At every turn the book goes beyond the events to explore the song's resonance and meaning. From its first lines Key's lyric poses questions: O say can you see Does that banner yet wave Likewise Clague's O Say Can You Hear raises important questions about the banner what it meant in 1814 what it means to us today and why it matters That's Not in My American History Book Thomas Ayres, 2004-04-27 History classes reduce America's story into a dry litany of dates names and places That's Not in My American History Book tackles the messy details reclaims disregarded heroes and sets the record straight This book explains why July 4th isn't really Independence Day reveals 19th century mudslinging that labels Andrew Jackson a murderer and even unveils the only vice president with a number one pop hit With insight wit and irreverence Ayres uncovers our overlooked past **The Writers Directory**, 2013 A Study of English and American Poets John Scott Clark, 1900 **A Smaller History of English and American Literature** Thomas Budd Shaw, 1878 *The Musical Standard*, 1864 **Collier's**, 1913
