Latter-day Saint Theology among Christian Theologies Grant Underwood, 2025-03-13 How do the beliefs of Latter day Saints compare with traditional Christian theology Grant Underwood provides answers to this question that are clear detailed and thoughtful Writing for a broad and interested Christian audience he systematically brings Mormon thought into conversation with main currents of Christian theology He focuses on major topics that have engaged Christian thinkers over the years who God is who Jesus Christ is who we are how we are saved what the church is and what the future holds for human history as well as for individual human lives Most chapters follow a format in which relevant themes are introduced with an overview of significant Christian reflection on the topic followed by an exploration of Latter day Saint thought on the subject Throughout the book Underwood's goal is to analyze not catechize While the author is a practicing Latter day Saint that reality only enhances his appreciation for the theology produced by centuries of fellow Christians of faith who in Anselm

s words have diligently and devoutly sought understanding Underwood seeks to facilitate mutual understanding among Christians who may worship differently who conceive of God and God's relations with humanity differently and who articulate their religious beliefs in terms and concepts that are unfamiliar to each other Readers of this book are invited to approach its sympathetic presentation of such Christian theologies including that of the Latter day Saints with an openness and curiosity that can lead to a more accurate nuanced understanding of the doctrines discussed

**Charismatic Pastoral Care of the Terminally Ill and Chronically Disabled** Jomon K. John, 2016-09-02 Healing of the sick is a prominent theme in the biblical narratives However when it comes to caring for the chronically and terminally sick there are no clear directives in the New Testament describing how the church may minister to them There are significant differences in the way many churches approach this matter Even among the charismatic churches that believe that the gifts of the Holy Spirit including miraculous healing are available to present day believers there are differences in the way the sick are cared for This book investigates the pastoral challenges with regard to chronic infirmities and terminal illnesses in a charismatic church context This is undertaken with the understanding that many who are chronically and terminally ill in this context present poor medical prognosis and have remained unhealed in spite of prayers Clear foundational values are drawn for defining the pastoral challenges and objectives Three true cases present in public domain are presented and analyzed to identify the challenges The pastoral care objectives are defined and strategies are drawn to meet these The findings and conclusions would be relevant to the pastors the sick and those who care for them and indeed the whole church The author is personally involved in the care of the sick as a practicing surgeon as well as a pastor Being a pastor in a charismatic church that believes in praying for miraculous healing of the sick and practicing modern medicine the author is faced with the challenges of pastoral care for those with poor medical prognosis who remain unhealed in spite of believing in prayers they are very close to his heart The author provides the foundational principles and goals in the pastoral care of such situations and outlines the strategies for doing so without compromising the conviction that Jesus Christ still heals the sick

**Spirits of the Lesser Gods** Rhonda McClenton, 2007-02 Reiki is an emerging adjunctive therapy that claims to provide physical and psychological healing as well as an experience of spiritual connection It is increasingly employed in counseling centers hospitals and even churches Reiki is believed by many to be a safe non invasive healing intervention that draws individuals towards God Reiki practitioners maintain that they imitate Jesus laying on of hands and claim that their praxis is essentially the same as the healing used by Jesus as well as by Buddha An ethnographic multi case study was performed comparing the experiences of nine individuals four who received Reiki therapy and five who received Christ based hands on healing The long interview format was employed The transcribed data were coded and analyzed for similar and distinct themes In addition a brief survey was utilized to determine the spiritual interests and involvement of each participant and the spiritual consequences of their healing experiences The findings indicate that Reiki healing is distinct from that which is depicted in the Bible Reiki appears

to open up individuals to an energy based healing modality that is spiritual in nature but is not specifically Christian As reported by Reiki practitioners it is a spirituality which welcomes shamanism psychic healing clairvoyance spirit guides and a host of other metaphysical practices as individuals become more intimately involved In addition the research demonstrates that Reiki therapy over time can cause physical emotional and spiritual harm The writer contends that biblical healing which at its core is soteriological and dependent upon the ministry of the Holy Spirit heals mind body and spirit without harmful consequences

**The Art of Healing Prayer** Charles R. Ringma, Mary Dickau, 2015-12-10 The Art of Healing Prayer aims to help both clergy and laity to develop a greater understanding of those who come seeking healing and to become skilled in praying for such people biblically imaginatively and sensitively The authors recognize that this is a costly ministry requiring counsellors to find time in their own often busy lives to guide others and necessitating that they continue to be open to the gifts of God's grace However it is a ministry that often results in joy and transformation as those healed from long standing inner woundedness become sources of goodness and healing for others

**Stand and Deliver** Tim Scott, Beth Scott, 2004-05 Stand and Deliver is a practical manual for deliverance ministry It is designed to present usable instruction for the conduct of deliverance ministry Christian Religion

**Five Fold Cycle** Kenneth L. Fabbi, 2016-01-21 Receiving the Lord's Healing is simple you just need to open to Him cleanse life's issues and ask for His healing This book outlines a Method of Healing Personal Hurt entitled The Five Fold Cycle It is simple and can be used to aid in the healing of memories healing of emotions healing of self image and healing of relationships It is a method of fine tuning healing prayer to better utilize the Lord's pruning and cleansing Scripture describes the Lord's pruning cleansing in this manner I am the true vine and my Father is the vinegrower He removes every branch in me that bears no fruit Every branch that bears fruit he prunes to make it bear more fruit John 15:1-2 Our task is to take each area of our life body mind soul spirit to the Lord and bring it under His Light and Lordship His rule Each is a mini conversion experience dying to self renewing the old How simple are the wonders of the Lord's Healing in our life

**Can I Get a Witness , Spiritual Healing** Fraser Watts, 2011-01-06 There has recently been much interest in the relationship between science and religion and how they combine to give us a binocular perspective on things One important phenomenon which has been neglected in recent work is the concept of spiritual healing This edited collection explores a variety of approaches to spiritual healing from different religious points of view identifying both what it is and how it works The authors also explore the biological and

psychological processes open to scientific enquiry through which healing may be mediated As such this book indicates the central proposition that religious and scientific perspectives answer different questions about healing and there is not necessarily any conflict between them      **Unfinished Business** Christo Thesnaar, Len Hansen, 2020-07-31 This publication takes one back to the Truth and Reconciliation Commission's TRC Faith Communities Hearings in 1997 and the re enactment of those hearings in 2014 Some communities revisit their support of those in power and their change of heart Others revisit their struggle against the regime and its ideology All also revisit promises made in 1997 to work together individually and collectively toward a new society post 1994 After twenty years the same faith communities and some additional ones and some prominent South Africans who played leading roles in the run up to and during the hearings ask what faith communities promised at the time and whether this has been achieved by 2014 Over two days together with local and international observers they again face the past but also the unfinished business in the present and future of a just reconciled and transformed South Africa so clearly envisioned by the TRC in 1997      *Inside the Miracles of Jesus* Jessica

LaGrone, 2019-01-15 Jesus demonstrated the presence and power of God by performing miracles He turned water into wine healed the sick calmed the storm opened blind eyes and raised the dead While these beloved stories draw our attention to divine power Christ's miracles signify something deeper they're windows into God's grand story of human desperation and redemption Every time we see Jesus performing a miracle we also get a glimpse into the gift of desperation a gift that opens us to the dramatic power of God through our desperate need for him By explaining the meaning and significance of these miracles Jessica LaGrone shows us their relevance for our lives today She unpacks how understanding the meaning of Christ's miracles will help us better grasp the salvation God has brought into the world see that our weakness is an invitation for God to work powerfully in our lives and remind us that we need God on our best days just as much as we do on our worst
