Imagine That Mark Fins,2017-10-03 The World of Mark Leonard Big hearted eight year old Mark Leonard lives on the brink of two worlds one steeped in the hardship of post World War II America where his father is consumed by financial woes the other where he s buoyed by his exceptionally vivid imagination In his imagination Mark is a heroic soldier a surgeon and a daredevil striving to live up to the ideals of the 1950s When his family uproots from Queens New York to

start afresh in Massachusetts Mark finds refuge from loneliness in an unlikely friendship with an eccentric wealthy elderly neighbor who has shut out the world following a debilitating accident Their mutual gift for conjuring up imaginary worlds to cope with reality which for Mark includes the confusing teachings of his Jewish faith leads them to push the boundaries between these two realms exploring the fine line between love imagination and the existence of God *Sinks Canyon Mystery* R. L. Newman,2008-09-24 This simple little adventure tale was originally written as a juvenile novel in 1964 while I was a teacher in Lander Wyoming It didnt impress publishers so I put it aside and later moved to Colorado and stored the manuscript in the attic and lost track of it Decades passed but I persistently thought of rewriting my book not to sell necessarily but for my own gratification and I pondered how it could be better I found the manuscript in early 2007 read it one more time and immediately set to work The result was a complete revision a total re write other than the title the locale and the basic plot Because I was no longer hampered by trying to satisfy an editor or agent I developed a style which frequently matches the way I really think and talk Some people who know me are thinking Yeah right disorganized repetitive foolish irreverent clich ridden etc etc Anyway I was satisfied with the result If you can read through the whole thing without losing interest or throwing up then I feel that I have achieved my goal of becoming a bona fide novelist **Round Full**

Circle Matt Webber,2008-10-06 Eric Marker had a plan for his life and it sure as hell didn t include any of this Last year his parents and fiancée were brutally murdered and all of the evidence points to him But it couldn t have been him because Eric saw the people responsible It will only prove his guilt to most people but he knows that the only way to prove his innocence is to take off for halfway across the country running from a series of carefully created lies while he slowly uncovers the biggest one yet Written with heart attack pacing and a lyrical machine gun style Round Full Circle is the kind of thriller and Matt Webber the kind of writer that grabs you by the throat and shakes you from the opening pages and doesn t let you catch your breath until the final word has been read Matt Webber lives in Colorado with his wife and son This is his first novel
