Calamity Jena Invertry Volume 4:

Calamity Jena Janet Elizabeth Henderson, Jena Morgan Atlantic City's favorite go go dancer may have overreacted when she found her boyfriend balls deep in a stripper called Candy. Instead of washing her eyeballs with bleach she drank a bottle of tequila and bought a house off the internet. A house far away from her cheating criminal of an ex boyfriend. A house in Scotland. As soon as she turns up to claim her new home Jena finds out exactly why you shouldn't one click houses while falling down drunk. It was a dump. With no money and no skills outside of shaking her booty Jena does the only thing she can do she throws herself into the biggest DIY project the Highlands have ever seen. Since Jena's arrival in town Officer Matt Donaldson's workload has tripled. The woman is a menace gorgeous yes but definitely a few sandwiches short of a picnic. Her only discernible skill seems to be causing chaos wherever she goes. She attracts trouble like honey attracts bears. Which is why Matt isn't surprised when her ex boyfriend turns out to be a member of the New Jersey mob. Although Jena's ex has come to Scotland to win her back she wants nothing to do with him. A reaction the mobster does not take well. Overnight Matt's job morphs from hunting missing cats and breaking up fights at the old folk's home to chasing down the mob and keeping Jena alive. And he's trying to do it all while remaining professional enough to keep his hands off his sexy but crazy American charge. This is book 4 in the Invertry Scottish Highlands series but can be read as a standalone novel. [Here Comes The Rainne Again](#) Janet Elizabeth Henderson, Kirsty has planned the perfect Leap Day wedding. And it's all falling apart. The Scottish Highlands are in the middle of the worst snow storm in decades. Cell towers are down electricity is out and roads are closed. In true Invertry style the town's folk have decided to ignore the weather and carry on with the party. Kirsty is at the castle in the middle of her hen night and having second thoughts about the wedding. Lake is enduring his stag do at the town's only pub helpfully organised by his best man. Eighty nine year old Betty Rainne Lake's sister has come back to town after three years away to not only attend the wedding but to see if Alastair will give her a second chance to love him. Oh yeah and a whole bunch of men with guns have surrounded the castle. The castle is under siege. The town is under snow. The men are stuck at the pub and the women are on their own. With emotions running high snow falling hard and lives on the line the residents of Invertry are about to stage the wedding of the century. PLEASE NOTE Unlike the rest of the books in my Invertry series this one isn't a standalone novel. *Here Comes The Rainne Again* follows up on the characters in the first book in the series *Lingerie Wars*. Because of this I recommend that you read *Lingerie Wars* before *Here Comes The Rainne Again* otherwise you might get a bit lost and we don't want that. Lucky for you *Lingerie Wars* is currently free to download. Happy reading. **Relentless** Janet Elizabeth Henderson, A missing mummy. A drug cartel. An ex US Army Ranger. And a woman who's at odds with the world. It's *Relentless*. There's no hiding the fact that Julia Collins has issues. She's shy to the point of trying to become invisible. She has OCD tendencies breaking out in hives if she loses control of her environment. She finds it hard to talk to intimidating men or more accurately to any men. A fact that makes working as the office manager for Benson

Security particularly difficult the company is made up almost entirely of huge intimidating ex military men But none of the men affect her the way Joe Barone does The ex marine is charming confident heroic and so sexy it hurts to look at him Everything about Joe intimidates Julia And that s why when he declares his interest in her she does the only sensible thing she hides There s a limit to how long Joe Barone is going to tolerate Julia hiding So what if she has a few issues They don t detract from her many attributes She s gorgeous smart generous and kind Which guy wouldn t want a woman like that by his side So when her grandmother gets arrested in South America Joe sees a perfect opportunity to show Julia how good they d be together Julia needs someone to accompany her to Peru someone who speaks Spanish and who doesn t crumble in the face of authority Julia needs Joe But when they get to Lima they discover things are much worse than they were led to believe With danger at every turn and lives on the line Julia is forced to get past her issues and trust in Joe her life depends on it

wounded veteran who lost his purpose when he lost his legs in battle and a single mother who only sees the hero he's become. He's lost his purpose. Callum McKay was an SAS officer when a car bomb took his legs. After his recovery, he became partner in an international security firm, one that dealt with the things governments weren't able or willing to deal with. As far as Callum is concerned, he's still the same able, competent, and commanding guy he was before his accident. And then he was proven wrong. After a screwed-up mission in South America, Callum realized he was no longer an asset to his team. He was a liability. With his purpose and faith in his abilities shattered, Callum turned his back on the security company and returned to the house his grandfather left him in Arness, Scotland. He was no longer fit for action. He was no longer fit for life. He was no use to anyone at all. She's giving it back whether he wants it or not. Single mother Isobel Sinclair has made a lot of stupid decisions in her life. But the dumbest one has to be removing a dead body from the beach outside of her house. She panicked when she saw the dead man and was too scared to call the police in case they found out her secrets and threw her in jail. Who would look after her kids if she was gone? No, there was no calling the police. That's why the body ended up in her freezer and she ended going to the most terrifying man in Arness to ask for help. Callum McKay was obviously hiding from the world and clearly didn't want to get involved with anyone or anything. Unfortunately for him, he wasn't going to get a choice in the matter because only Callum could help Isobel now.

When Flynn's wild life overflows into Abby's nice, contained one, the next thing she knows, she's featuring in the tabloid press. Flynn doesn't see the big deal, but then he doesn't have a stuck-up mother who would like nothing more than to take Abby's child from her and raise her properly. Abby has one week to prove that she's giving her child a stable, sensible, and nurturing environment or she could lose her baby. Even though her business is failing and Abby is barely holding it together, she knows she can show the courts exactly what they need to see in order for her to keep her child. The only problem is Flynn. He's right next door. He's dragged her into his mess of a life. And he's going to make Abby lose her child. Unless.
