Christian Theology Sabda Org:

Urban Ecclesiology Pascal D. Bazzell, 2015-05-21 Pascal D Bazzell brings the marginal ecclesiology of a Filipino ecclesial community facing homelessness FECH into contemporary ecclesiological conversation in order to deepen the ecumenical understanding of today's ecclesial reality He contributes relevant data to support a theory of an ecclesial oriented paradigm that fosters ecclesial communities within homeless populations There is an extensive dialogue occurring between ecclesiologies church planting theories or urban missions and the urban poor Yet the situation with the homeless population is almost entirely overlooked The majority of urban mission textbooks do not acknowledge an ecclesial oriented state of being and suggest that the street level environment is a place where no discipleship can occur and no church should exist By presenting the FECH's case study Bazzell emphasizes that it is possible to live on the streets and to grow in the faith of God as an ecclesial community To be able to describe the FECH's ecclesial narrative Bazzell develops a local ecclesiological methodology that aims to bridge the gap between more traditional systematic and theoretical ideal ecclesiology and practical oriented ecclesiology e.g congregational studies in order to hold together theological and social understandings of the church in its local reality He articulates a theological framework for the FECH to reflect on who they are the essence of identity studies who they are in relationship to God the essence of theological studies and what that means for believers in that community as they relate to God and to each other in ways that are true to who they are and to who God intends them to be the essence of ecclesial studies The research provides a seldom heard empirical tour into the FECH's social world and communal identity The theological findings from the FECH's hermeneutical work on the Gospel of Mark reveal an understanding of church being developed as gathering around Jesus that creates a space for God's presence to be embodied in their ordinary relationships and activities and to invite others to participate in that gathering Moreover it addresses ecclesial issues of the supernatural world honor shame values and further develop the neglected image of the familia Dei in classical ecclesiology that encapsulates well the FECH's nature mission and place

The Law of Freedom

Daniel L. Rentfro Jr., 2019-10-29 The Law of Freedom Justice and Mercy in the Practice of Law examines the legal and theological roots of the concept of equity and the implications that the diminishment of equity as a legal concept has for the moral dilemmas faced by the practicing lawyer Meditating on the book of Micah the book argues that the Christian duty asks for both strict justice and gracious mercy with the prophet's third value humility essential for both the individual lawyer and the legal system as a whole to balance strict justice and mercy

Commonwealth and Covenant Marcia Pally, 2016-03-02 In *Commonwealth and Covenant* Marcia Pally argues that in order to address current socioeconomic problems we need not more economic formulas but rather a better understanding of how the world is set up an ontology of how we and the world work Without this good proposals that arise lack political will and go unimplemented Pally describes our basic setup as separability amid situatedness or distinction amid relation Though we are all unique individuals we become our singular

selves through our relations and responsibilities to the people and environments around us Pally argues that our culture's overemphasis on separability individualism run amok results in greed adversarial and deceitful political discourse and chicanery resource grabbing broken relationships and anomie Maintaining that separability and situatedness can and must be considered together in public policy Pally draws on intellectual history philosophy and especially historic Christian and Jewish theologies of relationality to construct a new framework for addressing present economic and political ills Issues in Science and Theology: Creative Pluralism? Michael Fuller, Dirk Evers, Anne Runehov, 2022-06-28 This book brings together selected papers from scientists theologians and philosophers who took part in the 2021 conference of the European Society for the Study of Science and Theology based in Madrid Spain The contributions constitute a cutting edge resource for considering questions from interdisciplinary perspectives covering both the crucial role played by images and models in our thinking and also the limitations which are inherent in these linguistic devices Questions addressed include Can this use of images and models generate a creative pluralism enabling us to think outside the disciplinary silos which are a feature of academic discourse Can they enable fruitful synergistic interdisciplinary conversations This book will appeal to students and academics alike particularly those working in the fields of philosophy theology ethics and the history of science Our Father, Our Teacher Christopher J. Reeves, 2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning **A Survival Guide for Heretics** Aaron Van Voorhis, 2016-11-18 So many people are leaving the church today because of its hypocrisy bigotry and intellectual dishonesty Such heretics find themselves in exile wondering if there is anything worth holding onto regarding Christianity and faith The answer is Yes but probably not in the way you think A Survival Guide for Heretics reveals that the scandalous heart of Christianity is about the death of religion and the resurrection of a new way of living in the world called the kingdom of God Drawing upon the fields of psychology philosophy and Radical Theology this book guides readers step by step through their own spiritual journeys and reveals how they got where they're at and how to move forward Along the way Aaron Van Voorhis addresses some of the hardest questions perplexing Christians today and offers some surprising answers As a pastor Aaron uses his personal story and the story of his church as examples of how Christianity might be embodied in the twenty first century Deeply informed by

