Develop Your Pr Skills Sunday Times Creating Success:

Develop Your Leadership Skills John Eric Adair, 2007 *Develop your Leadership Skills* is John Adair's most accessible title on leadership. Full of exercises and checklists, it can help to boost confidence levels and guide and inspire anyone on their journey to becoming a leader of excellence. Acknowledged as a world expert, John Adair offers stimulating insights into recognizing and developing individual leadership qualities, acquiring personal authority and, most importantly, mastering core leadership functions such as planning, communicating and motivating. Suitable for anyone who wishes to improve or develop their leadership skills, this guide distils the essence of John Adair's teaching and provides a framework for becoming an effective leader.

Improve Your Coaching and Training Skills Patrick Forsyth, 2008 With practical guidelines to help you develop your staff, this book is ideal for busy managers who don't have human resources support. Key content includes why development matters on the job, coaching, mentoring, developing a formal training method, conducting a training session and assessing on-going effectiveness.

Develop Your NLP Skills Andrew Bradbury, 2006 *Neuro Linguistic Programming* NLP is one of the powerful communication tools. This third edition provides practical guidance on using NLP techniques to achieve business excellence. It is useful to those interested in improving their powers of communication.

Improve Your Communication Skills Alan Barker, 2006 The ability to communicate is one of the most important attributes needed to conduct business. Alan Barker's jargon-free guide shows how to get the message across every time verbally and visually.

Successful Presentation Skills Andrew Bradbury, 2006 A good presentation involves effective communication and is essential for business success. This guide addresses the common problems people face, overcoming nerves, handling visual aids and shaping the presentation itself.

Developing Your Staff Patrick Forsyth, 2001 One of the major tasks facing any manager is the challenge of maximizing staff performance. *Developing Your Staff* looks at a range of factors associated with this issue, such as motivation and development, assessing competencies, delegation, training and career implications.

Decision Making & Problem Solving Strategies John Eric Adair, 2007 Explains key principles for developing thinking skills and applying them creatively and effectively.

Make Every Minute Count Marion E. Haynes, 2000 Time can't be saved up, but it can be managed. Each of us manages time differently to suit our own personality and lifestyle, but the basic processes are described here so we can choose which to apply to our circumstances: delegating, prioritising tasks, planning ahead, dealing swiftly with interruptions and time-wasters, making technology do the work, using travelling time. The updated edition of this practical book contains checklists, time analysis forms and charts that can be adapted to suit individual needs. Above all, it will help you to allocate your time more efficiently so that you can get more done in less time. For managers at all levels, *Make Every Minute Count* will prove an invaluable guide.
