Get Up Get Out And Volunteer Get Up Get Out And Volunteer:

Get Up, Get Out, And Volunteer! Dale Wallenius, *Volunteer Service in Army of Cumberland* Charles Ransley Green, 1914 **The Peace Corps Volunteer, a Quarterly Statistical Summary** Peace Corps (U.S.). Division of Volunteer Support, 1962 **Report of the Royal Commission on the Militia and Volunteers** Great Britain. Royal Commission on the Militia and Volunteers, 1904 *Peace Corps Volunteer*, 1964 **The Peace Corps Experience** P. David Searles, 2021-12-14 For more than 35 years the Peace Corps has pursued John F Kennedy's vision of helping people of the Third World build a better life Yet with the exception of a few celebrations of its early years little effort has been made to document that organization's history Now a former deputy director of the Peace Corps offers a first hand look at life in the agency both in the field and at headquarters and a radical reinterpretation of its history during the Nixon and Ford administrations By the end of the 1960s the Peace Corps was in disarray Debate raged over its effectiveness and many new volunteers embraced the antiestablishment behavior of the day's youth When President Nixon appointed Joseph Blatchford as director in 1969 some insiders felt the agency's days were numbered especially when Blatchford set about re-evaluating the Peace Corps mission and initiated a program called New Directions to reorient its work Many observers simply lump Blatchford's efforts with the failures and faults of the Nixon administration David Searles however contends that the new director's initiatives revitalized the Peace Corps and made it a more relevant organization Searles faithfully relates the history of these policies and their implementation in the field drawing on his personal experience as country director for the Peace Corps in the Philippines He shows how despite constant carping from veterans of the early Peace Corps and much furor at headquarters New Directions reenergized the agency and renewed and reaffirmed the Peace Corps mission Searles's descriptions of political maneuverings are incisively observed and his firsthand characterizations of Peace Corps life richly impart the joys and frustrations of volunteer work The Peace Corps Experience will give historians a new perspective on the agency and will also interest anyone who has served in the Peace Corps or who wants to understand it **She's Not There** Mary-Ann Tirone Smith, 2014-05-27 In Poppy Rice's second venture the smart outspoken FBI agent's vacation is rudely interrupted by a sinister murder FBI agent Poppy Rice is rather unwillingly taking time off to recuperate from injuries sustained on the job A few days into her ill conceived vacation on Block Island with Joe her sometime lover and soul mate she happens upon a corpse dumped in the middle of the road The body of the victim a young girl from a summer camp for overweight teenagers is painfully contorted her face frozen in a death scream There are no visible wounds and the cause of death is a mystery Although Poppy is no stranger to gruesome scenes she is so disturbed by the murder that she can't help but defy her orders to rest Then just as she begins poking around another body is found in the same condition as the first this time the pathologist reveals another similarity the eardrums of both girls were ruptured Now Poppy must get to the killer before the killer gets to any more girls With no clue as to the murderer's method or motive she's going to need all the help

she can get But in the close knit tight lipped Block Island community secrets are kept even deadly ones in Mary Ann Tirone Smith's *She's Not There* *Hearings* United States. Congress. House, 1955 *Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments*, *Hearings* United States.
