Developing Church Leaders Understanding And Nurturing Leadership In The Local Church:

Developing Church Leaders James A. Hinkle, 2011-01-25 No church can advance beyond its leaders When churches develop better leaders the world can know better churches Leadership training is a must if we are to develop better leaders for better churches It is necessary to look again at the biblical information about leaders and to examine what can be done to build good church leaders To say that church leaders could learn how to lead from midwives may be a bit unconventional but *Developing Church Leaders* makes this suggestion This is only one of the carefully planned and researched materials in this book This is great read for church leaders and lay workers alike Dr James Hinkle has served churches for fifty years taught ministry course in college and led seminars on leadership throughout the U S and several continents **Toward a Twenty-First Century Biblical, Apostolic Church** SuYeon Yoon, 2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4 11 13 as well as C Peter Wagner s conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner s concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church **Missions** Gailyn Van Rheenen, 1996 This introduction to missions looks at the biblical and theological foundations for effective missions Van Rheenen also outlines practical strategies that will help present and future missionaries involved in taking the gospel to the world **The Book of Discipline of The United Methodist Church 2012** Marvin W. Cropsey, 2013-01-01 The Book of Discipline sets forth the plan by which we United Methodists govern ourselves It reflects our understanding of the Church and of what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole body of Christ The Discipline includes our church Constitution our history our doctrinal standards and our mission to make disciples of Jesus Christ as well as practical processes through which our congregations connect and support each other to reach the world **Building Cultural Intelligence in Church and Ministry** Osoba O. Otaigbe, 2016-06-30 Revd Osoba Otaigbe has written a comprehensive guide for helping the church more effectively relate and serve across cultural borders Whether youre welcoming a community of refugees travelling on a short term mission experience befriending an expat family or simply interacting with an increasingly

diverse society this guide will help you love your neighbour The book is packed full of insights about cultural intelligence and brings them to life for Christians The case studies and discussion questions are particularly useful for making the theoretical ideas immensely practical As both a cultural intelligence researcher and a Christian it gives me great joy to commend Revd Osoba and his work to you David Livermore PhD author of Leading with Cultural Intelligence and President of Cultural Intelligence Centre USA Building Cultural Intelligence in Church and Ministry is a timely contribution to our understanding of the way varied global and local cultures can be nurtured to offer a rich and meaningful engagement in our lives and in work It draws on a wide range of scriptural and practical examples that makes it an easy to read and understand study guide for various audiences The guidance on how to develop cross cultural competence in particular makes the book a must read one that promises to equip the reader with the much required understanding appropriate responses and management of diverse cross cultural engagements in both missions and ministries Dr Maureen Ayikoru Senior Lecturer Anglia Ruskin University United Kingdom In our rapidly changing society it is really important that we all develop greater cultural intelligence If we are to become the vibrant Kingdom community of all nations that the Bible envisages we need much greater understanding and appreciation of those who are different from ourselves This book and the assessment and workshops that go alongside it will be particularly helpful for leaders churches and groups who want to grow in this area Relating the concepts of cultural intelligence to passages of Scripture it will certainly encourage some great discussion learning and reflection for discipleship and mission Revd Lynn Green General Secretary Baptist Union of Great Britain Building Cultural Intelligence in Church and Ministry is a worthwhile work with important things to say and to give perceptive and practical guidance Prof David Dunn Wilson Honorary Research Fellow Cliff College United Kingdom Building Cultural Intelligence in Church and Ministry book has done a marvelous job of integrating scriptural basis and reference points in the exploration of the cultural intelligence factors as they relate to ministry and mission This being interspersed with practical and real world scenarios and examples is very helpful The reflection study guide questions are also well written and will provide for deeper learning discussion and application There is a considerable amount of information and detail to work through and I would suggest that people work through the book at a steady pace so that they can fully digest that immense learning and insights that this book will give Adrian Kistan Principal Consultant Intercultural Solutions Australia More than ever cultural intelligence is a much needed competence to grow develop and nurture Current fears and conflicts on the global and in local contexts and not the least in churches underscore this Through this timely volume Osoba O Otaigbe brings his expertise as a cultural intelligence researcher and years of experience working in cross cultural and diverse contexts to offer an invaluable resource for churches Building Cultural Intelligence in Church and Ministry draws on a variety of scholarly sources biblical texts and practical examples to provide readers with helpful insights and questions for reflection on developing cultural awareness intelligence and competence A welcome resource for ministerial missional

formation and both denominational and local church leadership Michael N Jagessar Revd Dr Global and Intercultural Ministries United Reformed Church UK The Book of Discipline of The United Methodist Church 2020/2024 United Methodist Church,2024-12-18 The Guide to the Historical Record and Up to Date Policies and Practices for Governance of The United Methodist Church This essential volume includes The United Methodist Church s current law doctrine administrative guidelines and organizational procedures Each General Conference amends The Book of Discipline and the actions of the 2024 General Conference are reflected in the quadrennial revision Freshly updated to reflect the latest General Conference actions the new Discipline features a comprehensive list of bishops spanning from our early leaders Thomas Coke and Francis Asbury to the 2024 episcopal elections Additionally it includes a revised historical statement an expanded index and is divided into six informative sections The Constitution General Book of Discipline Doctrinal Standards and Our Theological Task The Ministry of All Christians Social Principles Organization and Administration Development of Chinese Church Leaders Otto Lui,2013-06-14 Confucianism and its influence on culture in East Asia has profoundly impacted Chinese churches and the development of their leaders As a cultural force it continues to affect the perceptions and practices of Chinese pastors and how they lead This work seeks to build an indigenous approach to developing church leaders by understanding the theoretical and the situational foundations of relational leadership from both cultural and biblical perspectives The research is further enriched through case studies and interviews observing the practices of leadership in contemporary Chinese churches **Designed to Lead** Eric Geiger,Kevin Peck,2016-09-01 Most churches merely exist Many churches do not develop leaders intentionally and consistently When leaders emerge from some churches it is often by accident Something is missing Something is off Authors Eric Geiger author of bestselling Simple Church and Creature of the Word and Kevin Peck argue that churches that consistently produce leaders have a strong conviction to develop leaders a healthy culture for leadership development and helpful constructs to systematically and intentionally build leaders All three are essential for leaders to be formed through the ministry of a local church From the first recordings of history God has made it clear that He has designed creation to be led by His covenant people More than that He has decided what His people are to do with that leadership Whether you are called to lead your home in the marketplace in God s church or in your community if you are called by God you are called to lead others to worship the glory of God in Jesus Christ God has designed His people to lead The Spiritual Formation of Leaders Chuck Miller,2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That s why The Spiritual Formation of Leaders invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God s

presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom
