Getting Mothers Body:

Getting Mother's Body Suzan-Lori Parks, 2004-04-13 Pulitzer Prize winner Suzan Lori Parks's wildly original debut novel *Getting Mother's Body* follows pregnant unmarried Billy Beede and her down and out family in 1960s Texas as they search for the storied jewels buried or were they with Billy's fast running six years dead mother Willa Mae *Getting Mother's Body* is a true spiritual successor to the work of writers such as Zora Neale Hurston and Alice Walker but when it comes to bringing hard luck characters to ingenious uproarious life Suzan Lori Parks shares the stage with no one *Black Female Sexualities* Trimiko Melancon, Joanne M. Braxton, 2015-01-26 Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation associating it with everything from desirability hypersexuality and liberation to vulgarity recklessness and disease Yet even as their bodies and sexualities have been the subject of countless public discourses black women's voices have been largely marginalized in these discussions In this groundbreaking collection feminist scholars from across the academy come together to correct this omission illuminating black female sexual desires marked by agency and empowerment as well as pleasure and pain to reveal the ways black women regulate their sexual lives The twelve original essays in *Black Female Sexualities* reveal the diverse ways black women perceive experience and represent sexuality The contributors highlight the range of tactics that black women use to express their sexual desires and identities Yet they do not shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes *Black Female Sexualities* takes not only an interdisciplinary approach drawing from critical race theory sociology and performance studies but also an intergenerational one in conversation with the foremothers of black feminist studies In addition it explores a diverse archive of representations covering everything from blues to hip hop from Crash to Precious from Sister Souljah to Edwidge Danticat Revealing that black female sexuality is anything but a black and white issue this collection demonstrates how to appreciate a whole spectrum of subjectivities experiences and desires **Absent Mothers** Frances Greenslade, 2017-09-01 Missing dead disappeared or otherwise absent mothers haunt us and the stories we tell ourselves Our literature from fairytales like Cinderella and The Little Mermaid to popular narratives like Cheryl Strayed's recent book *Wild* is peopled with motherless children The absent mother whether in literature or life may force us to forge an independent identity But she can also leave a mother shaped hole and a howling loneliness that dogs us through our adult lives This anthology explores the theme of absent mothers from scholars and creative writers who tell personal stories and provide the theoretical framework to recognize and begin to understand the impact of motherlessness that ripples through our cultures and our art

Mommysattva Jenna Hollenstein, 2021-09-03 *Mommysattva* is a wise funny and refreshingly real guide to what happens when the ideals of mindfulness practice meet the chaos of everyday motherhood Anne Cushman author of *The Mama Sutra A Story of Love Loss and the Path of Motherhood* In *Mommysattva* writer meditation teacher nutrition therapist and mom Jenna

Hollenstein envisions motherhood as the most spontaneous impossible and hard won path to wisdom and compassion The book is not a guide to motherhood it s a collection of bite sized essays examining motherhood as a spiritual journey that includes compassion and vast expansion of the heart It explores many of the felt experiences of those who mother from the intense metamorphosis of becoming a mother to the practice of motherhood as a teaching on what it means to be present to a mother s innately activist role in bringing about positive change And also irritation resentment endless snacks and sure vomit How to bring it all to the path without shame virtue signaling or setting up endless years of therapy for your kid Hollenstein in a deeply honest exploration of her own journey as a mother as well as her Buddhist practice offers a view of motherhood that is deep kind and real The essays shimmer with the message that every single thing we do as mothers is an opportunity to embrace the power love chaos and possibility of this magnificent path *Understanding Suzan-Lori Parks* Jennifer

Larson,2012-11-15 *Understanding Suzan Lori Parks* is a critical study of a playwright and screenwriter who was the first African American woman to receive the Pulitzer Prize for Drama Suzan Lori Parks is also the recipient of a MacArthur Genius Award a Whiting Writers Award a CalArts Alpert Award in the Arts two Obie Awards and a Eugene McDermott Award in the Arts In this book Jennifer Larson examines how Parks through the innovative language and narratives of her extensive body of work investigates and invigorates literary and cultural history Larson discusses all of Parks s genres play screenplay essay and novel closely reading key texts from Parks s more experimental earlier pieces as well as her more linear later narratives Larson s study begins with a survey of Parks s earliest and most difficult texts including *Imperceptible Mutabilities in the Third Kingdom* and *The Death of the Last Black Man in the Whole Entire World* Larson then analyzes *Venus In the Blood* and the Lincoln Plays *The America Play* and the Pulitzer Prize winning *TopDog Underdog* Larson also discusses two of Parks s most important screenplays *Girl 6* and *Their Eyes Were Watching God* In interpreting these screenplays Larson examines film s role in the popularization and representation of African American culture and history These essays suggest an approach to all genres of literature and blend creativity form culture and history into a revisionary aesthetic that allows for no identity or history to remain fixed with Parks arguing that in order to be relevant they must all be dynamic and democratic

Mommy Angst Ann C. Hall,Mardia J. Bishop,2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of *Gilmore Girls* influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election *Mommy Angst* *Motherhood in American Popular Culture* considers questions like these as it probes our country s views on mothers and how those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media *Mommy Angst* gets at the heart of America s anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood

while thoroughly undervaluing the complexities of their lives and their contributions to family and society To highlight the many sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus stay at home moms and more **Nervous and Mental Disease Monographs** ,1919 Nervous and Mental Disease Monograph Series ,1919 **The Psychoanalytic Review** ,1918 A Study of the mental life of the child H. von Hug-Hellmuth,1919
