Ewing Honorary Lecturer School of Divinity University of Aberdeen There has long been a desperate need for a thorough and wide ranging introduction to Christian Apologetics not least as this branch of Christian thought and theology has become increasingly active and important in recent years Alister McGrath's Christian Apologetics An Introduction fills this gap brilliantly All in all this is a much needed and incredibly important book one that McGrath given his wide experience of writing and teaching in apologetics is almost uniquely qualified to write Dr Andy Bannister Adjunct Professor of Apologetics Wycliffe College University of Toronto

**How to Defend the Christian Faith** John W. Loftus, Peter Boghossian, 2015-11-01 The first book on Christian apologetics written by a leading atheist figure that teaches Christians the best and worst arguments for defending their faith against attack The Christian faith has been vigorously defended with a variety of philosophical historical and theological arguments but many of the arguments that worked in an earlier age no longer resonate in today's educated West Where has apologetics gone wrong What is the best response to the growing challenge presented by scientific discovery and naturalistic thought Unlike every work on Christian apologetics that has come before How to Defend the Christian Faith is the first one written by an atheist for Christians As a former Christian defender who is now a leading atheist thinker John Loftus answers these questions and more He shows readers why Christian apologists have failed to reach the intelligent nonbeliever and offers practical advice for Christians whether they want to better defend their faith against atheist arguments or actively convert more individuals to Christianity

*A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

[Defending the Faith in a Messy World](#) John Warwick Montgomery, 2023-01-01 Much to the dismay of its critics defending the Christian faith does not rest on a complicated philosophical quest nor illogical assumptions The task of defending the Christian faith or Christian apologetics is for every Believer In this easy to read beginners guide to Christian apologetics scholar and apologist Dr John Warwick

Montgomery lays the groundwork for why the case for Christianity is factually and historically compelling as well as how we should defend the faith. The book's three sections will lead you through the importance of Christian apologetics issues the nonbeliever may raise and how to bring the centrality of the faith Christ on the cross before atheists skeptics and people from other worldviews. For those who want a lighthearted yet thorough introduction to the how why and what of Christian apologetics this primer is a go to guide for those who hope to be ready always to give an answer for the faith that is within 1 Peter 3:15.

**The Real Royal Family** James E. Schultz, 2021-03-26 God made human beings in his image and that is what makes us so valuable. Yet there are vastly different ideas of what the image means and how sin affects the image and each of those ideas impacts the claim that the image grounds human value. People have treated one another in either horrible or wonderful ways based on their theologies of the image. This book examines the logical implications of various image doctrines in the real world. Also in Genesis 1:26-27 the image of God is closely tied to the first stated purposes of human life in Genesis 1:28. Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches. To live out our part in God's creation project we need to understand the image of God within the unfolding story. Scripture narrates from creation to new creation. This book builds a theology of the image of God by situating it firmly in the biblical narrative harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of God his children and his creation in this age and the age to come.

A Reasonable Response William Lane Craig, Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief. In *A Reasonable Response* renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed including: Why does God allow evil? How can I be sure God exists? Why should I believe that the Bible is trustworthy? How does modern science relate to the Christian worldview? What evidence do we have that Jesus rose from the dead? Utilizing real questions submitted to his popular website ReasonableFaith.org Dr. Craig models well reasoned skillful and biblically informed interaction with his inquirers. *A Reasonable Response* goes beyond merely talking about apologetics; it shows it in action. With cowriter Joseph E. Gorra this book also offers advice about envisioning and practicing the ministry of answering people's questions through the local church workplace and in online environments. Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions *A Reasonable Response* will equip you with sound reasoning and biblical truth.

Theology John Warwick Montgomery, 2020-12-16 From the author's Introduction: As this book's subtitle has it it's a potpourri. That expression can be defined as a mixture of dried petals and spices placed in a bowl to perfume a room. But having just published at New Reformation Press a little culinary masterpiece *A Gastronomic Vade Mecum* I am thinking in terms of the secondary definition: an unusual or interesting mixture of ingredients. Either way you will surely enjoy this collection of essays. They are unusual and interesting and they will perfume your thinking as to ultimate issues. A sampling of essays in the present

Alter, 2015-02-21 The Resurrection A Critical Inquiry is a scholarly work that refutes Jesus's purported physical bodily resurrection and those writings in support of it This book is compelling relevant and current for those readers seeking scholarly refutations of that resurrection This in depth work presents the reader with 113 issues Altogether one hundred twenty contradictions and 217 speculations are examined Topics include cutting edge research in astronomy geophysics criminology and the rules of evidence the social sciences and cognitive psychology *Disciples of the Nations* Paul Sungro Lee, 2021-02-25 Written by someone who lived and experienced cross cultural mission proportionally each in America Africa and Asia Disciples of the Nations provides readers both practical and scholarly models of the world mission in the context of global multiplication of discipleship and church planting Field tested and validated effective through empirical researches Professor Paul Lee and the Evangelical Alliance for Preacher Training Commission team expanded the kingdom of God into fifteen countries of Africa and Asia by producing thousands of disciples and planting over three hundred local churches through the multiplication of Christian leadership training Lee shares the secret of the exponential growth in this unprecedented volume This is a must read for anyone aspiring to be used by God to manifest a kingdom building lifestyle in cross cultural contexts **Poetry, Philosophy and Theology in Conversation** Francesca Bugliani Knox, Jennifer

