Fertility Secrets Dr. Aumatma Shah, Shah, 2017-09-30. Why are more and more couples struggling to get pregnant? The idea that women and men are simply waiting till later in life to start trying may be a scapegoat explanation. The emerging idea is that there are many factors creating the fertility struggle. The toxins in our environment, the overabundance of processed foods, and the stressors of day-to-day life take their toll on our bodies. Since the reproductive system is non-essential to our personal survival, it is an easy system for our bodies to put on the back burner while it tries to survive in our challenging world. In *Fertility Secrets: What your Doctor didn't tell you about Baby Making*, Dr. Aumatma provides a pioneering plan for optimal fertility. In her 10 years of practice, she has created an integrative and holistic approach for getting to the root of the inability to conceive and how to resolve it in a holistic way, helping to create more balance and fertility in the body. What can you expect from this book? Learn the most common underlying factors to infertility and proven methods to treat them. Learn the techniques and tools to help tip the scale for your fertility. Examples of real-life women just like you who have struggled with infertility and the paths they took that helped them to finally get pregnant and birth a healthy child. Learn the mindsets that may be blocking your fertility and techniques to help harmonize your body, mind, and spirit for optimal conception. New ways to balance your hormones. Ways to preserve your fertility if you are not ready to start a family yet. And The three-step Fertility Success Method, proven to support your body's vitality so that you can get fertile, stay fertile, and have a baby when you choose. Dr. Aumatma Shah, Naturopathic Holistic Fertility Doctor and the creator of the Fertility Success Method, a step-by-step method to help create health, vitality, and hormone balance in order to ease, fully reverse the symptoms of infertility, an imbalance that is becoming one of the country's fastest-growing problems.
