four novels dealing with the disruption of gender roles and institutionalised heteronormativity Walter Baxter s Look Down in Mercy 1951 Mary Renault s The Charioteer 1953 Sarah Waters The Night Watch 2006 and Adam Fitzroy s Make Do and Mend 2012 *Telegraphic Journal and Monthly Illustrated Review of Electrical Science* ,1946
