## **Fully Human Fully Divine An Interactive Christology:**

**Fully Human, Fully Divine** Michael Casey, 2004 A solid blend of theology and spirituality this refreshing book introduces in an interactive way the humanity and divinity of Jesus by applying the significant points of both to the reader's spiritual life. Written by Michael Casey a monk of Tarrawarra Abbey in Australia **Fully Human Fully Divine** invites the reader to encounter the pulsating humanity of Jesus. Liguori Publications **Fully Human, Fully Divine** Michael Casey, 2004

**Fully Human, Fully Divine** Michael Casey (monk of Tarrawarra.), 2004 [The New Big Book of Christian Mysticism](#) Carl McColman, 2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God. The Christian of the future will be a mystic or will not exist. This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis. Is mysticism necessary for the survival of Christianity? What exactly is Christian mysticism? How can it be relevant in our crisis-ridden world? Questions like these inspire [The New Big Book of Christian Mysticism](#) a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman. [The New Big Book of Christian Mysticism](#) serves as both introduction and practical instruction for a living contemplative practice today. In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray. It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus's message of radical equality and inclusivity. This bigger book introduces both Christians and non-Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church's detriment. As a practice-oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice. McColman's overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today's seekers regardless of their faith tradition. At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence **The Big Book of Christian Mysticism** Carl McColman, 2021-11-16 In popular usage mysticism typically refers to New Age or Eastern forms of spirituality. However the mystical tradition is also an important component of the Christian tradition. At its heart and much like its expression in other faith traditions Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for personal enlightenment and the experience of Divine presence. This volume is a comprehensive introduction and guide to Christian mysticism. It is a big book about a big possibility the hope of achieving real blissful experiential union with God. Among the topics covered here are a general introduction to mysticism the Bible

and mysticism the history and types of Christian mysticism biographical sketches of leading Christian mystics and practical instructions about practicing mysticism today This is a breathtaking work that explores a form of spirituality that has changed lives over the course of 2 000 years Learning about Christian mysticism and how it has been articulated through the centuries will prove inspirational for today s seekers regardless of the faith tradition The mystic is not a special kind of person every person is a special kind of mytic William McNamara **Interpreter: A Journal of Mormon Scripture,**

**Volume 1 (2012)** The Interpreter Foundation,2012-09-28 This is volume 1 2012 of Interpreter A Journal of Mormon Scripture by Interpreter Foundation It contains articles on diverse topics such as charity in defending the kingdom Nephi s esoteric exchange with the Spirit in 1 Nephi 11 the cultural context of Nephite apostasy a book review of Temple Themes in the Book of Moses a commentary on temple theology in John 17 a letter from John Sorenson to Michael Coe on Mesoamerica atheist piety a book review of Latter day Scripture Studies in the Book of Mormon Mormonism and Wikipedia and a book review of Understanding the Book of Mormon A Reader s Guide **Transfiguration and Hope** D. Gregory Van

Dussen,2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God s ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself **A Language for the Soul** Stuart C. Devenish,2024-10-24 This volume offers Christian spiritual instructors

a language for the soul uncovered from the storehouses of Christianity s ancient living spiritual tradition That language describes the deep soul movements that unfold in the interior life of believers in response to the Divine invitation It presents an accessible language of the soul for use in today s professional educational ministerial and everyday life situations The end product is an experiential dictionary comprised of sixty word concepts which name and explore the inward human reactions to the whispering of God s Spirit Those reactions result from inward desires that lead to the embrace of faith the quest for consecration and the journey of discipleship Nurturing these intra personal choices and commitments is the central task of Christian ministry but many faith instructors remain unaware of these critical inner life processes More than other resources available today this experiential dictionary informs enriches and intensifies the spiritual journeys of genuine disciples and seekers The volume is tailored for seminaries churches schools and community settings It has application to the training of

ministry leaders the instruction of believers and in supporting the growing number of secular mystics who are open to merging their journeys of self discovery with the quest for Christ discovery *Lectio Divina as Contemplative Pedagogy* Mary Keator, 2017-12-14 Offering an original application of the ancient monastic practice of lectio divina to the humanities this book demonstrates the need for further emphasis on deep reading reflection and contemplation in contemporary university classrooms Each chapter provides readers with an historical overview of the four movements of this monastic method lectio reading meditatio interpreting oratio responding and contemplatio experiencing wisdom and suggests ways to incorporate these practices in humanites courses Keator demonstrates that the lectio divina method is a viable pedagogical tool to guide students slowly and methodically through literary texts and into a subjective experience of wisdom and meaning

On Your Mark Megan McKenna, 2014-07-30 Finding the Way Bruce McNab, 2013-03-18 Life is a complex journey and each of us must find our own way But sometimes we take a wrong turn and get lost When that happens we have to backtrack and begin again We are living in a time when many young adults who dropped out of church in high school or college are seeking to reconnect with their faith while older Christians are feeling a need to turn their own lives around Finding the Way offers help for all Christians who are hungry for an intimate relationship with God and want to restart their spiritual journey on a path they can see clearly explain simply follow faithfully and share with others This is a book for those who want to practice Christian faith as a way of life not merely accept it as a system of doctrine We are not lost in a trackless twenty first century spiritual wasteland There is a Way that can lead us home to God We have companions on the journey and the Good Shepherd himself will guide us Finding the Way calls us to brave the steep upward journey with Jesus to rededicate ourselves boldly to the imitation of Christ **A Not-so-unexciting Life** Carmel Posa, 2017 This volume written by eighteen monks

