Chinnici, 2021-04-27 Situating the church within the context of post World War II globalization and the Cold War *American Catholicism Transformed* draws on previously untapped archival sources to provide deep background to developments within the American Catholic Church in relationship to American society at large Shaped by anti communist sentiment and responsive to American cultural trends the Catholic community adopted strategies of domestic containment stressing the close unity between the Church and the American way of life A focus on the unchanging character of God's law as expressed in social hierarchies of authority race and gender provided a public visage of unity and uniformity However the emphasis on American values mainstreamed into the community the political values of personal rights equality acceptance of the arms race and muted the Church's inherited social vision The result was a deep ambivalence over the forces of secularization The Catholic community entered a transitional stage in which those on the right and those on the left battled for control of the Church's vision International networking reform of religious life among women international congresses of the laity the institutionalization of the liturgical movement and the burgeoning civil right movement positioned the community to receive the Vatican Council in a distinctly American way During the Second Vatican Council the American bishops and theological experts gradually adopted the reforming currents of the world wide Church This convergence of international and national forces of renewal and resistance to them says Joseph Chinnici will continue to shape the American Catholic community's identity in the twenty first century *Transformed Thinking: A Defense of the Christian Worldview, King James Version* Dr. Tom Wheeler, 2020-01-01 Believers need to learn to defend the Christian worldview In today's world of varying religions it's becoming more important for a Christian to know what they believe and why they believe it In *Transformed Thinking* Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews providing arguments to support his beliefs Even though this book is purposed for the classroom setting it would be a beneficial read for any believer who wants to have a firm foundation on which to share their beliefs with unbelievers From the beginning of the world to the inerrancy of Scripture *Transformed Thinking* will provide you with solid answers for your faith Advance Praise for *Transformed Thinking* *Transformed Thinking* is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview Dr Brian Fairchild D Min Pastor Colonial Bible Church Midland Texas This book is a must read for every Christian layperson and leader in the Church Dr

Pope Francis, Marriage, and Same-Sex Civil Unions Todd A. Salzman,Michael G. Lawler,2024-05-15 In Pope Francis Marriage and Same Sex Civil Unions Foundations for the Organic Development of