the work of Peter Rollins and John D Caputo among others A Survival Guide for Heretics is a very accessible and necessary book for anyone struggling with their faith **The Asianization of Christianity** Jonathan D. James,2024-11-05 Christianity has long been associated with the West often creating a disjunction affecting the understanding of the essence of the gospel The Asianization of Christianity is a clarion call by Asian Christian leaders for the gospel to be indigenized by encouraging practitioners to seriously engage with both the Bible and the cultures of Asia The book demonstrates that both the theology and the presentation of the gospel need to be framed according to the mindset of the respective Asian cultures so that the message of the Bible can be understood and accepted Case studies on evangelism church and training models from several Asian nations are explored Core issues such as culture communication and contextualization underpin the practical cases to give depth and clarity for the effective communication of the gospel **Jesus** Alexander Anteyi,2016-08-13 Jesus His Words and Deeds eases its way into an intensive and energetic exploration of the central gure of the Christian faith by posing a thought experiment What if author Alexander Anteyi asks What if none of the specic concrete irreducibly historical events of the life of Jesus had occurred What if instead he came to share the generalities and vague inspirations so often spoken in his name today To help readers make their way through those suppositions Jesus provides a refresher to reacquaint readers with the person who is both Son of God and Son of Man e seven sections in Jesus lay the foundation root the history review the creation characterize biblically grounded doctrine identify Jesus and explore his ministry In the end the reader faces the big question Who is Jesus Christ to you By investing yourself in the joyful work of coming to know Jesus Christ through his words and deeds you can emerge from your time immersed in the pages of Jesus His Words and Deeds in a position to answer that big question with courage and conviction and with cleareyed awareness of the identity of message of historys central gure

ESSAYS IN EARLY CHRISTIANITY Jonathan Ramachandran,2025-07-13 Is there hope beyond the elect What did the earliest Christians believe about prophecy judgment and salvation In ESSAYS IN EARLY CHRISTIANITY Jonathan Ramachandran explores ancient theological possibilities grounded in Scripture and the writings of the earliest Church Fathers With careful adherence to the historical grammatical method and a commitment to literal biblical interpretation Ramachandran revisits the long forgotten Chiliasm model a belief in the literal thousand year reign of Christ on earth as taught by voices like Justin Martyr Irenaeus and Papias This volume offers bold insights into the prospect of Non Elect Salvation the idea that some may be saved outside the elect Bride of Christ not through presumption but through divine mercy and postmortem judgment Through in depth analysis of Scripture and early Christian testimony Ramachandran raises provocative questions Are there two distinct resurrections separated by 1 000 years Do Revelation and 1 Corinthians 15 describe gradations of resurrection glory Could the surprised sheep of Matthew 25 represent non elect salvation Designed for pastors seminary students and thoughtful churchgoers this accessible yet rigorous work is not speculative theology but evidence driven inquiry Readers are invited to examine early Christian prophecy with open Bibles and discerning minds

25 IMPORTANT QUESTIONS ABOUT GOD, BIBLE, AND LIFE JENUS JUNIMEN, 2025-02-11 Many Christians still do not understand the concept of God they think that just by being a Christian they are guaranteed salvation and will go to Heaven Because of this thinking they feel free to sin and live in hypocrisy Moreover many Christians go to church but do not understand who God is Why should they worship God Is the God of Christians the same as the gods of other religions Why should they go to church Additionally there are many dilemmas in life especially those related to Christian Ethics such as Is smoking a sin Is drinking alcohol allowed And many more questions that are difficult to answer This book presents answers from a biblical perspective so that ordinary Christians can easily understand the truth For young people this book is a must have and an important resource May this book be a blessing to many people Soli Deo Gloria

To Will and To Do Vol II Jacques Ellul, 2023-01-01 In To Will and To Do twentieth century French thinker Jacques Ellul presented his landmark theological contribution yet the full text has never before been available in English Incorporating recent insights on Ellul and benefitting from the discovery of a lost manuscript this new publication remedies this combining a fresh translation of Volume One with a first English translation of Volume Two Together the two volumes constitute the first part of Ellul's planned four part treatment of Christian ethics In Volume Two Ellul examines the origin of the problem of Good and Evil surveys the contemporary morality of Western society and provocatively sketches the paradox of an impossible and yet necessary Christian ethics In Volume Two he carries this discussion forward outlining the characteristics and conditions of Christian ethics and analysing the relationship between ethics the legal texts of the Bible and dogmatic theology He concludes by reimagining the theological use of the analogy of faith for scriptural interpretation Throughout Ellul remains in dialogue with Karl Barth Dietrich Bonhoeffer Paul Ricoeur and others helping to cement To Will and To Do as a major intervention in twentieth century theological ethics

