Living with Learning Disabilities and Disorders Peter Kogler, 2019-07-15 Although learning disabilities are believed to affect a significant number of children not all of those children receive an actual diagnosis While school officials teachers and parents continue to improve education for these children the general public still has misconceptions about learning disabilities and how to help those affected by them This detailed look at learning disabilities aims to educate readers through relatable text and engaging sidebars Annotated quotes from experts up to date statistics and new technologies are explored as well as the causes of and common misconceptions about life with dyslexia dyscalculia dyspraxia and more

No Heels, No Problem Maxine Roper, 2025-08-21 Are you a dyspraxic or ADHD woman or do you think you might be Does a lot of life advice for women feel like it's not quite meant for you Were you told you'd grow out of dyspraxia or ADHD as a child not grow into them as a woman If you want to understand what dyspraxia or ADHD means to you as an adult and a woman this book is for you It will support you in every part of your neurodiversity journey and help you understand what dyspraxia and ADHD mean to you as a woman in your relationship with others yourself and even your body It's the survival guide I wish I had growing up so I have written it for you instead Sometimes uplifting and humorous and at other times unflinchingly honest about life's rock bottoms think of reading this book as having a coffee with someone who's seen the best and worst of life and is ready to

cheer you on when you're doing great and be there for you when you fall **Living with Dyspraxia** Mary Colley, 2006-08-15 This book was written to help all adults with Dyspraxia tackle the everyday situations that many people take for granted. It is full of practical advice on everything from getting a diagnosis to learning how to manage household chores. Topics addressed include self-esteem and how Dyspraxia often interacts with other conditions *The Palgrave Handbook of Research Methods and Ethics in Neurodiversity Studies* Hanna Bertilsdotter Rosqvist, David Jackson-Perry, 2024-09-28 This timely volume brings together well-established scholars and emerging voices to explore research methods and ethics in Neurodiversity Studies. It explores the epistemic injustice that currently surrounds much knowledge production around neurodivergence and offers concrete examples of creative participatory and collaborative research practice in the field. The editors have assembled chapters combining reflexive theoretical and practical contributions. Together they address current debates surrounding participatory methods and Neurodiversity Studies and are unique in giving voice to mainly neurodivergent researchers and contributors across autism, ADHD, acquired brain injury, and multiple neurodivergence. The first of its kind, this much-needed volume contains essential reading for all those learning and teaching in the field of neurodiversity. It further represents a valuable resource for students and academics at all levels, participatory or creative researchers, research commissioners, and research evidence users across the social sciences **We are the Dyspraxia Champions!** Alison Patrick, 2024-10-21 If you're dyspraxic, you might struggle with things like balance, being messy, or breaking things, or even spatial awareness. But dyspraxic kids also have lots of talents and strengths. In this book, you will meet different dyspraxic children who can do amazing things. You might recognise some of these strengths as things that you can do too. Some dyspraxic children have excellent memories, some are super flexible, some love making their friends laugh, or have brilliant imaginations, some are great at focusing really hard, and some have loads of energy and bounce off the walls. Each character also shares things that you can ask grown-ups to do to support you, like giving you exercises to strengthen your body, setting routines at school and home to help with your anxiety, aids to help with handwriting, and allowing fidget toys or doodling to help you focus. This book also provides guidance for parents and teachers with advice on how they can support children with suspected or diagnosed dyspraxia at home or in the classroom, and provides further resources and bonus content *How to help your Dyslexic and Dyspraxic Child* Sally McKeown, 2012-01-23 How can I help my child that has got dyslexia or dyspraxia? Perhaps you've just found out your child has dyslexia or suspect your child may have dyspraxia. This can be a confusing time for any parent full of worry and uncertainty. Author Sally McKeown gets right to the heart of the matter in *How to Help your Child with Dyslexia and Dyspraxia*. She brings you expert knowledge of exactly what dyslexia and dyspraxia are and how they can affect your child's life. Through the experiences of other parents, Sally dispels common myths and helps you to better understand and support your child. From getting a diagnosis to making sure you get enough support from your school, this guide is packed with advice to make your life easier. It's packed with practical ways to help your child

including how to build your child's confidence if it has been knocked how you can help with homework without doing it games activities and hobbies to improve co-ordination and motor skills different ways of learning that your child will respond to Written in a friendly style with other parents' experiences littered throughout you will find it easy to put this advice into action and help your child
