Get A Great Job When You Dont Have A Job:

Dreamcrafting Paul Levesque, Art McNeil, 2003-02-16 Many people set out to achieve a dream starting a business or learning to play the piano or publishing a book but they don't succeed and the dream fizzles away. In many cases these people have lots of skills and expertise such as deep knowledge of the business or career they are interested in so why don't they succeed? Paul Levesque and Art McNeil have discovered that making a dream come true requires cultivating skills of a higher order: macroskills that inevitably spell the difference between success and failure no matter what the specifics of a person's dreams are. These are the skills Dreamcrafting outlines in detail.

Unleash Your Giant & Step into Your Greatness Jaha Knight, 2018-05-31 Unleash Your Giant Step into Your Greatness is a leadership book for entrepreneur women designed to help you shake loose your shrinking thinking and uncover the magnificent being you were made to be. As entrepreneur women we are each presented with a continuous stream of moments in life in which we exercise choices. The choices we make can either lead to self-defeating behaviors or to behaviors that affirm and honor our lives. Over time depending on the mix of our choices we are either headed for breakdowns or breakthroughs. Our power is in how we choose to lead ourselves within the breakdown or the breakthrough and in order to lead in business we must be clear on the leadership we provide to ourselves. Not believing in your greatness especially when faced with challenges stunts your growth. You can be a leader in place as long as you're committed to continual growth in your mindset, your language, and an understanding of self. But what happens when you stop growing or you stop believing in your greatness especially when faced with challenges? As women we tend to play small and that stops us from growing in the way we need to in order to honor leadership roles. Almost every entrepreneur worries about the fear of failure, not feeling good enough, and can even suffer from imposter syndrome at some point in their business journey. In this book and workbook you will discover tools to help you tap into your growth mindset so those big beautiful dreams you have can come into fruition. You are amazing but when it comes to receiving your blessings you find yourself stretched thin by trying to stay in your comfort zone. So it's time to get out of your comfort zone to rid yourself of limitations that hold you back from harnessing your power. So join us on this journey to equip you with the tools and techniques that will lead to exposing and resolving any self-limiting beliefs, fears, or actions that keep you from reaching personal greatness.