Smither, 2021-04-07 Did the Reformers lack a vision for missions In Sixteenth Century Mission a diverse cast of contributors explores the wide reaching practice and theology of mission during this era Rather than a century bereft of cross cultural outreach we find both Reformers and Roman Catholics preaching the gospel and establishing the church in all the world This overlooked yet rich history reveals themes and insights relevant to the practice of mission today

Music, Education, and Religion Alexis Anja Kallio, Philip Alperson, Heidi Westerlund, 2019-09-20 Essays examining the role of religion in music education from

a variety of perspectives Music Education and Religion Intersections and Entanglements explores the critical role that religion can play in formal and informal music education As in broader educational studies research in music education has tended to sidestep the religious dimensions of teaching and learning often reflecting common assumptions of secularity in contemporary schooling in many parts of the world This book considers the ways in which the forces of religion and belief construct and complicate the values and practices of music education including teacher education curriculum texts and teaching repertoires The contributors to this volume embrace a range of perspectives from a variety of disciplines examining religious agnostic skeptical and atheistic points of view Music Education and Religion is a valuable resource for all music teachers and scholars in related fields interrogating the sociocultural and epistemological underpinnings of music repertoires and global educational practices The book serves as a study volume for all those who are active in this field and provides both systematic reflections and useful empirical studies A further impressive feature is the regional and religious breadth of the content presented and examined Wolfgang W M ller Reading Religion

To Will & To Do Jacques Ellul, 2021-04-28 To Will To Do presents one of the most significant theological contributions of the dynamic twentieth century thinker Jacques Ellul Benefiting from recent scholarship on Ellul and a discovery of a lost manuscript this new edition renders the full text available in English for the first time combining a fresh translation of volume I with a first English translation of volume II Together the two volumes constitute the introductory first part of Ellul s planned four part treatment of Christian ethics Volume I examines the origin of the problem of good and evil outlines the contemporary morality of Western society and provocatively sketches the paradox of an impossible and yet necessary Christian ethics Volume II carries this discussion forward outlining the characteristics and conditions of Christian ethics It then treats the relationship between ethics and the legal texts of the Bible the relationship between ethics and dogmatic theology and concludes by reimagining the theological use of the analogy of faith for scriptural interpretation In constant dialogue with Karl Barth Dietrich Bonhoeffer Paul Ricoeur and many other theologians and philosophers To Will To Do constitutes a major intervention in twentieth century theological ethics

Hidden in Contradiction Jeff McSwain, 2023-09-22 Does God s grace grab you and stir you to purposeful Spirit filled living Or is the gospel that you hear and preach big on belief and short on embodiment Do you see a need for change whether personal ecclesial or social that transcends us righteous vs them wicked polarizations Beginning with every person s participation in Christ as a keystone to creation Jeff McSwain introduces the vibrant reality of Trinitarian community and shows us the dangers of losing sight of the belovedness we share as humans hidden with Christ in God Avoiding simplistic categories McSwain exalts the total goodness of every person in this world by virtue of creation in Christ while also acknowledging the simultaneous contradiction the total depravity of every person by virtue of the fall If ignoring our human duplicity contributes to relational fractures at every level McSwain s dimensional view of human agency urges us to embrace the redemptive truth of our identity in Christ and to refuse our false destructive selves that have been crucified with Christ

Filled with scriptural exegesis and practical illustrations that pastors and teachers will especially appreciate this project is a refreshing application of Christology to anthropology and everyday life an inspiring work of systematic theology aimed at systematic change **Evangelical Exodus** Douglas Beaumont, 2016-01-06 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary's founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone 25 PERTANYAAN TENTANG TUHAN,

ALKITAB, DAN KEHIDUPAN JENUS JUNIMEN, 2025-01-15 Buku 25 PERTANYAAN TENTANG TUHAN ALKITAB DAN KEHIDUPAN membahas tentang pertanyaan pertanyaan penting yang seringkali ditanyakan oleh banyak orang termasuk di dalamnya orang Kristen Buku ini memberikan pencerahan yang membuat orang mengerti tentang siapa Tuhan Alkitab maupun tentang kehidupan Dengan bahasa yang mudah dimengerti tidak bertele tele lengkap dan jelas akan membuat iman orang Kristen semakin bertumbuh dalam kebenaran Kiranya buku ini bisa menjadi berkat bagi banyak orang Soli Deo Gloria

Pastoral Ethics, Second Edition W. Ross Hastings, 2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In Pastoral Ethics W Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God's life and God's work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love Pastoral Ethics is an essential guide for Christians in all ministry contexts *DI ATAS DASAR YANG TEGUH* Markus Dominggus, Rony Samuel
