Kedric L. McKnight, 2018-11-21 In this book you will hopefully find yourself captivated by the recollection of historical events that most of us have shared together throughout the past twenty to thirty years Yet you will be drawn to personal events that have been captured by the author's intent to remain transparent in his approach but true to the surfacing passions and emotions that are all so evident throughout the many passing seasons of his life How many individuals are hurt from their respective religious assemblies due to church politics mistreatment by fellow congregants and abuse of leadership authority simply because of their religious titles Are you struggling to find balance in your life Have past relationships hindered you from progressing making you feel trapped somewhere in between How has impatience impacted your decision making Have you ever truly pondered how often the grace of God is taken for granted Let's view the seemingly endless cycles of life through the lens of a man and a minister with a message of hope regarding how God can transition his people from one season to the next **Fast Friends**

Stuart Kaufman, 2005-02-25 FAST FRIENDS is the story of Dr Ernest Berger a college English professor and his pal Bobby Taylor a tennis player and playboy that takes place up in the woods of Vermont The novel would have to be considered a picaresque a tale of rogues and rascals and a recounting of their various adventures and incidents It is a series of incidents and episodes connected chronologically with little or no motivation or complication of plot it is simply a realistic unfolding of many lives their trials and tribulations and their ultimate redemption and salvation The book is about Dr Berger a frustrated married English professor and poet who is totally bored with teaching the rich progeny of America's finest families up in the green mountains of Vermont and longs to go out to Hollywood and become a scriptwriter and live the glamorous tabloid existence that he has dreamed of He loves his wife and young sons but is seduced by the flesh of many a young eager and confused coed And of course part of his dream is to be rich and cavort with Hollywood stars and leave the drab world of teaching behind The catalyst as it turns out is Mr Bobby Taylor a swinging handsome down to earth

Vermonter who is a stark contrast to all the snobby snooty writers and artist types that people the world of the infamous  
 Endington College in southern Vermont To Dr Berger his wife and young children Bobby is a breath of fresh air Then things  
 begin to unravel and the dream goes through various cycles of destruction and disruption His odyssey finally comes full circle  
 as Dr Berger learns many lessons about love and loss and battles desperately to regain the idyllic life that he gave away for a  
 hollow fantasy     **Vibrations of the Soul** The Quail,2010-02-10 A complete collection of poetry by the Quail in one volume  
 Poetry of family memories love romance and special moments     **Bonfire Lessons** David Ruuskanen,2004 There are laws  
 that govern our universe that are far beyond the material world that we experience Over time the world s leading scientists  
 astronomers and physicists have uncovered what the general public would perceive as magic but are in fact the basic laws of  
 our universe By understanding these laws we can tap into the magic that is available and manifest our goals and dreams  
 Bonfire Lessons is written in a story fashion built on fact This is done so that the reader can readily understand some of the  
 more complex concepts presented Uncle Jack is a 79 year old friend and mentor who provides lessons about the universe  
 relativity E mc<sup>2</sup> quantum mechanics and manifestation in nightly bonfire chats Three people receive timely invitations to join  
 him for a week that will ultimately change their lives     *Just Lead!* Sherry Surratt,Jenni Catron,2013-01-22 Become the  
 effective woman leader God intended you to be Just Lead provides practical leadership help for women to develop skills to  
 lead themselves and others with the character confidence and authenticity of a godly woman The book shows what holds  
 women back and then focuses the skills women need to lead others effectively Using this hands on practical resource will  
 inspire women leaders in the church to use its ideas to gain strength and lead well Helps women successfully navigate the  
 transitions necessary to lead well in church and ministry settings Offers women a practical guide for breaking the stained  
 glass window and becoming effective leaders Addresses leadership issues such as leading mixed gender teams earning and  
 giving respect and navigating through relational landmines Just Lead challenges women to embrace their identity as leaders  
 and equips them with the skills they need to lead others well     *The Unwritten Word* McKinely "Blakghost" Bundick,  
 Jr.,2014-10-02 A book of religious inspired poetry The Unwritten Word touches on overcoming adversity through poetry I  
 remember hearing a bunch of my friends saying they were spiritual just not religious I examined their claims and their  
 outlook on spirituality and religion and that is where I got the title The Unwritten Word I believe the word is in us and it is up  
 to us to continue to write the truths on how God has affected our lives These poems are merely Psalms in my book of life  
 Something I decided to write to release the pain of life and help those who may be going through similar situations The  
 Unwritten Word is a collection of poems for people who were like me too timid to look to the heavens to find their strength  
 Inspired by events of my life and my many questions about my religion and the people in it I wrote these poems to help those  
 who may have been confused like I once was These poems are not just poems but stories in rhyme form My late father was  
 the inspiration for me to write this book of poetry I hope everyone enjoys it just as much as he did     **Heartfelt** Ph.D. Joneal
