M. Fairchilde, 2019-02-25 Banishing binding cursing and hexing is considered manipulative magic by some but is perfectly acceptable by others The truth is it depends on how you feel about using this type of magic as well as why you feel you need to use what some call manipulative magic I believe that no one has the right to steal from you lie to you or disrupt your life negatively Being held emotional prisoner by another person is neither desirable nor is it healthy And it is up to you to end the onslaught So I believe there are times when this type of magic is not only justified but essential to survival That being said banishing binding cursing and hexing has to be done under the right circumstances and without malice Your intentions must come from a high place So once you have weighed all the consequences make your choices wisely as to how you conduct yourself while practicing your craft The information in this beginner s guide should enlighten you enough to make a decision if this is for you **Book of Curses** River Lux, 2018-02-26 A witch who cannot curse cannot heal The Red Edition has more curses and even lists of oils and what you can use them for also a few recipes to make these oils as well With over 80 different types of curses and hexes this manual was written for beginner and advanced Black Magick users Curses and harmful spells are often the first thing which spring to the minds of the uninitiated on hearing the terms witchcraft voodoo or hoodoo yet few practitioners are willing to discuss the subject This simple book provides a variety of harmful and vindictive spells Described also is a method to avoid any backlash A must have for any magickal library I have been practicing for over 13 years and the curses contained within these pages are some of the most potent ones I have ever come across In order to curse we tap upon our inner darkness and bring it to the surface When we tap this inner darkness we come face to face with a part of our selves that most people would rather not admit that they have It is a fair statement to say at least for the duration of time that you are actively cursing someone that you are a force of darkness in and of yourself
