The Way of the Woman Writer Janet Lynn

Roseman, 2014-01-14 *The Way of the Woman Writer* Second Edition continues the work of the inspirational original offering guidance to women who wish to document their lives in writing. More a template than a how to manual, this insightful book addresses the concerns, needs, and issues of women writers, both aspiring and experienced, concentrating on the internal process of putting thought to paper, including new chapters on the creative process and the ethics and integrity of writing. The author, Dr. Janet Lynn Roseman, offers writing exercises in women's autobiography that draw on the significant rhythms of a woman's life, utilizing visualization and meditation techniques to amplify the inner writing voice. From the author: What strikes me in re-examining the text of this book is just how timeless the subject of chronicling women's lives is. When we pass down our stories and share them with family and friends, we provide future generations with the opportunity to not only understand the lives of each woman but we are able to gain insight into their unique experiences. *The Way of the Woman Writer* Second Edition includes new writing samples and new chapters on *The Creative Spirit* which presents a seven-step guide to the creative process: ritual, surrender, silence, waiting, trust, recognition, and distance. *The Ethics and Integrity of Writing* which addresses the discipline and courage a writer needs when dealing with the effects of her autobiographical truths on others. *The Way of the Woman Writer* Second Edition is an essential resource for creative writing courses, oral history courses, writer's workshops, and women's studies programs, and an invaluable guide for any woman who wishes to tell her story.

Confessions of a Covid 19 Survivor Mildred L. Norwood Fisher, 2022-06-17 *Confessions of a COVID 19 Survivor* is written by Mildred L. Norwood Fisher. It is the heartfelt story of the pain, suffering, fear, and anxiety that overwhelmed her when she found herself suddenly cast into the excruciating valley of COVID 19. While passing through the valley, she was overwhelmed but eventually rejoiced because of an unexpected victory. In the valley, there were many ups and downs. Many dark days and even darker nights. So many days, all she had was her past because her present looked bleak, and it appeared that there would be no future beyond the valley, which within itself was a terrifying thought. Mildred felt trapped in the dark valley of despair. Many times she felt as if there were no escaping the valley because the walls of the endless pathway were crushing in on her. The dryness in the valley had taken her breath away. She couldn't breathe. Every attempt to do so was an act of manual labor. You will also walk with Mrs. Smith as she found herself trapped in the valley in total agony when her firstborn, her only son, Matthew, was tossed into the fiery furnace of COVID 19, left there to die, and that he did. Mrs. Smith found herself locked inside herself. You see, a parent is not supposed to bury her child, yet that was exactly what she was left to do, and there was no escaping that horrible reality. That day, time stopped, and she could not move beyond that, even if she tried. You will witness a family that was moved by faith through fate to God's faithfulness. This book unleashes the power of God, the manifestation of the Holy Spirit, as the healing hands of God are revealed. I pray that this book will inspire, encourage, and bless you as I have truly attempted to give testimony to the faithfulness of our God. How great is thy faithfulness.
