A Cowboy Bible Study Mike Coe, 2020-11-02 The title of this book is from that of which it came a group of cowboy believers wanting to know what the Bible really says about the return of Christ Jesus to planet earth John the revelator was in the Spirit on the Lord s Day when he heard a loud voice speaking to him as of a trumpet The voice said to him I am the Alpha and the Omega the First and the Last What you see write in a book and send it to the seven churches which are in Asia It is clear that God wanted to get a message out to the believers It is that message that we at Cowboy Country Fellowship seek to understand In our world today we have many who teach on the book of Revelation Our problem is that they cannot all be right Some teach a pre tribulation Rapture Others teach a mid or post

tribulation Rapture that must take place at the return of Christ Still there are others that teach something totally different So who is right Not everyone is going to be right What is the truth concerning the coming of our Lord Jesus Christ and our gathering together unto him We wanted to know It was readily accepted that the only way to know the truth was to know it for ourselves We set aside our preconceived ideas brought about through doctrinal teaching and set out to learn the truth from the Scriptures for ourselves If something didn't fit we would acquit any preconceived idea not backed up in Scripture as unprovable Nonetheless it was difficult to let go of some things we had held so dear from our lack of knowledge It is much easier to believe something that may not be true when it sounds so good and requires little effort Few are willing to suffer for His cross For the first year we spent a lot of time on the words of Jesus given to the early church leaders in Matthew chapter 24 which took us to the book of Daniel In Daniel 2:44 it says And in the days of these kings the God of heaven will set up a kingdom which shall never be destroyed and the kingdom shall not be left to other people it shall break in pieces and consume all these kingdoms and it shall stand forever We therefore set out to identify if those kingdoms were in existence today After a rather hard start we began to fit Scripture with Scripture found in both the old and New Testament We began to understand the symbolism God used in scripture based on prophecy already fulfilled We studied the symbols used concerning the coming of Christ Jesus to become the only propitiation for our sins that God would accept After about a year we were ready to begin a detailed study into the book of Revelation written by the only disciple of the twelve who lived to an old age who was not martyred killed for the testimony of Christ Some will escape the sword It may interest you to know that Daniel and John the revelator are the only two men in the Bible of which it is written of them personally that God either greatly loved or whom Jesus loved We know that God loves us all John 3:16 tells us that But for some reason God saw to it to mark these two men by saying he loved them in Scripture You can find it in Daniel 10:23 and John 10:19 and both wrote some of the most prophetic words ever written Enjoy this study Time is running out to forever know the truth within our hearts for ourselves All we need is the want to God will do the rest to open our understanding You will find that this study places Scripture with Scripture line upon line here a little and there a little and precept upon precept as it is written within the scriptures This study is much more than just a bunch of drug store want a be cowboys blowing off steam We discovered Truth It is exciting to begin a new year with a president who is not a polished politician Will he drain the swamp Or will he become a creature of the swamp Will he keep his promises Or will he morph into broken promises as one of

P. Sandul,M. Scott Sosebee,2019-10-10 How is it that nearly 90 percent of the Texan population currently lives in metropolitan regions but many Texans still embrace and promote a vision of their state's nineteenth century rural identity This is one of the questions the editors and contributors to Lone Star Suburbs confront One answer they contend may be the long shadow cast by a Texas myth that has served the dominant culture while marginalizing those on the fringes Another may be the criticism suburbia has endured for undermining the very romantic individuality that the Texas myth celebrates From the 1950s to the present cultural critics have derided suburbs as landscapes of sameness and conformity Only recently have historians begun to document the multidimensional industrial and ethnic aspects of suburban life as well as the development of multifamily housing services and leisure facilities In Lone Star Suburbs urban historian Paul J P Sandul Texas historian M Scott Sosebee and ten contributors move the discussion of suburbia well beyond the stereotype of endless blocks of white middle class neighborhoods and fill a gap in our knowledge of the Lone Star State This collection supports the claim that Texas is not only primarily suburban but also the most representative example of this urban form in the United States Essays consider transportation infrastructure urban planning and professional sports as they relate to the suburban ideal the experiences of African Americans Asian Americans and Latinos in Texas metropolitan areas and the environmental consequences of suburbanization in the state Texas is no longer the bastion of rural life in the United States but now for better or worse represents the leading edge of suburban living This important book offers a first step in coming to grips with that reality **A Cowboy's Whispered Psalms** Kip Sawdy,2010-03 In my mouth was a loaded 357 I planned to make my way to heaven I had been living in sin My hopes had all grown dim But it wasn't my time And I couldn't take something that wasn't mine In A Cowboy's Whispered Psalms author Kip Sawdy takes readers on a wild ride sharing his deepest struggles greatest victories and darkest defeats Through a combination of poetry and narrative Sawdy tells his story the good the bad and the ugly and acknowledges his innate need for and dependence on God But Sawdy hasn't always had such faith and hope He's spent his fair share of time on the other side of the fence with sin as his constant companion Through each poem Sawdy shows us that despite all of our imperfections God loves us through his perfect Son His story is a call to repentance a call to fight the fleshly desires that so often undermine even the strongest convictions A Cowboy's Whispered Psalms is the perfect

book for anyone in need of inspiration and encouragement Sawdy's use of poetry personal insights and scripture are a testimony to God's faithfulness in times of trouble whether that means staring down the end of a barrel facing a mean bull or fighting the devil within *Get Married for Christ's Sake* Kenny Jackson,2011 *Get Married For Christ's Sake* was written to help Christian singles adjust to the realities of marriage *A Cowboy's Heart* Loretta Bivens,2018-04-29 Joe Lee Anderson just received his veterinarian license and is eager to open up his own equine clinic He already has a five year plan mapped out That is until his mother Zo Anderson interrupts that plan when she tells him Jake Garrison the father he never knew is ill and possibly dying He is further shaken when his mother tells him she not only wants to go to Oklahoma to see his father but also wants him to go with her Much to their surprise when they arrive in Oklahoma they find Jake is very wealthy and has another son JW and when Joe Lee meets his brother for the first time he realizes they have more in common than just the same father After an emotional reunion Jake and Zoe rekindle their romance and the brothers face their own issues regarding their reunion Sadly when tragedy strikes the brothers are forced to learn quickly how to work together for the sake of family and through this tragedy they learn to love and trust one another *A Cowboy's Heart* knows real love is not in the carnal desires of the flesh but the eternal unconditional love of Jesus Christ *Christ's Discipleship Deal* Richard Christenson,2018-01-08 As a former pastor Richard Christenson has had the opportunity to address numerous congregations and men's ministry groups throughout the northwestern United States and his observations from these experiences are alarming He found that comprehensive discipleship training that addresses the spiritual formation and mission involvement requirement of Christ's followers has been replaced by felt needs driven programming and religious education classes The result is local churches are becoming increasingly ingrown and are comprised of consumers spectators and Jesus fans rather than cross carrying followers of Jesus Christ Richard Christenson believes this problem is the result of our incomplete presentation of the Gospel and our failure to provide comprehensive maturity ministry and mission training for church members Christ's discipleship deal comes with many temporal and eternal benefits but there are also costs involved that need to be counted before making a commitment to become a follower of Christ In his new book *Christ's Discipleship Deal* Christenson offers assistance for local church leaders in identifying and correcting concerns related to their presentation of the Gospel spiritual formation of their members and proactive participation in Christ's redemptive mission **Evangelical America** Timothy J. Demy,Paul R. Shockley Ph.D.,2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of *Evangelical America* An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work's coverage of the many
