Monkey Wu Ch'êng-ên, 2019-04-24 The classic Chinese novel Imagine a combination of picaresque novel fairy tale fabliau Mickey Mouse Davy Crockett and Pilgrim s Progress The Nation Probably the most popular book in the history of the Far East this classic sixteenth century novel is a combination of picaresque novel and folk epic that mixes satire allegory and history into a rollicking adventure It is the story of the roguish Monkey and his encounters with major and minor spirits gods demigods demons ogres monsters and fairies This translation by the distinguished scholar Arthur Waley is the first accurate English version it makes available to the Western reader a faithful reproduction of the spirit and meaning of the original Mr Waley has done a remarkable job with this translation Helena Kuo The New York Times The irreverent spirit and exuberant vitality of its portraiture make it an entertainment to which Mr Waley s witty translation has obviously contributed not a little The Times London Told with immense gusto and quite apart from its deeper meaning and wise proverbial sayings it is full of entertainment The Guardian *Encyclopedia of Asian American Folklore and Folklife* Jonathan H. X. Lee, Kathleen Nadeau, 2010-12-21 This comprehensive compilation of entries documents the origins transmissions and transformations of Asian American folklore and folklife Equally instructive and intriguing the *Encyclopedia of Asian American Folklore and Folklife* provides an illuminating overview of Asian American folklore as a way of life Surveying the histories peoples and cultures of numerous Asian American ethnic and cultural groups the work covers everything from ancient Asian folklore folktales and folk practices that have been transmitted and transformed in America to new expressions of Asian American folklore and folktales unique to the Asian American historical and contemporary experiences The encyclopedia s three comprehensive volumes cover an extraordinarily wide range of Asian American cultural and ethnic groups as well as mixed race and mixed heritage Asian Americans Each group section is introduced by a historical overview essay followed by short entries on topics such as ghosts and spirits clothes and jewelry arts and crafts home decorations family and community religious practices rituals holidays music foodways literature traditional healing and medicine and much much more Topics and theories are examined from crosscultural and interdisciplinary perspectives to add to the value of the work

Embodying Xuanzang Benjamin Brose, 2023 Xuanzang 600 602 664 was one of the most accomplished and consequential monks in the history of East Asian Buddhism Celebrated for his sixteen year pilgrimage from China to India his transmission and translation of hundreds of Buddhist texts and his training of a generation of masters in China Korea and Japan Xuanzang s life and legacy are the stuff of legend In the centuries after his death stories of his epic adventures and extraordinary accomplishments circulated in texts images songs and plays These mythic accounts recast the erudite pilgrim translator and court cleric as a magical monk who traveled not between China and India but between heaven and earth Beset by bloodthirsty demons this deified version of Xuanzang navigates the perilous paths of the netherworld to reach a pure land in the west His purpose is to acquire a cache of sacred scriptures with the power to safeguard the living and deliver the dead

Along the way he is guided and protected by a mischievous monkey a lazy pig a demonic monk and a dragon horse This imaginative and compelling tale received its fullest and most influential treatment in the famous sixteenth century novel Journey to the West In this engaging exploration of the confluence of myth narrative and ritual Benjamin Brose uncovers the hidden histories of Xuanzang s many afterlives Beginning in the eleventh century and continuing to the present day devotees have summoned Xuanzang and his band of misfit pilgrims to perform exorcisms guide the spirits of the dead and possess the bodies of insurgents Embodying Xuanzang traces the postmortem travels of China s greatest pilgrim and reveals the narrative and performative roots of China s best known novel **Books** ,1946 **Monkey** David Kherdian,2005-04-12 A classic of Chinese literature this beloved folktale is part adventure story part spiritual allegory now reimagined by a National Book Award nominee Part spiritual pilgrimage part historical epic the folk novel Journey to the West which came to be known as Monkey is the most popular classic of Asian literature Originally written in the sixteenth century it is the story of the adventures of the rogue trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures Much more than a picaresque adventure novel Monkey is a profound allegory of the struggle that must occur before spiritual transformation is possible David Kherdian s masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the original

Translation as Actor-Networking Wenyan Luo,2020-02-07 This book employs actor network theory ANT to explore the making of the English translation of a work of Chinese canonical fiction Journey to the West demonstrating how ANT as applied to Translation Studies can contribute to a richer understanding of the translation process The volume builds on previous research to apply ANT theory to translation studies by looking in depth at a single work highlighting the unique factors underpinning the making of Monkey Arthur Waley s English translation of the Chinese classic Journey to the West which make the work an ideal candidate for showing ANT theory in practice in translation Luo uses an in depth exploration of the work to examine the ways in which both human and nonhuman translation actors and agents interact in different ways in the publication of this translation showcasing them as dynamic changing and active participants whose roles shifted over the course of the translation process rather than as fixed entities as traditionally categorized in existing research The book moves beyond a descriptive account of an ANT based case study toward offering a systematic theoretical and methodological framework of ANT based translation studies using the conclusions drawn from its application to a single work to suggest a way forward for applying ANT in translation production on a wider scale This book will be of interest to scholars in translation studies sociology and comparative literature particularly those interested in actor network theory or network studies and their application to related disciplinary fields **Suggested Books for Indian Schools** United States.
