CSEC Study Guide for English B Short Stories (2018 - 2023) Julie Tagg, 2021-03-12 For years I have searched across the Internet for a compilation of practice questions just for CSEC short stories I wanted to be able to find that one book that would provide a strong guide for preparing my students for the exams For me it was hopeless and frustrating So after years of thinking and wondering and doubting myself I finally decided to do a book that would provide a variety of questions for the short stories for CSEC English B It is hoped that these questions will help students and teachers to become even more familiar with the themes and literary techniques and how they can be incorporated into a single question Of course there is a list of the literary techniques and other themes at the end of the book I did this with the hope that if for any reason a student or a teacher could not find a specific question

that they had hoped to find then they would be able to restructure one of the many questions in this book and format a question to suit a given theme or literary technique I really hope this will help as you prepare for your examinations
