A Better Way Michael Horton, 2003-05-01 Now in paper. There is a distinct weariness with market-driven showbiz worship. The pendulum has swung to the longing for transcendence, substance, challenge, and biblically driven worship. Michael Horton shows us the way. Robert Webber, president, Institute for Worship Studies, author of *Ancient Future Faith*. Horton's enlivening wisdom is surely a godsend to all evangelicals. J. I. Packer, Regent College.

Christ-Centered Worship Bryan Chapell, 2009-10 The bestselling author of *Christ Centered Preaching* provides a useful and accessible resource that traces the history of Christian worship and calls contemporary congregations to gospel faithfulness.

[The Gospel according to Daniel](#) Bryan Chapell, 2014-03-15 Often we read the book of Daniel in one of two ways: either as a book about a heroic man whose righteousness should inspire us to keep the faith no matter what our circumstances, or as a roadmap to the end times that can, through careful study, perhaps tell us the day and hour or nearly so of Christ's return. Both ways, says Bryan Chapell, are sadly missing the bigger picture: that God is the hero of this story and he is in the midst of his unrelenting plan to rescue his people from their sin and its consequences. We mustn't simply make the man Daniel the object of our worship nor the subject of our debates. We may differ about prophetic details, Chapell says, but we should never miss the point that the book of Daniel is like all of Old Testament Scripture: pointing us toward the grace of God ultimately revealed in Christ. Pastors, teachers, and individual Christians studying the book of Daniel will find this volume a welcome addition to their library.

Christ-centered Worship Hallellu Choi,2018 The Protestant church of South Korea witnessed remarkable growth since the Gospel was first preached in Korea in the nineteenth century growth in the second half of the twentieth century was particularly strong The Presbyterian church in South Korea however experienced decline since 1995 this was mainly due to Christians lack of good influence toward the non Christians in their lives Their good influence on non Christians in the world can be restored first by re educating them with biblical principles of worship and by encouraging them to live out those principles The purpose of this thesis is to suggest five principles of Christ centered worship for Christians in the General Assembly of the Presbyterian Church in Korea in Seoul to apply to their Sunday services and private life This study will introduce principles of Christ centered worship in the New Testament based on historical and theological evidence in the Scripture by examining worship in both Old and New Testaments This study will then survey fifty pastors and fifty lay people in the Presbyterian denomination especially in Seoul to understand their perceptions of worship and life to support the necessity of the five biblical principles Moreover this project will provide the five principles and their applications in public and private worship as a solution to the problem of church decline Hopefully the five principles established from this thesis can also serve as an important guide to help Christians in South Korea and beyond embody a true lifestyle of worship

Christ-Centered Sermons Bryan Chapell,2013-10-15 Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling Christ Centered Preaching This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in various types of sermons and various genres of the Bible The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes helping readers move from theory to practice In essence the book allows students and preachers to look over Chapell s shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments *Worship Quest* Steven D. Brooks,2015-03-10 *Worship Quest* serves as a guide to understanding foundational questions about worship and leading in worship *Worship Quest* offers a practical perspective on four roles of worship leadership and how they are to be fulfilled within various worship gatherings For those called to lead in worship as well as those tasked in hiring worship leaders it is important to understand the roles of worship leadership *Worship Quest* helps readers come to understand the different worship gatherings and the various roles of worship leadership and thus successfully fulfill God s call of leading in worship