nuns and lay scholars from seven countries and four continents aims to recognize the contribution that Michael Casey has made to Cistercian and Benedictine life over the past forty years Acclaimed as one of the most significant writers in the Benedictine and Cistercian tradition Casey has published over one hundred articles and reviews in various journals written more than eighteen books and edited many more books and journals He is a world renowned retreat master lecturer and formator Contributors include Carmel Posa SGS David Tomlins OCSO Helen Lombard SGS Manuela Scheiba OSB David Barry OSB Mary Collins OSB Brendan Thomas OSB Elias Dietz OCSO Constant J Mews Bernardo Bonowitz OCSO Terrence Kardong OSB Elizabeth Freeman Austin Cooper OMI Katharine Massam Margaret Malone SGS Bernhard A Eckerstorfer OSB Columba Stewart OSB Francisco Rafael de Pascual OCSO and Bishop Graeme Rutherford **Read the Bible like a Mystic** Carl McColman, 2025-06-10 There is a better way to read the Bible with the eyes of a mystic and the heart of contemplation Can the Bible be saved More and more Christians are troubled by how difficult passages in the Bible can be used to promote sexism homophobia hostility to other faiths and other problems but a sterile academic reading of the sacred text seems spiritually unfulfilling Carl McColman author of The New Big Book of Christian Mysticism reminds us that there is an ancient

third way of approaching the Bible reading scripture like a mystic This contemplative approach to the Bible understands that much of the sacred text was never meant to be taken literally yet this approach maintains that spiritual wisdom guidance in prayer and encouragement for meditation are encoded throughout the sacred text Read the Bible like a Mystic will help Christians find an expanded relationship with their sacred textbook and it will also invite all people Christian and non Christian alike to bring together the wisdom of the written word with the wisdom of the contemplative life and the call to foster peace justice and equality in our world Whether you come to the Bible from a preexisting interest in Christianity or mysticism this book shows how contemplative wisdom unlocks the liberating power of the Word for our time Seeing and Believing Stuart C. Devenish,2012-05-23 In a cinematic culture where multiple visions of reality play at the same time it is critical that Christian believers know how to confidently identify and discern among other stories the Jesus story that defines their most important commitment in life Using the optical metaphor of the eye of faith the author identifies the spiritual life as a visual life Through themes such as looking through Jesus eyes the bible as a visionary text and the church as a wide eyed people he builds a connecting bridge between the seeing soul in Christian spirituality and the twenty first century as the age of the eye The key words for this exploration are spirituality discipleship insight luminescence and optical therapy The author proposes the need for a catechism of the eye that will lead to the renewal of Christian ministry spirituality discipleship and identity David Foster Wallace and Religion Michael McGowan,Martin Brick,2019-11-14 In the years since his suicide scholars have explored David Foster Wallace s writing in transdisciplinary ways This is the first book of its kind to discuss how Wallace understood and wrote about religion At present the scholarly community is sharply divided on how best to read Wallace on religious questions Some interpret him to be a Nietzschean nihilist while others see in him a profoundly spiritual even mystical thinker Some read Wallace as a Buddhist thinker and others as a Christian existentialist Involved at every level of this discussion are Wallace s experiences in Twelve Step recovery programs according to which only a higher power can help one remove unwanted defects of character The multifarious essays in this volume by literature religion and philosophy scholars in the Wallace community delve into Wallace s life and writings to advance the conversation about Wallace and religion While they may disagree with one another in substantial ways the contributors argue that Wallace was not only deliberate in his writings on religious themes but also displayed an impressive level of theological nuance **Like a Hammer Shattering Rock** Megan McKenna,2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we ve stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the development of new gospels for the 21st century McKenna argues that we haven t paid due attention to

the ones we already have in many cases we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus's apostles continue to resonate

**Creativity and Spirituality** Maureen Miner, Martin Dowson, 2017-02-01 The volume was developed to address conceptual relational and formational questions around the phenomena of creativity and spirituality from a multidisciplinary perspective We acknowledge the complexity of each phenomenon and the need for multiple perspectives in a number of ways First different chapters are written from psychological theological or philosophical perspectives Second multiple research perspectives are considered across empirical and phenomenological methods of inquiry Finally multiple associations between creativity and spirituality are evaluated From such multiple perspectives the theme of this volume emerges Both creativity and spirituality are important for individual and societal flourishing but we know little about fostering both in the 21st century Some ways of fostering them are psychologically harmful and need to be avoided New ways of protecting people as they engage in creative and spiritual endeavours are needed In particular formal training in both creativity and spirituality within the sphere of higher education should be developed in the light of current research However new research that integrates multiple perspectives and examines creativity and spirituality together is needed for training that avoids harm and promotes individual and social flourishing The book will be valuable for educators in all disciplines of higher education because it justifies and explicates training in creativity and spirituality within all areas of higher education Further it discusses how such training might best be included within andragogical practice The book will be useful for researchers of creativity and spirituality because it gives an overview of contemporary research issues and findings and proposes a new philosophical theological perspective for integrative research in these areas Students in fields of creativity theology and spirituality will use the book as a synthesis of contemporary theories and research relating to both creativity and spirituality and for direction in post graduate research More broadly Christians and others who appreciate the creative and performing arts will find much to challenge their thinking and deepen their awareness of spirituality within human creativity
