Bryer, Ben Siegel, 2019-11-29 Neil Simon 1927-2018 began as a writer for some of the leading comedians of the day including Jackie Gleason Red Buttons Phil Silvers and Jerry Lewis and he wrote for famed television programs alongside a group of writers that included Mel Brooks Woody Allen Larry Gelbart Michael Stewart and Sid Caesar After television Simon embarked on a playwriting career In the next four decades he saw twenty-eight of his plays and five musicals produced on Broadway Thirteen of those plays and three of the musicals ran for more than five hundred performances He was even more widely known for his screenplays some twenty-five in all Yet despite this success it was not until his *BB Trilogy* *Brighton Beach Memoirs* *Biloxi Blues* and *Broadway Bound* that critics and scholars began to take Simon seriously as a literary figure This change in perspective culminated in 1991 when his play *Lost in Yonkers* won the Pulitzer Prize for Drama In the twenty-two interviews included in *Conversations with Neil Simon* Simon talks candidly about what it was like to write commercially successful plays that were dismissed by critics and scholars He also speaks at length about the differences between writing for television for the stage and for film He speaks openly and often revealingly about his relationships with among many others Mike Nichols Walter Matthau Sid Caesar and Jack Lemmon Above all these interviews

reveal Neil Simon as a writer who thought long and intelligently about creating for stage film and television and about dealing with serious subjects in a comic mode In so doing *Conversations with Neil Simon* compels us to recognize Neil Simon's genius

Neil Simon Gary Konas, 2020-11-25 First Published in 1997 The 16 essays and interviews in this volume explore the background and works of Neil Simon the most successful playwright in American history Several of the entries trace Simon's Jewish heritage and its influence on his plays Although Simon is best known as a writer of a remarkable series of hit Broadway comedies the contributors to this book have identified a number of serious recurring themes in his work suggesting that a reassessment of the playwright as a dramatist is appropriate Three interviews with Simon and his longtime producer yield valuable facts about the playwright that will along with the critical essays aid the scholar seeking new insights into contemporary American drama in general and Neil Simon in particular

Seen That, Now What? Andrea Shaw, 1996-04-09 You've never used a video guide like this before You loved *Chariots of Fire* and you want to see something like it Where do you start Look up *Chariots of Fire* in the index and find it in Drama There you'll see it listed under White Flannel Films Welcome to the glory days of the British empire when the ruling class rode horses on large country estates servants were in plentiful supply and only an adulterous lover questioned the status quo As in other costume dramas the period details are celebrations of all that was brilliant and luxurious with the camera sweeping over British Indian or African countrysides and exquisite turn of the century interiors But all this lush upholstery doesn't cover up the intelligent thoughtful stories usually based on Lawrence Forster and Waugh novels played by stellar British actors In White Flannel Films there are concise witty reviews of select movies like *A Room with a View* *A Passage to India* *Heat and Dust* *The Shooting Party* *Out of Africa* *White Mischief* and more There is also a unique ratings system that helps you distinguish the bombs from the sleepers But the key is that all these films offer the same kind of viewing experience if you like one chances are good you'll like the others too
