Kgatle,Allan H.

Anderson,2020-11-29 This book is a pneumatological reflection on the use and abuse of the Spirit in light of the abuse of religion within South African Pentecostalism Both emerging and well established scholars of South African Pentecostalism are brought together to reflect on pneumatology from various approaches which includes among others historical biblical migration commercialisation of religion discernment of spirits and human flourishing From a broader understanding of the function of the Holy Spirit in different streams of Pentecostalism the argument is that this function has changed with the emergence of the new Prophetic churches in South Africa This is a fascinating insight into one of the major emerging worldwide religious movements As such it will be of great interest to academics in Pentecostal Studies Christian Studies Theology and Religious Studies as well as African Studies and the Sociology of Religion A Modern Ninety-Five Nancy A. Almodovar,2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God s grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God s blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike Prophets, Priests, and Kings: A New Way to Consider Spiritual Gifts Gabe Sylvia,2024-01-05 Toward the end of his life the Lord Jesus told the disciples the church would do the work that he had done and greater works in these last days Building on the finished work of Christ by the power and gifting of the indwelling Holy Spirit believers do these works as prophets priests and kings in what the church has called the gifts of the Holy Spirit Through study of the Old Testament saints who filled these offices Christ to whom they point and important New Testament texts Sylvia builds the paradigm for local church leaders to use to identify and deploy their church members in spiritually gifted ministry This paradigm is anchored in the Scriptures and can be used in congregations across the theological spectrum This book lays out a path for taking seriously the Lord s assertion that in these last days by the power of the Spirit and for the glory of God the church will do great things **Communion with God** Mark Virkler,Patti Virkler,1990-12 *The Revealer Of Secrets* Hank Kunneman,2011-11-14 We live in an age when events and circumstances fill us with questions and apprehension What is going on Why are these things happening What is going to happen next Like the commercial about E F Hutton the world is longing to eavesdrop on secret conversations that might reveal answers to our

tough questions In the Bible God always had a prophetic voice that carried His secrets to kings and leaders of nations In the same way today God desires for us to see and hear what heaven is up to concerning us here on earth This book gives important principles for receiving the secrets of the Lord whether they concern things such as terrorism violence and natural disasters or the daily occurrences of people in everyday life **Jesus Christ and the Last Crusade** James Shane, 2003-04