Reek, 2019-08-05 This volume is a collection of essays that explains how literature philosophy and theology have explored the role of wonder in our lives particularly through poetry Wonder has been an object of fascination for these disciplines from the Greek antiquity onwards yet the connections between their views on the subject are often ignored in subject specific studies The book is divided into three parts Part I opens the conversation on wonder in philosophy Part II is given to theology and Part III to literary perspectives An international set of contributors including poets as well as scholars have produced a study that looks beyond traditional chronological geographical and disciplinary boundaries both within the individual essays themselves and in respect to one another The volume's wide historical framework is punctuated by four poems by contemporary poets on the theme of wonder An unconventional foray into one of the best known themes of the European tradition this book will be of great interest to scholars of literature theology and philosophy *Theology From the Spring*

Jacob A. Taggart, 2018-06-01 We live in a world of duality where the clashing of co-existent beauty and chaos robs humanity of its innate purpose. Perhaps as a coping mechanism we also live in a world dictated by technological advance that despite its manifold conveniences yields unintended consequences such as alienation, detached purpose, and synthetic happiness. What if the way to recover our sense of meaning and ultimate transcendent truth was found organically in the most pure and ethereal settings of the natural world? *Theology from the Spring* leads readers through a reformation of nature that rediscovers the beauty of creation, ultimately pointing to the majesty and revelation of its creator. *Theology from the Spring* uses beautiful vistas gleaned from freshwater springs and fly fishing motifs that converge with rich theological applications. Fly fishing and freshwater springs are a tonic for the soul, each flowing forth with primal truths. *Theology from the Spring* takes its readers on a voyage that upon closer examination awakens us to the living discourses of nature. Through vignettes of fresh water springs and fly fishing analogies, *Theology from the Spring* provides the reader with something we've lost eyes for: seeing latent divine truths that make sense of the beauty and chaos we see within the created order. *Jesus Christ: Fully God, Fully Man* Charles Z. Barwon BTh MTh ThM MA, 2025-08-04 This book explains Jesus's two natures in a way relevant to the modern reader. It clearly describes the struggle to understand Jesus's two natures and points out inadequacies in the views of some church fathers who misinterpreted the meaning of Jesus's two natures. This book uses the affirmation of the Council of Chalcedon AD 451 to explain Jesus's two natures and establish that Jesus is fully God and man. This book takes on a historical and theological stance. Still, it can be appreciated by both theologians and nontheologians because it articulates with clarity and simplicity the significance of Jesus's two natures for the Christian faith. *Prevenient Grace* J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots, the storms of a season will wither away and uproot it like a house built on sand; a poor foundation will doom its fate. But this isn't a book on botany nor on architecture; foundations, good roots, are essential to thought structures as well as material structures. In theology, a bad foundation will produce results as catastrophic as bad roots or shifting sand. How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith. This book evolved from the conviction that a prominent theological system rests on a fragile foundation. It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word. The theology in question is Arminianism; the foundation is prevenient grace. Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings, giving them enabling grace enough to respond or reject His offer of salvation. The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded, and that Arminianism itself stands or falls on this doctrine. *Reflections of Asian Diaspora* Sam George, 2022-08-30 Asians make up the largest and most dispersed peoples of the world, and Christians constitute a sizable proportion of this population. Asian Christians are likely to emigrate, and many have embraced Christian faith at their diasporic destinations. In light of these realities, the *Asian Diaspora Christianity* series charts the growing

interconnections between the Diaspora Christian communities by providing a rich multidisciplinary and contemporary perspective on the globalization of Asian Christianity This volume the last in the Asian Diaspora Christianity series brings together scholars of Asian background and a few others who are situated in diverse locations to draw insights on Christian ministry from a diasporic perspective This volume pays special attention to the Asian diasporic experience in areas of theology and ministry Issues of a practical nature such as English language worship contextual leadership and missionary training are included

Contending for the Truth L. J. Anderson, 2025-02-07 What happens when God's people stop contending for the truth In a world where confusion is often mistaken for compassion and doctrinal compromise is praised as unity Christians must not only believe the truth they must be equipped to defend it Contending for the Truth explores thirteen highly debated doctrines in Christianity today applying biblical rigor to each and calling believers to stand firm on Scripture From apologetics to creationism church discipline to the doctrine of inerrancy this book walks readers through contentious topics with clarity and conviction Each chapter grounds its arguments in Scripture compares doctrinal views and invites readers to test everything against the Word of God not tradition consensus or culture Whether used for personal study classroom engagement or group discussion this book will help readers Identify theological drift in today's church Compare key doctrines against Scripture itself Engage contentious issues with clarity and confidence Contend for the faith with humility and courage This is not a primer on the basics of the faith It's a theological sharpening stone for those seeking to grow think and live more biblically Written by L J Anderson author independent scholar and founder of Lamad Press Contending for the Truth serves as a companion volume to his earlier work Theology and Apologetics applying that foundational method to real world doctrinal challenges Anderson holds a Master of Divinity is pursuing a PhD in theological studies and publishes accessible academically grounded works for pastors students and lay leaders alike If you're ready to think deeply study biblically and live faithfully this book will challenge and equip you Contents Introduction Why God The Moral Argument Truth The Inerrancy of Scripture Gnosticism A Biblical and Historical Response Biblical Forgiveness Biblical Church Discipline Is Christianity a Religion or a Relationship Religious Freedom Scientific Naturalism v Creationism Young Earth v Old Earth Creationism Sons of God The Doctrine of Election A Brief Call to Action Also by L J Anderson Bibliography
