Current Biography Yearbook 2003 Current, 2003 *Current Biography Yearbook*, 2009 **Current Biography International Yearbook 2003** H.W. Wilson, 2003 *Women of Power* Torild Skard, 2015-03-09 At a time when a woman Angela Merkel is arguably the most powerful leader in Europe and another Hilary Clinton continues to be at the center of the US political stage it seems that women have broken through the glass ceiling and begun to populate the highest offices of the political world Women of Power is a testament to that accomplishment offering the most comprehensive overview of female presidents and prime ministers to date Looking at over fifty countries and over seventy women leaders since 1960 Torild Skard herself an experienced politician examines how and why these women rose to the top and what their leadership has meant for women's empowerment throughout the latter half of the twentieth century Skard examines the achievements and life stories of the world's female leaders up to the current era She offers nuanced portraits that draw on a number of materials including many interviews that she conducted herself All of the women discussed are organized by both chronology and geography and Skard includes a number of helpful chapters that provide an overview and assessment of how different women leaders have come to power in different regions Overall the book provides a fascinating account of women's empowerment as it has manifested itself at the very top of the political hierarchy **Scott Turow** Andrew F.

Macdonald, Gina Macdonald, 2005-05-30 Scott Turow is a novelist lawyer and humanist who has fused his two passions writing and the law to create challenging novels that raise significant legal issues and test the justice of present laws In all of his books Turow reveals the moral ambiguities that afflict both accuser and accused and challenges his readers to reconsider their preconceived notions of justice Beginning with *One L* his first published work about the first year law school experience Turow continues to capture his readers' imaginations with books such as *Presumed Innocent* and *Burden of Proof* *Current Biography* H.W. Wilson Company, 2007 **Biography Today** Cherie D. Abbey, Kevin Hillstrom, 2006 Provides personal and professional data on famous individuals from such fields as sports entertainment literature science business and politics

From Suffrage to the Senate: O-Z Suzanne O'Dea, 2006 This book is a comprehensive compendium of biographies of leading women in U S politics past and present and an examination of the wide range of women's movements **Biography Today**, 2007 Contains alphabetically arranged biographical sketches of well known personalities **Current Biography: International Yearbook 2003** Patrick Kelly, 2003 *Hope Dies Last* Alan Weisman, 2025-04-22 One of Heatmap's 18

Climate Books to Read in 2025 The award winning environmental journalist s extraordinary long awaited portrait of hope and resilience as we face a fractured and uncertain future In this profoundly human and moving narrative the bestselling author of *The World Without Us* returns with a book ten years in the making a study of what it means to be a human on the front lines of our planet s existential crisis His new book *Hope Dies Last* is a literary evocation of our current predicament and the core resolve of our species against the most precarious odds we have ever faced To write this book Weisman traveled the globe witnessing climate upheaval and other devastations and meeting the people striving to mitigate and undo our past transgressions From the flooding Marshall Islands to revived wetlands in Iraq from the Netherlands and Bangladesh to the Korean DMZ and to cities and coastlines in the U S and around the world he has encountered the best of humanity battling heat hunger rising tides and imperiled nature He profiles the innovations of big thinkers engineers scientists conservationists economists architects and artists as they conjure wildly creative imaginative responses to an uncertain ominous future At this unprecedented point in history as our collective exploits on this planet may lead to our own undoing and we could be among the species marching toward extinction they refuse to accept defeat *Hope Dies Last* fills a crucial gap in the global conversation Having reached a point of no return in our climate confrontation how do we feel behave act plan and dream as we approach a future decidedly different from what we had expected *Choice*, 2004 *Out of the Shadows* David K. Wiggins, 2006-02 The original essays in this comprehensive collection examine the lives and sports of famous and not so famous African American male and female athletes from the nineteenth century to today Here are twenty insightful biographies that furnish perspectives on the changing status of these athletes and how these changes mirrored the transformation of sports American society and civil rights legislation Some of the athletes discussed include Marshall Taylor bicycling William Henry Lewis football Jack Johnson Satchel Paige Jesse Owens Joe Lewis Alice Coachman track and field Althea Gibson tennis Wilma Rudolph Bill Russell Jim Brown Arthur Ashe Michael Jordan Tiger Woods and Venus and Serena Williams **American Jews with Czechoslovak Roots** Miloslav Rechcigl Jr., 2018-06-19 This is a pioneering comprehensive bibliography of existing publications relating to American Jews with ancestry in the former Czechoslovakia and its successor states the Czech and the Slovak Republics which has never before been attempted Since only a few studies have been written on the subject the present work has been extended to include biobibliography in which area a plethora of papers and monographs exist Consequently this compendium can also be viewed as a comprehensive listing of biographical sources relating to American Jews with the Czechoslovak roots As the reader will find out they have been involved practically in every field of human endeavor in numbers that surprise As for the definition of Jews the present work encompasses not only the individuals that have professed in Judaism but also the descendants of the former Jews who originally lived on the territory of the former Czechoslovakia regardless of the generation or where they were born *The Columbia Guide to Asian American Literature Since 1945* Guiyou Huang, 2006-08-08 The Columbia Guide to Asian American Literature Since

1945 **Golden Dreams** Kevin Starr, 2011-09-09 A narrative tour de force that combines wide ranging scholarship with captivating prose Kevin Starr's acclaimed multi volume Americans and the California Dream is an unparalleled work of cultural history In this volume Starr covers the crucial postwar period 1950 to 1963 when the California we know today first burst into prominence Starr brilliantly illuminates the dominant economic social and cultural forces in California in these pivotal years In a powerful blend of telling events colorful personalities and insightful analyses Starr examines such issues as the overnight creation of the postwar California suburb the rise of Los Angeles as Super City the reluctant emergence of San Diego as one of the largest cities in the nation and the decline of political centrism He explores the Silent Generation and the emergent Boomer youth cult the Beats and the Hollywood Rat Pack the pervasive influence of Zen Buddhism and other Asian traditions in art and design the rise of the University of California and the emergence of California itself as a utopia of higher education the cooling of West Coast jazz freeway and water projects of heroic magnitude outdoor life and the beginnings of the environmental movement More broadly he shows how California not only became the most populous state in the Union but in fact evolved into a mega state en route to becoming the global commonwealth it is today Golden Dreams continues an epic series that has been widely recognized for its signal contribution to the history of American culture in California It is a book that transcends its stated subject to offer a wealth of insight into the growth of the Sun Belt and the West and indeed the dramatic transformation of America itself in these pivotal years following the Second World War **Biography Today**
